

Women's 6k:

The women's course completes one full red loop. Please take note, the women's course has a slight addition on the "pond" loop. After passing the finish line, the women will complete one of the orange loops before turning onto the purple finishing straight.

Elevation

Click and drag over a section to see approximated elevation data. Exact elevation data is shown when the route is saved.

Start	Max	Gain
1,135 ft	1,172 ft	194 ft
