ALVAMAR GOLF CLUB

- THE CHAMPIONSHIP COURSE WAS NAMED ONE OF AMERICA'S TOP 75 PUBLIC COURSES BY *GOLF DIGEST*
- THE MEMBERS COURSE WAS INCLUDED IN THE "BEST IN STATE" RANKINGS BY THE KANSAS GOLF ASSOCIATION
- RANKED AMONG THE TOP 75 BEST PUBLIC COURSES BY *USA TODAY*

Alvamar Golf Club was opened for play May 15, 1968, with the two original nines, Jayhawk and Quail Creek, joined by the Hidden Valley nine in 1973. The Sunflower nine opened in 1978 and in 1982, the Hidden Valley and Sunflower nines became Alvamar Country Club.

Alvamar was named by developer and one time men's golf coach Bob Billings from the contraction of the names of his parents, Alva and Margaretta Billings of Russell, Kan. In all, Alvamar Golf Club and Country Club encompasses more than 3,000 acres of west Lawrence. The 36 holes at Alvamar were designed by Mel Anderson and Bob Dunning and include a public and private clubhouse, driving range and three practice greens. The two courses at Alvamar were the first in the United States to utilize zoysia grass for its fairways and tees. The course currently uses cohansey bent green on both surfaces.

In 1991, Alvamar Country Club hosted the Kansas Amateur. Alvamar Golf Club annually hosts the Web.com Qualifier and has been the site of the United States Golf Association's Women's Public Links tournament. It was the site of the Big Eight Conference Men's Championship for eight consecutive years, and in 1990, the Big Eight Conference Women's Championship was held at Alvamar and won by the Jayhawks. Alvamar Golf Club hosted the inaugural Big 12 Women's Championship in 1997 and has been the site of the KU men's Kansas Invitational and women's Marilynn Smith Sunflower Invitational.

ROCK CHALK

JAYHAWKS IN THE PROS AND ALL-AMERICANS

JOHN SINOVIC (ALL-AMERICAN 1988)

Recorded six top-10 finishes during his career and never finished outside the top 25. Won the 1988 Kansas Invitational and placed second at the Big Eight Tournament as a junior. He finished 19th at the 1988 NCAA Championships. Sinovic was the first player in Jayhawk history to compete in the prestigious Hancock-Sun Bowl College All-American Golf Classic.

RYAN VERMEER (ALL-AMERICAN 1999, 2000)

Led KU in scoring average in 1999 (72.80) and 2000 (71.31). The 71.31 scoring average still stands as the best individual season in KU history. He won a school-record seven individual titles, including four during his senior year. Vermeer's name also sits at the top of the KU history books in best single-round (63) and tournament score (202) since 1987.

CHRIS THOMPSON EGOLF TOUR AND WEB.COM TOUR

Thompson recently proved he's still got it with a win at the Championship at Ballantyne Country Club in March - his third on the tour since the 2010 season. In 2010, he claimed his first eGolf Tour title at the HGM Hotels Classic at Rock Barn, while win No. 2 came at the Columbia Open in May of 2011. At KU, Thompson was a three-time All-Big 12 selection (1997-99) and still holds the Kansas record for lowest round in an NCAA Tournament with a 69 in the second round at the 1998 NCAA Championship.

KRIS MARSHALL (ALL-AMERICAN 2002, 2003)

Named All-American in back-to-back years in 2002 and 2003, Marshall recorded 17 top-10 finishes during his career and was named All-Big 12 in 2002 and 2003. As a senior, Marshall was the Jayhawks' top finisher in 10 of 14 events. Marshall was also named Academic All-Big 12 in 2001.

