GAMEDAY AT THE JAYHAWK SOCCER COMPLEX

Located on campus next to Oliver Hall and a short walk from historic Allen Fieldhouse, the Jayhawk Soccer Complex (JSC) has been the home of Kansas soccer for the 16-year history of the program. During the summer of 2006, the JSC received a new Bermuda grass surface making it one of the top playing surfaces in the region. Since recording a 4-0 shutout over Central Missouri State in 1995, the Jayhawk Soccer Complex has been the site of some of Kansas soccer's most important moments.

Highlights

- ◆ Capacity of 1,000
- ◆ Bermuda grass field resurfaced in 2006
- ◆ All-time record of 81-47-6
- ◆ Site of 2004 NCAA Tournament first and second rounds
- ◆ Site of KU's Big 12 Championship-clinching win over Iowa State on Oct. 29, 2004
- ◆ Record crowd of 886 on hand for 2004 Big 12 Conference title

SOCCER FACILITIES

In the Spring of 2009, the Jayhawks moved into a state-of-the-art locker room, located in the Wagon Student-Athlete Center. The locker room is used year-round by the team and includes spacious lockers, a player lounge that serves as a team meeting or study area, a kitchen area and wall displaying past and present Jayhawks who have left their mark on the program.

FIRST-CLASS FACILITIES

The players' lounge provides the Jayhawks with a place to study or relax between classes, watch game film or meet prior to kickoff. The lounge includes a 52-inch flat screen television, refrigerator, microwave and sink.

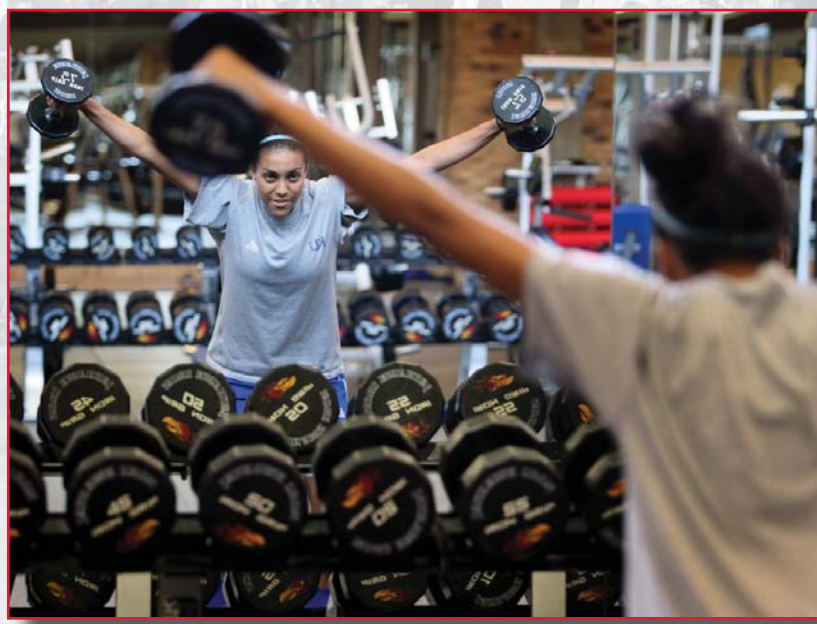

The locker room features fine oak lockers for each student-athlete with plenty of space for the team's gear.

STRENGTH & CONDITIONING

KU's athletic training department contains an aquatic rehabilitation center.

ANDERSON FAMILY STRENGTH & CONDITIONING CENTER

Kansas student-athletes have access to top-rate athletic training facilities and a dedicated staff of athletic and strength trainers in order to stay healthy and optimize performance. In March of 2003, the Anderson Family Strength & Conditioning Center was completed. The state-of-the-art weight training center is adjacent to the Wagon Student-Athlete Center and features an aerobic training area and an aquatic rehabilitation center.

A full-time athletic trainer, strength coach, nutritionist and sports psychologist are on staff to help each student-athlete reach their fullest athletic potential.

