

# HELP TAKEDOWN COVID-19!

“With your safety as a top priority, we continue to develop our mitigation efforts for the upcoming winter sports seasons at Iowa State. The impact of COVID-19 continues to create challenges for gatherings, especially in indoor venues.

It is our intent to host significantly reduced crowds at Cyclone wrestling matches this winter as long as our mitigation efforts are adhered to and they are successful.

We know how impactful wrestling is for this community during the winter months and our staff is working diligently to prepare Hilton Coliseum so that we can entertain crowds, although significantly smaller than normal, this season.

It will ultimately be up to each attendee to decide if they are comfortable attending matches given the mitigation measures outlined here. We appreciate your support. Go Cyclones!”

- ▶ Take your time while leaving and respect fellow fans' desires to physically distance *(six feet between parties)*.

# SAFETY IS A TEAM EFFORT

Every person has a unique perspective of the COVID-19 pandemic. Some are fearless, others are cautious.

**Our measures will be too restrictive for some and too lenient for others. All we ask is that you respect others, follow our guidelines and support the Cyclones.**

We have initiated these measures for the wrestling season to mitigate risks for our fans, but it's still critically important for everyone to individually do their part to fight the pandemic and keep everyone attending the matches safe:

- ▶ Practice physical distancing when possible.
- ▶ Perform thorough hand hygiene.
- ▶ Wear a face covering *(must cover nose and mouth)* at all times.
- ▶ Exhibit patience and understanding as we implement these mitigation strategies to keep you safe.

Lastly, this information is subject to revision as circumstances change. We will continue to offer updates as needed.

**Thanks for your cooperation, and Go Cyclones!**