MATT GOGEL PGA TOUR AND PRO GOLF ANALYST

Gogel spent seven seasons on the PGA Tour before retiring after the 2007 Pebble Beach National Pro-Am, an event where he had his best professional success. The 1994 Kansas graduate won the 2002 AT&T Pebble Beach National Pro-Am, while also placing second at the event in 2000 for his best PGA finishes. Gogel played in 94 Nationwide Tour events, claiming six individual victories and posting 18 top-10 and 29 top-25 finishes. He was the first player in Nationwide Tour history to post a victory in four consecutive years. Gogel remains active in professional golf as an analyst for the Golf Channel.

GARY WOODLAND PGA TOUR

One of the game's most exciting and explosive young players, Woodland regularly turns heads with his drives off the tee box but there's more to his game than extreme distance.

The 2007 Kansas graduate (sociology) turned in his best season as a pro in 2011 when he claimed five top-five finishes, won the Transitions Championship and teamed with Matt Kuchar to win the World Cup in China - both events he claims as his biggest thrill in golf. His biggest thrill off the course? Playing basketball against Kansas in Allen Fieldhouse as a freshman at Washburn, prior to transferring to KU to play golf. Woodland remains an avid supporter of the Jayhawks and attends many games.

The Topeka native concluded the 2012 regular season ranked 10th in the FedEx Cup point standings and played well enough in the FedEx Cup Playoffs to be one of only 30 golfers to qualify for the prestigious TOUR Championship. Woodland ended the 2011 season ranked 17th on the PGA Tour Money List after earning \$3,448,591 during the year. Woodland carded a top-10 finish at the Frys.com Open to highlight a 2012 season that was bogged down by injuries. During the 2013 season Woodland won the Reno-Tahoe Open. Two weeks later he later finished in second at The Barclays. Woodland has had fice top-10 finishes in the 2014 season.

While at Kansas, Woodland competed in a total of 50 events and won the 2005 Cleveland State Invitational, 2006 Kansas Invitational, 2007 All-American Golf Classic and 2007 Louisiana Classics. Woodland qualified for the NCAA Regional three times in his career, twice as a part of the team in 2004 and 2007, and once as an individual in 2006.

Folds of Honor is rallying a nation to ensure no family gets left behind in the fight to preserve American freedom. Through scholarships and other assistance, we're giving back to the spouses and children of soldiers killed or disabled in service to our country. We're providing healing, hope and an opportunity to realize their dreams with the help of people like you. This is our mission.

The Folds of Honor Foundation was founded in 2007 by Major Dan Rooney, a former F-16 pilot, golf course owner, PGA Professional, USGA member and graduate of the University of Kansas. A Major in the Air National Guard and a decorated military aviator, Rooney served three combat tours in Iraq. After returning from his second tour, Major Rooney witnessed a profound situation that drove him to create the Folds of Honor Foundation.

Rooney's flagship fundraiser became Patriot Golf Day, a collaborative effort between The Professional Golfers' Association of America (PGA) and the United States Golf Association (USGA) to encourage golfers to pay an extra dollar toward the cause in addition to their greens fees when playing a round of golf on that day. In its first two years, Patriot Golf Day raised \$3 million in donations from golfers nationwide, and awarded more than 550 scholarships. As a

result of his efforts, *People Magazine* recognized Rooney as one of its 2008 Heroes of the Year, while "ABC World News Tonight" named Rooney as one its Persons of the Year for 2008.

Rooney has also received the White House's Presidential Volunteer Service Award, the Air National Guard's Distinguished Service Medal, the Ellis Island Medal of Honor and the PGA of America's first-ever Patriot Award. His many decorations for service include the Air Force Commendation Medal, Air Medal, Anti-terrorism Medal, Combat Readiness Medal and Air Expeditionary Medal.

Over the last five years, PGA Professionals and golfers have raised more than \$12.8 million, which has allowed more than 2,500 people to receive scholarship funds from the organization.

1. THE NICKNAME: JAYHAWK

The University of Kansas is the home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term “Jayhawk” was probably coined about 1848. Accounts of its use appeared from Illinois to Texas. The name combines two birds - the blue jay, a noisy, quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter.

