Sickle Cell Trait Screening Waiver

- The NCAA recommends that athletics departments confirm the sickle cell trait status in all student-athletes.
- In accordance with the NCAA recommendation, Kent State University Sports Medicine is encouraging sickle cell trait testing for all student-athletes.

I, ________________________, (Print Name) understand and acknowledge that the NCAA and Kent State University Intercollegiate Athletics mandate that all student-athletes have knowledge of their sickle cell trait status. Additionally, I have read and fully understand the aforementioned facts about sickle cell trait and sickle cell trait testing.

Recognizing that my true physical condition is dependent upon an accurate medical history and a full disclosure of any symptoms, complaints, prior injuries, ailments, and/or disabilities experienced, I hereby affirm that I have fully disclosed in writing any prior medical history and/or knowledge of sickle cell trait status to Kent State University Sports Medicine personnel.

I do not wish to undergo sickle cell trait testing as part of my pre-participation physical examination and I voluntarily agree to release, discharge, indemnify and hold harmless the State of Ohio, the University, its officers, employees and agents from any and all costs, liabilities, expenses, claims, demands, or causes of action on account of any loss or personal injury that might result from my non-compliance with the mandate of the NCAA and Kent State University Department of Intercollegiate Athletics. I have read and signed this document with full knowledge of its significance. I have received a Sickle Cell Education Materials packet provided by the Kent State University Sports Medicine Staff. I understand the results of this test will not affect my eligibility nor influence depth chart decisions. I further state that I am at least 18 years of age and competent to sign this waiver.