Head Coach Mark Francis

Associate Head Coach Kelly Miller

DEDICATED COACHING STAFF

Continuity is an essential part of a successful athletic program, and in 12 seasons at the helm of Kansas soccer, head coach Mark Francis has brought just that.

After taking over a program just past its infancy, Francis effectively etched his signature on Kansas soccer by becoming not only the winningest coach in its history, but leading his team to four NCAA Tournaments, 10 Big 12 Championship Tournaments and helping countless players succeed on and off the playing field.

2008 NCAA TOURNAMENT SECOND ROUND

Kansas capped a return to prominence in the 2008 season by earning a trip to the NCAA Tournament for the first time in four years. The Jayhawks knocked off Denver 2-1 in the opening match to reach the second round for the third time in team history.

The Jayhawks were first matched up against Denver in the Palo Alto Regional. Sophomore defender Katie Williams put Kansas on the board with an early first-half goal and junior forward Shannon McCabe then clinched the game in the 45th minute. Senior Missy Geha intercepted an errant clearing attempt and found McCabe along the far sideline, who then blasted in a low drive to corner from 18 yards out. Denver managed to cut the lead with an early second-half goal, but the KU defense then rallied to hold the Pioneers to just one shot on goal in the final 35 minutes.

In the second round, Kansas faced the bracket's No. 1 seed, Stanford, and held the Cardinal scoreless on their home field for the first 30 minutes. But Stanford roared back for a three-goal rally in just seven minutes, and ultimately downed the Jayhawks 5-0.

2004 NCAA TOURNAMENT SECOND ROUND

The year 2004 was a year of firsts for Kansas soccer. Not only did the Jayhawks win their first-ever Big 12 Championship, but they also started out the season with five straight wins without allowing a goal and beat then-No. 7 Clemson. The Jayhawks prevailed 3-1 in the match to give the program its first ever victory over a top-10 opponent and vault the Jayhawks into the national top 10.

After completing non-conference play with an 8-1 mark and climbing to No. 8 in the national rankings, Kansas went on to Big 12 play where it would win seven consecutive matches to put the Jayhawks in first place in the conference. A 4-0 blow out against Iowa State resulted in a Big 12 co-championship with Texas A&M, which was the program's first conference title.

The Jayhawks were the No. 1 seed at the Big 12 Soccer Championship in San Antonio, Texas where they pushed past Iowa State 4-1 in the first round by the strength of a career-high two goals by senior midfielder Amy Geha. Kansas fell in the semifinal round, but the Jayhawks were ready to make some noise on the bigger stage as they prepared for the NCAA tournament.

Kansas received another first in program history as the Jayhawk Soccer Complex was selected to host the first and second rounds of the 2004 NCAA Tournament where KU entered the 2004 bracket as the No. 8 national seed.

The Jayhawks defeated Creighton in the first round 3-1 to advance to the second round where they faced Big 12 foe Nebraska. Despite holding a 27-8 shot advantage, KU fell in overtime to the Huskers to finish the season with an impressive 18-5 mark.

2003 NCAA TOURNAMENT SWEET 16

Kansas earned its second trip to the NCAA Tournament in 2003 and advanced to the Sweet 16 for the first time in program history. The Jayhawks enjoyed their best season, posting an 18-6-1 mark and a 6-3-1 record in the Big 12 to place third.

KU opened the season with victories in nine of its first 10 matches, only stumbling by a lone goal at Wisconsin. Included in the Jayhawks' fast start was a program-best six-game winning streak.

Following the program's first-ever win at Nebraska, the Jayhawks reeled off five straight victories to close out their regular season at 15-4-1. The 2003 Jayhawks put their mark in the record book after defeating Oklahoma State and breaking into the national top 25 for the first time in program history. They finished the season ranked in all of the major polls - NSCAA/adidas Top 25 (13th), Soccerbuzz Top 25 (11th) and Soccer Times (12th).

KU defeated Oklahoma, 1-0, in the school's first victory at the Big 12 Championship. Freshman Jessica Kilpatrick scored her fourth goal of the season in the 33rd minute to give Kansas the win. Following a second-round loss to Oklahoma State, the Jayhawks geared up for the NCAA Tournament. KU posted victories over Illinois State (3-1) and host Missouri (2-0) to advance to the Sweet 16 for the first time in program history.

