Our main athletic training room is the Nesmith Athletic Training Clinic which is located in the southeast corner of the Parrott Athletic Complex. Visiting teams may utilize the athletic training facility for any therapeutic needs. Modalities are available including hydrotherapy, electrical stimulation, ultrasound, hot packs and ice. If you should need to use the facility please notify us prior to your arrival. If your team is traveling with only an athletic training student, please have a written treatment protocol for each athlete needing therapy from an ATC.

The Athletic Training staff will provide the following services and supplies at all home events:

- Water
- Cups
- Injury Ice
- OSHA Kit
- Emergency Equipment

Please notify us of any special considerations before your visit.
Welcome to Lawrence, Kansas, home of the University of Kansas Jayhawks. This brochure contains information regarding athletic health care during your visit to Kansas University. Feel free to contact any of the individuals listed below with any questions, concerns or needs you or your team may encounter. We hope you enjoy your stay here at the University of Kansas.