2. THE ALMA MATER

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song “Far Above Cayuga’s Waters.” Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but “Crimson and the Blue” still goes on. The music is not Cornell’s but an old English folk tune, “Annie Lisle.”

3. CAMPANILE HILL

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the “Hill” is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southwest of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

4. THE K RING

The K Ring symbolizes a uniquely shared experience between generations of varsity letter winners at the University of Kansas. As a Jayhawk you are expected to uphold tradition and retain the characteristics of a champion while continuing to create your own legacy.

5. WAVING THE WHEAT

Since the early days of KU sports, it has been a ritual of Jayhawk fans to “wave the wheat” following every Kansas scoring drive in football. The tradition also extends to Allen Fieldhouse where fans “wave the wheat” when an opponent fouls out and at the conclusion of every Jayhawk victory. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

6. THE ROCK CHALK CHANT

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. On May 21, 1886, Bailey submitted the cheer to his club.

JAMIE BERMEL

Head Coach
Third Season

Jamie Bermel is entering his third season at Kansas. During his first season, 2012-13, KU won the Hawkeye Invitational to claim its first tournament win in more than three years. Additionally, Kansas finished four tournaments sixth or better in 2012-13 and three tournaments fourth or better his second season.

Bermel, who guided the Colorado State men's golf program to 12 NCAA Regional appearances in 13 years, was named Kansas head men's golf coach by KU director of athletics Dr. Sheahon Zenger in July of 2012.

Bermel (pronounced Bur-mal) came to Kansas from CSU where he was the head coach since the 1999-2000 season. He guided the Rams to NCAA golf regionals for six seasons dating back to 2007 while the 2011 CSU squad advanced to the NCAA Finals.

Under Bermel, Colorado State won 18 tournament titles and recorded more than 35 top-five finishes. Included were the 2008 and 2010 Mountain West Conference team championships. A six-time conference coach of the year, including three-time Mountain West Conference Coach of the Year (2004, 2008, 2010), Bermel coached 10 all-

conference performers at Colorado State, including two All-Americans, seven All-American scholars and seven academic all-conference honorees.

No stranger to the Midwest, Bermel coached two seasons at Iowa State from 1997-99, where he guided the Cyclones to the 1999 NCAA Tournament and nine top-five finishes. Before ISU, he spent five seasons as head golf coach at Drake University in Des Moines, Iowa. While at Drake, his team won the 1997 Missouri Valley Conference championship and twice qualified for the NCAA Tournament in 1996 and 1997 with the 1997 team advancing to the NCAA Finals. Bermel was a three-time Missouri Valley Conference Coach of the Year in 1995, 1996 and 1997.

In his years as a collegiate head coach, Bermel has helped develop the games of a number of players who have moved on to the next level. Included is 2007 Masters champion Zach Johnson, who played for Bermel at Drake. Others include former Iowa State standout Jason Knutzon, who currently plays on the Asian and European tours and Martin Laird, a Colorado State standout now competing on the PGA Tour.

“ We have found an incredible coach to lead our men's golf program. Jamie led his team to 12 NCAA appearances in the last 13 years. That's a great track record and one that we will be happy to bring to the University of Kansas. I am excited about the future of Kansas men's golf and encourage all Jayhawks to welcome Jamie and his family.

COACHING HISTORY

- 2012-present Kansas
- 1999-2012 Colorado State
- 1997-99 Iowa State
- 1992-97 Drake

Bermel is a 1986 graduate of Central College in Pella, Iowa, and received his master's degree from Purdue University in 1988. From 1989-91, Bermel worked in recreational sports at the University of Michigan and moved to a similar role at Drake, adding the men's golf coaching duties in Feb. 1992.

Bermel and his wife, Jacque, have three children: Emily, Jack and Charlie. Jamie's brother, John, is the men's and women's golf coach at the University of Northern Iowa while also serving as the head pro at Pheasant Ridge Golf Course in Cedar Falls, Iowa.