The Jayhawks battled No. 2 UCLA in Los Angeles on Nov. 21. Despite a season-high eight saves by Meghan Miller, KU's breakout season came to an end with a 1-0 loss. Lauren Williams and Caroline Smith led the Jayhawks' offense with shots on goal.

2001 NCAA TOURNAMENT FIRST ROUND

In 2001, the University of Kansas soccer team shocked the Big 12 as well as the rest of the women's soccer community by storming out to a program-best 13-7 record, including a 7-3 mark in conference play and a trip to the NCAA Tournament in Lincoln, Neb.

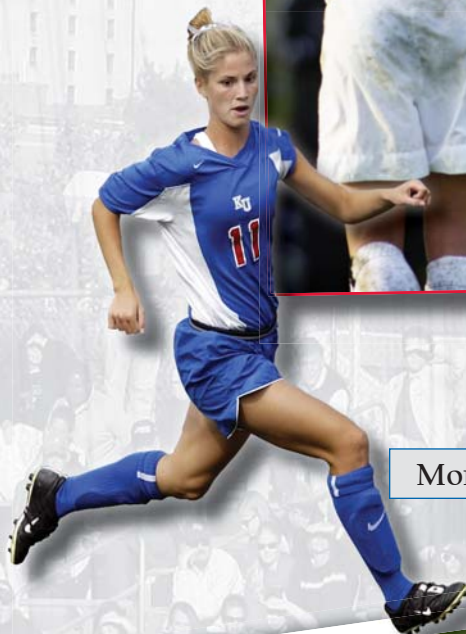

Kansas faced Brigham Young University in the opening round of the national tournament, which included 64 teams for the first time. After a scoreless first half, the Cougars notched the game-winning tally in the 76th minute.

Despite the loss, the Jayhawks could be proud of their accomplishments in 2001:

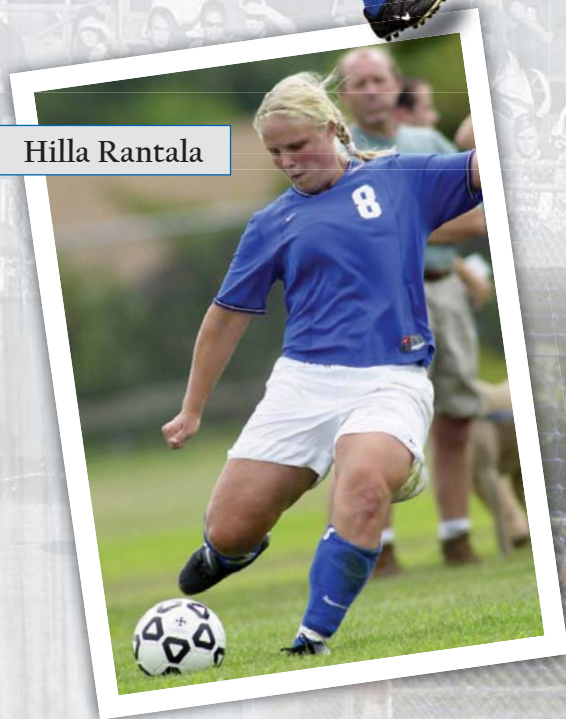

- KU appeared in the Central Region poll for 11-straight weeks, and received votes for the national top 25 poll for the first time in school history.
- Four Jayhawks earned All-Big 12 Conference honors - junior Pardis Brown and senior Hilla Rantala were selected to the second team, while freshmen Monica Brothers and Meghan Miller made the Big 12 All-Newcomer team.
- The Jayhawks made their second-straight trip to the Big 12 Soccer Championship in San Antonio, Texas.
- Three Kansas players recorded hat tricks - Monica Brothers (at Oklahoma State), Natalie Hoogveld (at Colorado) and Brianna Valento (vs. St. Louis).
- Rantala set a new single-game record for assists with four at Oklahoma State.

KU's only losses during the regular season came against nationally ranked opponents. After splitting the first two matches of the season, the Jayhawks won six of their next seven to enjoy their best start in program history.

