We are nationally recognized for the exemplary character, achievements and contributions of our student-athletes to better our society.

Student-Athlete Well-being
We are committed to the health, safety, academic, athletic and personal growth of each student.

Integrity
We do the right thing and hold each other accountable.

Respect
We respect all people, their culture, beliefs, identity and thought.

Stewardship
We are responsible guardians of the University’s resources, relationships and reputation.

Family
We are a collaborative team supporting one another.
On behalf of our student-athletes and staff, thank YOU for your continued support of Kent State Athletics.

Kent State University and the athletics department continue to make investments in several of our athletics programs. We have received approval to begin construction on the Kent State Basketball and Volleyball Development Center, a facility that will allow our basketball and volleyball programs to train and practice outside of the M.A.C. Center. The development center will be an invaluable resource for our student-athletes and will help our programs reach national distinction.

The facility will be inside the M.A.C. Center, in between two of our newest facilities opened last year, the state-of-the-art Athletic Training and Education Center and the Jenkins Student-Athlete Academic Center. The development center is a project that was identified as a priority with the implementation of the “Game Plan 2016-2020,” the strategic vision for Kent State Athletics.

Major milestones reached this past year in The Game Plan include the installation of new playing surfaces at Dix Stadium and Murphy-Mellis Field. The turf installation represents Kent State’s commitment to improvements at Dix Stadium, with recent renovations totaling over $2.2 million.

The athletic department also looks forward to its inaugural season of competition in women’s lacrosse. The lacrosse program reached several milestones this year, beginning with the hiring of head coach Brianne Tierney, who brings a wealth of experience and legacy of lacrosse success to Kent State. Tierney has already announced the program’s first signing class and received an invitation to compete in the Atlantic Sun Conference.

The success of our department and university would not be possible without the support from our donors, fans, alumni and community members. I look forward to another great year of Kent State Athletics and cheering on the Golden Flashes with YOU at our events!

GO FLASHES!

Assistant Athletic Director

The Kent community is one of the largest supporters of KSU Athletics. We feel it is our responsibility to give back to those who have given our department so much over the years. The Flashes served more than 3,000 hours of community service this year making a large regional impact.

COMMUNITY SERVICE

- Women’s volleyball kicked off the school year by hosting a school supply drive, in their efforts to collect school supplies to assist local schools in need.
- On a weekly basis, Kent State student-athletes became a strong presence in the local elementary schools with over 100 service hours.
- Our largest elementary event of 80 student-athletes (from all teams) participated in the 5th Annual Moving with the Flashes, a full day consisting of several different physical activity stations taught by the athletes.
- Athletes collected over 4,000 Box Tops and donated to a Kent area school in need.
- Baseball and softball teams assisted in creating 130 holiday baskets for the community members of King Kennedy Center. Those baskets were then distributed during the Center’s holiday party to those in need.
- Men’s and women’s golf programs teamed with the Ben Curtis Family Foundation in their efforts to service underprivileged youth in the Kent area by giving each student a “Birdie Bag” filled with food and other supplies to help them get through the weekend.
- KSU gymnastics hosted its Annual Pink Meet. This year’s meet collected $6,000 in proceeds that went to the COSA CARES program, a non-profit agency that helps women and their families battling breast cancer.
- SAAC held a “Be the Match” donor drive and registered nearly 150 people, to a national organization that manages the largest bone marrow registry.
- While on the road, men’s and women’s basketball spent their Thanksgiving preparing and serving meals to the less fortunate in Florida.
- Women’s basketball also spent time with a local juvenile center, helping educate abused children on making the right choices.
- Football spent time at Haven of Rest in Akron and the Multi-County Juvenile Attention System in Canton.

TRIP TO BELIZE

Kent State University student-athletes traveled to Aguacate, Belize, to partner with Courts for Kids on a service project from May 16-24. A total of 19 student-athletes volunteered to make the trip and were accompanied by five staff members as they aided community members in the construction of a multipurpose sports court located next to the local school. In addition to serving as a place for children in the community to play volleyball, soccer and basketball, the court will be used for community celebrations, dances and health fairs.

