We would like to welcome you to Kenyon College for your upcoming athletic contest. To make planning for your trip easier, we have provided a list of services and supplies that will be available for your convenience during your visit to the Kenyon College Campus.

The Kenyon College Athletic Training Room is on the bottom floor of the athletic center, located across from the varsity gymnasium and connected to the indoor track. In general:

- A Certified Athletic Trainer (ATC) will be present at all home contests
- A physician will be in attendance for all football games
- EMS will be on site for all football games
- The athletic training room is available for treatments and taping 1½ hours prior to the start of the contest. 2 hours prior to Football.
- Emergency equipment will be available at each athletic contest site
- Therapeutic modalities are only available in the Selby Athletic Training Room
- Water and ice will be made available on the sidelines or in the bench area

We will be happy to care for you student-athletes if you do not have an athletic trainer or athletic training student traveling with your team. Please contact us with any special needs your team may have and send a medical kit with supplies for their care. A letter detailing treatment parameters is required for our files for us to utilize therapeutic modalities with your athletics if a Certified Athletic Trainer is not traveling with the team.
ATHLETICS FACILITIES

Jasper Tennis Center
Home to both the men’s and women’s tennis teams, the David W. Jasper Tennis Center holds four award-winning indoor courts in the southeast corner of the Kenyon Athletic Center (KAC). The court surface is the same blue Deco-Turf II as used at the Arthur Ashe Stadium Court of the U.S. Open. The Jasper Center also includes coaches’ offices that overlook the courts, as well as a stringing room, and a balcony for match spectators. The courts have direct and indirect lighting for competition and each has its own electronic scoreboard.

Within the first year of the Jasper Center’s unveiling, the American Sports Builders Association recognized it with a ‘Distinguished Facility’ award.

In addition to the indoor courts, the Lords and Ladies have full access to a dozen, well-maintained outdoor courts, which also feature the Deco-Turf II surface and are just a few hundred feet away from the KAC.

Kenyon Aquatic Center
The new home for Kenyon College’s national championship swim teams, the Kenyon Aquatic Center opened in 2006. The facility features a pool that holds 985,000 gallons of water, accommodates 20 lanes (25 yards), or nine long-course lanes, ample deck space, plus one- and three-meter diving boards. The size of the pool not only makes for more comfortable competition, but allows the swim teams efficient practice options, while creating more time for recreational swimming. The Center also includes a wet classroom, a meet manager's office, a whirlpool, on-deck access to locker rooms, a digital scoreboard, and second-tier stands that seat approximately 350 fans.

Mavec Field (Soccer)
Mavec Field is the home stadium for Kenyon's men's and women's soccer programs, as well as the women's lacrosse program. Long regarded as one of the best collegiate soccer fields in Ohio, it is known for its great playing surface on the 120 x 75-yard pitch. Created in 1975 with funds provided by Bruce Mavec ’72 and other members of the Mavec family, the field has been the site for numerous NCAA Division III tournament contests and was recently upgraded with new bleachers and new World Cup style goals. Additionally, a new scoreboard and perimeter fencing were added to the facility. Two more full-sized fields, adjacent to Mavec, are used for varsity practice sessions.

McBride Field (Football, Field Hockey, Lacrosse)
Through a series of recent renovations, McBride Field - the home of Kenyon's field hockey, football and men's lacrosse teams - has transformed into one of the finest in all of Division III athletics.

In 2004, thanks in part to the graciousness of several donors, the field received a new OmniGrass surface, a synthetic turf considered to be the safest on the market. The turf, which is the same type used by some National Football League teams, holds particles of rubber infill that trap air between them, causing compaction to become virtually impossible. Below the surface are four layers of primary backing for shock absorption, strength, and superior drainage.

The refurbished McBride Field also includes stands with a seating capacity of 2,200 and a new press box, constructed in 2005, for media and coaches.

McCloskey Field (Baseball)
Named in honor of Columbus native Colonel Owen T. McCloskey, who worked as a reference librarian and researcher at Kenyon, McCloskey Field sits at the southeast edge of campus. In the fall of 2018, the field was upgraded with a synthetic turf infield of about 36,000 square feet, a removable mound to accommodate softball practices, an improved backstop with a masonry padding and netting, new foul poles and a slight movement of home plate to allow room for bleachers behind home plate. The field measures 315 feet down the lines, 370 feet in the alleys and 390 feet to straightaway center. In previous years, the facility underwent extensive renovations, including rebuilt bullpens, new fencing, an updated press box and scoreboard, as well as restroom facilities, and concession and storage areas.