After a tough loss at No. 5 Nebraska, the team set a program record by collecting its fifth Big 12 victory of the season. Prior to this season, KU's top conference mark was 3-5-1, which was achieved in its first season in the Big 12 of 1996.

THE UNIVERSITY OF KANSAS

Let's start from the beginning. A band of contrarians — opposed to slavery, promoters of freedom for all — settled a western outpost between the Kaw and Wakarusa rivers in the 1850s. A town was platted and then a great university was begun on Hogback Ridge, high above the river valley and below a boundless, expansive blue sky.

The inventor of basketball started a tradition here. The man who discovered vitamins A and D graduated. Helium was extracted from gas for the first time. The first African-American woman to entertain at the White House was a student. Future astronauts were launched into their careers, along with artists, business leaders, presidential candidates, governors, Pulitzer winners and a Nobel Prize winner. National championships have been won. And many pharmacists, teachers, nurses, doctors, musicians, artisans, journalists, architects, engineers and lawyers have begun careers.

An ideal campus, historic and wireless at the same time. Close to a metropolis, bordering the prairie. High-tech labs, interactive classrooms, performance venues and athletic arenas. Tranquil mornings, a diverse exciting nightlife. Truly a "castle on a hill."

And now for the future. What can you do at KU? The opportunities are boundless.

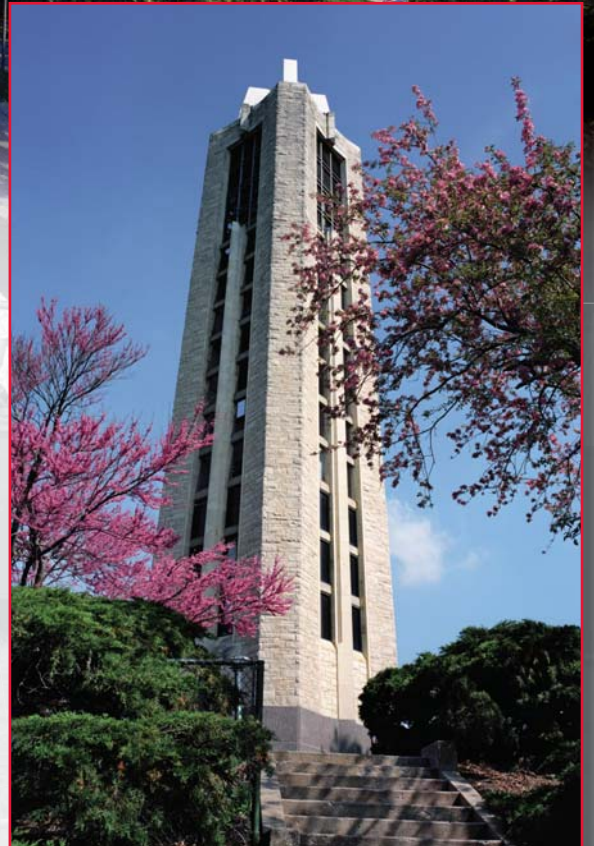

Opened in 1866, the University of Kansas is a comprehensive educational and research institution with nearly 30,000 students and 2,525 faculty members.