Having to unplug from technology provided a great bonding experience for the group, as the student-athletes and staff members spent much of their time having conversations with each other and members of the community. In alignment with the department’s “Flashes supporting Flashes” mantra, the student-athletes worked with members of other teams in order to form new relationships and strengthen team skills.

THE GOLDEN FLASHES GALA

Kent State’s twist on the ESPY Awards, the Golden Flash Gala, brought together student-athletes and staff in an event showcasing the best performances of another great Golden Flash year on October 24th in the Kent State Ballroom. During the evening, 10 student-athletes were recognized for their achievements and dedication on and off the playing field/court.

Hosted by Kent State’s own Ty Linder, the Golden Flash Gala in about more than just sports. It was a night for all student-athletes to hang up their tennis shoes or cleats and dress to impress, as they walked the gold carpet.

“My scholarship from Kent State came at a time in my life when I was at a crossroad. That scholarship changed my life for good. When I left Jamaica to study at Kent, I left my home, friends and family there. Kent took me in where I made lifelong friends, a new family and a new home. I have grown as an individual and have learned so much from this experience. I must say, that without my athletics scholarship, I would not have had this experience. As I move forward, I will always keep in mind what my athletics scholarship did for me. Kent State and all the people that I met here will always have a special place in my heart.”

FAQs

**HOW DO I RECEIVE BENEFITS THROUGH THE GOLDEN FLASHES CLUB?**

Any gift towards supporting athletic scholarships (specific sport or endowment scholarships) qualifies you for benefits through The Golden Flashes Club.

**DOES MY PAYMENT TO PARTICIPATE IN EVENTS SUCH AS GOLF OUTINGS QUALIFY ME FOR THE GOLDEN FLASHES CLUB BENEFITS?**

No. The goal of The Golden Flashes Club is to directly support student-athlete scholarships and help us close the gap on our $7 million annual scholarship bill. Payments for these events are allocated to cover event costs and are unable to be applied towards our scholarship bill.

**DO I NEED TO GIVE A CERTAIN TIME OF THE YEAR TO RECEIVE FULL BENEFITS?**

The Golden Flashes Club has switched to a calendar year of giving (January 1–December 31). Your benefits become active from the date you make your gift through the remainder of the calendar year. For example: If a donor makes a gift in January, he or she will receive their full benefit package from January through December enabling them to reap their benefits for the calendar year.

**IF I MAKE A GIFT TO A PARTICULAR SPORT, DOES THAT CONTRIBUTION COUNT AS A GIFT TO THE GOLDEN FLASHES CLUB?**

Yes! As long as the gift is to support scholarships, you will be eligible to receive benefits.

**IF I MAKE A NEW GIFT TO AN ENDOWMENT FUND IN INTERCOLLEGIATE ATHLETICS, DOES THAT GIFT COUNT AS A CONTRIBUTION TO THE GOLDEN FLASHES CLUB?**

Yes! However, only if it supports a scholarship.

**DO MATCHING GIFTS COUNT AS PART OF MY TOTAL GIVING TO THE GOLDEN FLASHES CLUB?**

Yes! You will receive credit for all matching gifts. Please be aware that match amounts are not tax deductible. Please visit www.kent.edu/match to see if your employer offers this benefit.

**ARE MY GIFTS TO THE GOLDEN FLASHES CLUB TAX DEDUCTIBLE?**

All gifts not associated with ticket purchases or other benefits are 100% deductible. The Golden Flashes Club and the Kent State Foundation recommend consulting with your tax advisor regarding donations to KSU Athletics and their tax-deductible value.

“My athletic scholarship at Kent State University means a great deal to me. As a former walk-on, I know first-hand the struggle of trying to balance academics and athletics all while trying to find a way to pay for school. A scholarship provided me with the opportunity to be able to focus solely on my academics and athletics while chasing my goals both on and off the field! Thank you and Go Flashes!”
