THE RHODES SCHOLARSHIP

The Rhodes Scholarship is one of the most prestigious scholarships in the world, is given in honor of Cecil Rhodes. Rhodes Scholars are awarded full tuition and fees to pursue their course of study at the University of Oxford for two years, with the possibility of a third year. The first American Scholars were elected in 1904 and regional committees select just 32 Rhodes Scholars each year. Ivy League football has claim to 38. Special thanks to Robin Patsey & John Eschenbach for the research.

ASA S. BUSHNELL CUP

The *Asa S. Bushnell Cup* is an annual award initiated in 1970, which honors *Asa S. Bushnell*, Princeton '21, and Commissioner of the Eastern College Athletic Conference from 1938 to 1970. Presented by the Eastern Association of Intercollegiate Football Officials, the *Bushnell Cup* is awarded by vote of the Ivy League's eight head football coaches to the players in the league who display outstanding qualities of leadership, competitive spirit, contribution to the team, and accomplishments on the field. Beginning with the 2010 season, the award is presented as a part of the festivities surrounding the National Football Foundation Annual Awards Dinner in New York City. Beginning with the 2011 season, the award recognizes both offensive and defensive players of the year, honoring each as a recipient of the *Asa S. Bushnell Cup* from their respective sides of play.