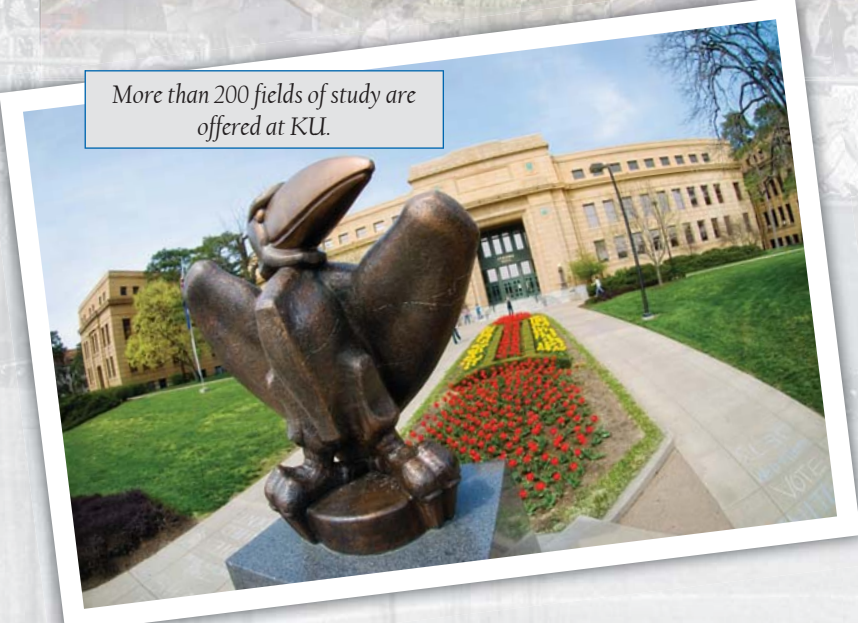

THE UNIVERSITY OF KANSAS

KU's main campus, considered one of the most beautiful in the nation, occupies 1,000 acres on and around Mount Oread in Lawrence, a thriving city of 82,000 in the forested hills of eastern Kansas.

More than 200 fields of study are offered at KU.

KANSAS TRADITIONS

The Rock Chalk Chant

The Rock Chalk Chant has been the battle cry of KU fans for more than 80 years. This strange, traditional chant, which is among the most famous of all college cheers, was started by E.H.S. Bailey, a professor of chemistry. Bailey wanted a cheer for his Science Club. Returning from a convention in Wichita, Bailey and some associates patterned a yell after the rhythmic cadence of their train rolling along the tracks. On May 21, 1886, Bailey submitted the cheer to his club.

Before the University adopted the cheer in 1897, it consisted of “Rah, Rah, Jayhawk, KU” being repeated three times. An English professor soon suggested that “Rock Chalk” be substituted for “Rah, Rah” because it rhymed with Jayhawk. “Rock Chalk” was also symbolic of the chalky limestone formations found on Mount Oread. Teddy Roosevelt once said the Rock Chalk chant was the best he had ever heard.

Campanile Hill

Campanile Hill forms the picturesque backdrop for Memorial Stadium. On a sunny fall Saturday, the “Hill” is transformed into a congregating place for watching Jayhawk football, sunning and barbecuing. Potter Lake, just to the southeast of Memorial Stadium and at the bottom of Campanile Hill, adds to the beauty of the Kansas campus.

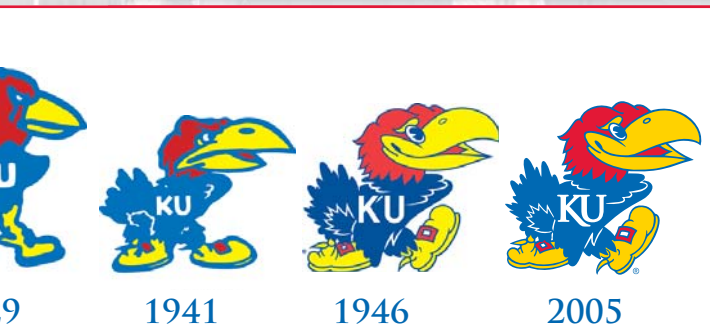

Waving The Wheat

Since the early days of KU sports, it has been a ritual of Jayhawk fans to “wave the wheat” following every Kansas scoring drive. The ritual consists of fans waving their arms in the air, an activity which, when done by a large crowd, resembles a breezy Kansas wheat field.

The Nickname

During the Civil War a regiment raised by Kansas Governor Charles Robinson called itself the “Independent Mounted Jayhawks” (later officially the First Kansas Calvary and then the Seventh Kansas Regiment). By the end of the Civil War the word Jayhawk was associated with the spirit of camaraderie and the courageous fighting qualities that characterized efforts to keep Kansas a free state.

By 1886, the University of Kansas had adopted the mythical bird as part of the KU yell. When the university's football team first took the field in 1890, it seemed only natural that they should be called Jayhawkers. Few colleges and universities have such a meaningful symbol, one so deeply associated with the struggles of the people who founded them.