WHAT OTHERS ARE SAYING...

PGA Tour Pro, Master's Champion and former Drake golfer Zach Johnson

"Jamie Bermel is the epitome of a coach. He knows golf, works tirelessly on recruiting quality kids, loves to compete, stresses academics, and builds character into the men he coaches. Jamie puts an abundant amount of energy into his job while still keeping his priorities of life in line. He is a family man through and through. I am confident he will become an integral part of the Jayhawk family and elevate the golf program the right way, with integrity and hard work."

PGA Tour Pro and former Colorado State golfer Martin Laird

"He's a great guy. The fact that I still count him as one of my good friends and still talk to him a lot as a past player - and I know Zach Johnson is the same - says a lot about a coach. I've been gone eight years now and still call him one of my good friends. He always looked out for his players. They were his number one concern. It's a huge thing to know as a college athlete that your coach has your back.

"The one thing I'd say that stands out about him is that he's a winner. He's not someone that accepts mediocrity. He's going to try to get the best out of his team that he can, and he's going to work as hard as he can to do that.

"He was great when I first came over; I didn't know anyone. I was a 17-year-old kid from Scotland and he was really really good - made sure I was comfortable

and taken care of and happy where I was. Over the four years I was there I got real close with him and he helped me develop into the player that I am today. There are a lot of things he used to get on us about and teach us about that I still use and remember today. He obviously knows what he's talking about. I had a great four years at CSU; he made it enjoyable and made me feel welcome. I'm sure it will be the same at KU."

University of Northern Iowa Head Golf Coach John Bermel

"I think his resume speaks highly of his credentials. Every quality high school player has dreams of playing on the PGA Tour. When you look at what Jamie has done with the players that have played for him, it is unbelievable. When a No. 3 man at Drake University can win a major championship, that says a lot itself. Jamie has two players on the PGA Tour that are winning out there and competing at the highest level on the best tour in the world.

"Every place that Jamie has coached the teams have been competitive, not only in the conference, but in the country. He gets the maximum out of every player that plays for him and gives each and every player the opportunity to compete at the highest level. Jamie knows enough about the swing to help any player when they are struggling on the course. He will increase the chance for the University of Kansas to be able to compete at the highest level."

UNIVERSITY CHANCELLOR

DR. BERNADETTE GRAY-LITTLE
FIFTH YEAR

Since arriving at the University of Kansas in 2009, Bernadette Gray-Little has advanced KU's mission of lifting students and society by educating leaders, building healthy communities, and making discoveries that change the world.

Through the Bold Aspirations strategic plan, KU is changing the way it prepares students for success. It's fostering research and scholarship across all disciplines, and sharing the benefits of a flagship university with the state and world.

Gray-Little led the effort to create new admission standards for the University of Kansas. These new standards take effect in 2016 and will give students and families a more accurate picture of what it takes to be successful at a research university.

Under Chancellor Gray-Little's leadership, the university has also revamped financial aid, creating four-year renewable scholarships and expanding the Jayhawk Generations Scholarship. And it has launched its first university-wide curriculum, the KU Core, which incorporates both classes and experiences, making KU a leader among its national peers.

Gray-Little has also been instrumental to Far Above: The Campaign for Kansas, KU Endowment's \$1.2 billion comprehensive fundraising campaign. Additionally, the university's Changing for Excellence initiative is making administrative operations more efficient, with the savings being invested in education and research.

As chancellor, Gray-Little is the chief executive officer of the university, overseeing campuses in Lawrence, Kansas City, Overland Park, Salina and Wichita, as well as research and educational centers in Garden City, Hays, Parsons, Pittsburg, Topeka and Yoder.

Gray-Little was one of four university leaders selected to represent the Association of Public and Land-grant Universities at a White House summit on math and science education in January 2010. She is also on the board of trustees for the Online Computer Library Center, an international organization dedicated to expanding public access to information and research.