Toan Indoor Track
Kenyon's award-winning Barrett A. Toan track occupies the north end of the Kenyon Athletic Center. The track, which opened for competition in the winter of 2006, is 200 meters with six lanes and eight sprint lanes. The surface is Mondo Super X and is 14 mm in depth. The American Sports Builders Association (ASBA) recognized the track as its 2006 Facility of the Year.

Home to the men's and women's indoor track teams, Toan track also holds room for two sand pits and two pole vault boxes. Right next to the track are two drop-down cages for batting or golf practice. The entire track has perimeter netting to separate the infield from the running lanes. Netting can also split the infield in half for varsity practices, intramural use, or recreational games.
**Tomsich Arena**

Named in honor of Robert J. Tomsich, the chief executive officer and president of NESCO, Inc., Tomsich Arena is the home playing site for the Lords and Ladies basketball teams, as well as the Ladies volleyball team. Located inside the Kenyon Athletic Center, the main athletic facility on campus, Tomsich Arena became the new home for the Lords and Ladies in 2006.

The name was carried over from the court's original location inside the Ernst Center, where it was dedicated in 1981. Tomsich Arena now holds approximately 1,500 fans and comes equipped with new scoreboards, media centers, scorers' table, and concession stand.

**Softball Complex**

Kenyon's softball complex was constructed near the southeast edge of campus and has been home for the Ladies since their inaugural season of 1998. The complex features a well-manicured field, covered dugouts, a batting cage, and seating for approximately 150 fans. The field measures 195 feet down the lines, 205 feet in the alleys, and 210 feet to straight-away center.

**Wilder Track**

Wilder Track, which was dedicated in 1994 in honor of six-time All-American Kelley Wilder '93, underwent extensive renovation in the 2004-05 academic year. The results were astounding. The new Wilder Track reopened in 2005 and received the American Sports Builders Association awards for outstanding track facility and facility of the year.

Wilder is a top-of-the-line DeFargo Invitational 1000 track with eight lanes and eight sprint lanes. The 400-meter track's impermeable surface, which has a depth of 14mm, is set on a layer of rubberized asphalt, providing a firm hold with strong retention.

The home for Kenyon College track and field teams also includes jumping and pole vault areas. It surrounds McBride Field, which was renovated in 2004 with a synthetic OmniGrass surface.

**DIRECTIONS TO KENYON'S ATHLETICS FACILITIES**

Parking is free at all Kenyon College athletics events and all lots are accessible from Duff Street.

**For football, men's lacrosse, field hockey, and outdoor track events:**
Aim for Wilder Track and McBride Field. From the center of Kenyon's campus at the intersection of Route 308 and Wiggin Street, follow Wiggin Street east for about 100 yards and make a right turn onto Duff Street. As you travel down Duff Street, Wilder Track and McBride Field will be on your left. Also to your left, there is parking directly in front of McBride Field and to your right there is parking across the street from the field. An additional parking lot is available to the south of the Kenyon Athletic Center.

**For basketball, volleyball, indoor track, and swimming competitions:**
From the center of Kenyon's campus at the intersection of Route 308 and Wiggin Street, follow Wiggin Street east for about 100 yards and make a right turn onto Duff Street. The Kenyon Athletic Center is located near the end of Duff Street on the left. A parking lot is located immediately to the south of the building. Volleyball matches, swimming meets, and basketball games are all held at the athletic center.

**For baseball, cross country, soccer, and women's lacrosse:**
From the center of Kenyon's campus at the intersection of Route 308 and Wiggin Street, follow Wiggin Street east for about 100 yards and make a right turn onto Duff Street. Follow Duff Street passed both the Kenyon Athletic Center (on the left) and the Kokosing Gap Trail. After you pass the trail, and before you get to Route 229, take a left turn at the road marked with the 'Athletic Fields' sign. After taking a left, drive to the stop sign straight ahead and turn right. Parking is available next to both Mavec Field (soccer, women's lacrosse) and McCloskey Field (baseball).