Prior to becoming KU's 17th Chancellor, Gray-Little held leadership positions at the University of North Carolina-Chapel Hill, including executive vice chancellor and provost.

DIRECTOR OF ATHLETICS

DR. SHEAHON ZENGER
FOURTH YEAR

Dr. Sheahon (SHAY-un) Zenger is a coach at heart. But when KU Chancellor Bernadette Gray-Little introduced the Hays, Kansas, native as KU's Athletics Director January 3, 2011, he promised not to call any plays for the coaches. That doesn't mean, though, that he won't be right there with them – and their student-athletes – every step of the way. For it's his genuine care for coaches and student-athletes that has stamped his career in intercollegiate athletics.

Since Zenger's arrival at KU, those coaches and student-athletes have raised the bar with outstanding performances on both the conference and national stages. Highlights include:

- A National Championship for the Women's Outdoor Track & Field team, and two individual national champions.
- An NCAA Final Four appearance for Men's Basketball and four more Big 12 regular-season Championships, raising that streak of titles to 10.
- Two NCAA Sweet 16 appearances for Women's Basketball.
- An NCAA Sweet 16 (and two straight NCAA appearances) for Volleyball.
- NCAA appearances for Baseball, Softball and Women's Golf.
- A National Coach-of-the-Year award (Stanley Redwine, women's track and field) and several Big 12 Conference Coach-of-the-Year awards – Bill Self, men's basketball (twice), Stanley Redwine, women's track and field (twice), Ray Bechard, volleyball (twice), and Clark Campbell, swimming.

Zenger came to KU after serving for five years as athletics director at Illinois State University, helping steer ISU Athletics to a place of prominence in the Missouri Valley Conference. The Redbirds won a conference-leading seven league titles during the 2009-10 season and captured their second Valley All-Sports Trophy in three years. ISU also reached highs in fundraising, academics and community service during Zenger's tenure there.

Zenger's career took several turns before landing in athletics administration. After playing football at Fort Hays State and Mid-American Nazarene College, and even before he finished his undergraduate degree at Kansas State, he was pursuing his dream of coaching by assisting the football coaches at Manhattan (Kansas) High School. His first college football coaching job came at Drake University right after graduation; he then joined Bill Snyder's staff at Kansas State, serving in key roles as assistant recruiting coordinator and director of football operations.

It became evident, though, that more than coaching was in store for Zenger. He came to KU to earn his Ph.D. in educational policy and leadership, while strengthening his understanding of university leadership at the highest levels.

Still, coaching stayed in his blood. He joined the football staff at the University of South Florida and then at the University of Wyoming before returning to Kansas State, eventually serving as KSU's associate athletics director for development. He held that position until becoming Athletics Director at Illinois State in 2005.

Zenger served for three years on the NCAA Division I Committee on Student-Athlete Reinstatement. He also served on two NCAA Division I Football Championship Subdivision (FCS) Division committees, and was a member of the Executive Committee of NACDA's Division I FCS Athletic Directors Association. He is married to the former Pam McAnarney; they have three children: Luke, Abby and Jake.

In fact, during the 2013-14 academic year, 11 KU teams reached postseason play, the most KU appearances in one year in more than a decade.

Zenger has spearheaded a tremendous upgrade in Kansas Athletics' facilities as well – improvements he expects will help KU's coaches and student-athletes continue their run of outstanding performances. Most notable among these is the completion of Rock Chalk Park, which contains new, state-of-the-art stadiums for KU's Track & Field, Soccer and Softball programs. Memorial Stadium is receiving a facelift as well. Work began in June 2014 to remove the track and surround the football field with new artificial turf, bringing it to within 10 feet of the stands. In addition, planning is underway for the DeBruce Center, the permanent home of James Naismith's original "Rules of Basket Ball," adjacent to historic Allen Fieldhouse. Finally, another positive stride, fundraising continues for the Fieldhouse Apartments, which will house the men's basketball team and an equal number of distinguished non-student-athletes.