**For tennis, softball:**
From the center of Kenyon's campus at the intersection of Route 308 and Wiggin Street, follow Wiggin Street east for about 100 yards and make a right turn onto Duff Street. Follow Duff Street passed both the Kenyon Athletic Center (on the left) and the Kokosing Gap Trail. After you pass the trail, and before you get to Route 229, take a left turn at the road marked with the 'Athletic Fields' sign. After taking a left, drive to the stop sign straight ahead and turn left. Parking is available next to the tennis courts. The softball field is located down the hill behind the tennis courts.
FAN/SUPPORTER CODE OF CONDUCT

Kenyon College asks that you be courteous and respectful of those seated around you and refrain from behavior that interferes with other spectators’ ability to enjoy the game. Game day staff will strive to maintain a fan-friendly environment, free from any of the following behaviors:

- Using foul, socially unacceptable language, gestures or behavior.
- Throwing objects onto the field.
- Interfering with other spectators’ ability to enjoy the game.
- Use of artificial noisemakers and flash photography (indoors) based on NCAA and NCAC policy.
- Wearing of obscene or indecent clothing.
- Entering the playing surface or interfering with the progress of the game.
- Excessive standing—Please keep in mind that when you stand, you block the view of fans seated behind you. We do not wish to diminish your ability to cheer and enjoy the game; however, your continued standing can interfere with other spectator’s ability to enjoy the game from their seats. We ask that you please be aware of those around you. (To also include signs that may restrict views of other patrons)
- Use of intimidating actions or verbal abuse directed at Student-Athletes, coaches, or officials as well as other fans or supporters that may include but not limited to the use of names and/or numbers of those individuals.
- Smoking in unauthorized areas.
- Alcohol of any form is prohibited from entry inside any athletic venue to include all parking areas unless previous permitted by Kenyon personnel.

Kenyon College Administration and Campus Safety reserves the right to dismiss spectators due to unsportsmanlike behavior including but not limited to any of the above mentioned conduct.

Be Loud, Be Proud, Be Positive

NCAC Sportsmanship Code (read prior to each contest)

“The NCAA and the North Coast Athletic Conference take sportsmanship seriously. We ask that you act responsibly and courteously and to encourage your teams performance. Abusive language and disorderly conduct is unacceptable and unwelcome and may result in your dismissal from the the event. Be Loud, Be Proud, and Be Positive. We also ask that you recognize the no smoking policy instituted at all NCAA sporting events. Thank you for your cooperation.”

ADMISSION / TICKETS

Regular-season home athletic events at Kenyon College are free and open to the public.

North Coast Athletic Conference championship and NCAA Division III postseason events require paid admission, with the exact cost to be announced prior to the contest.
TAILGATING POLICY

Kenyon College and the Department of Athletics would like to encourage a safe and enjoyable environment while attending all Lords and Ladies contests. Kenyon College and the NCAC promote an atmosphere of being proud, being loud, and being positive. This philosophy extends beyond the contest on the field and to the stands and parking lots of the event. We ask that our Kenyon College family of students, faculty, staff, and parents as well as all visiting team patrons respect this philosophy while attending the game.

Alcohol
While alcohol is permitted in the parking lots surrounding the stadiums, Kenyon College asks that you remain respectful of your surroundings, fellow tailgaters, and the campus grounds. Alcoholic beverages are restricted to single serving containers, NO KEGS will be permitted. The consumption of alcohol by minors is strictly prohibited and will result in the prosecution of any individuals associated with the act. Kenyon College Campus Safety reserves the right to confiscate any items if individuals are found to be in violation of Campus, the Village of Gambier or State of Ohio Laws. Student Consumption is subject to Kenyon College Student Affairs handbook and will be strictly enforced.

Grills
Grills are permitted in all tailgating areas. Kenyon College would ask that propane containers be restricted to no more than 10 gallons. Charcoal grills are permitted, however the disposal of used material is restricted and must be removed from campus.

Not Permitted
- Gas powered generators
- Glass containers
- Blocking vehicular traffic lanes
- Excessive sound/noise producing instruments

Tents
All tents are permitted. Out of courtesy please do not take multiple parking spaces, as space is limited. Where possible, please restrict tents to grass areas.

Tailgate Opening/Closing
Lots will open approximately 4 hours prior to the start of the contest. No parking will be available overnight for campus visitors. RV’s must call in advance (740) 427-9611. Lots will remain open for 2 hours after the contest.

Attend the Game
Tailgating will close at the start of all contests. We encourage all fans to enter the game and be positive and proud. Those who remain are subject to removal by Kenyon College Campus Safety.

Trash
Kenyon College would appreciate the removal of all trash prior to departure. It is the individual’s responsibility to bag and dispose of any items. Pack it in and pack it out.

Kenyon Athletics appreciates your cooperation and hope that all enjoy the game.