The Fight Song

George "Dumpy" Bowles, a student with the class of 1912, longed to make a great contribution to the KU spirit, but wasn't athletic enough to do historic deeds on the athletic field. He turned to music and produced some outstanding student musical shows.

A song in one of these shows was "I'm a Jayhawk." Written in 1912, it was dormant until 1920 when a growth in school spirit brought out "I'm a Jayhawk" once more. The song contributed to the raising of funds to build both the KU football stadium and student union as World War I memorials. The 1926 glee club made it known nationally.

What's a Jayhawk?

The University of Kansas is home of the Jayhawk, a mythical bird with a fascinating history. Its origin is rooted in the historic struggles of Kansas settlers. The term "Jayhawk" was probably coined about 1848. Accounts of its use appeared from Illinois to Texas.

The name combines two birds - the blue jay, a noisy, quarrelsome thing known to rob other nests, and the sparrow hawk, a stealthy hunter. The message here: Don't turn your back on this bird.

The Alma Mater

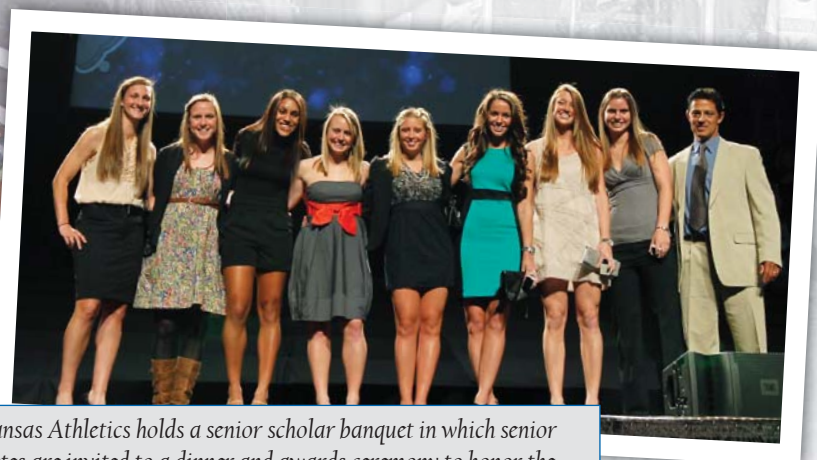

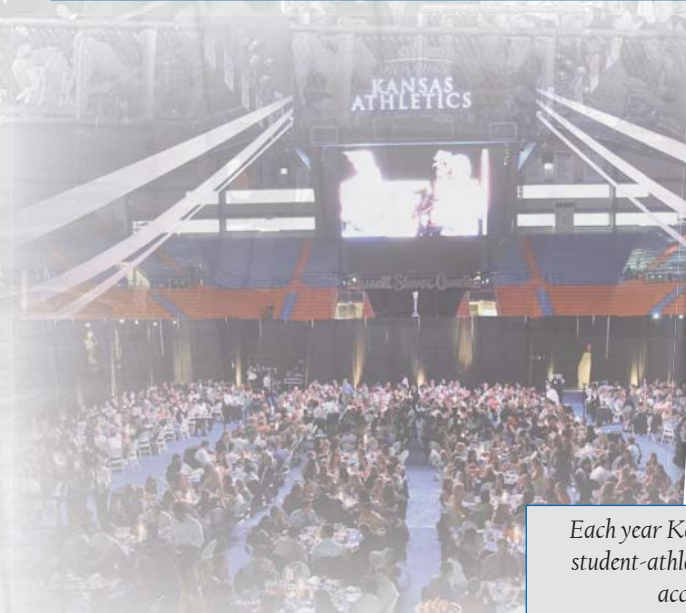

In 1891, professor George Barlow Penny searched for a school song for the Glee and Mandolin Club to sing on its tour through Kansas to Denver and back. No one responded with an original song in answer to his appeals. Just before departure, he thought of the Cornell song "Far Above Cayuga's Waters." Hastily changing a few words, he gave it to the glee club men to sing on the trip. He did not expect the song to be used after their return, but "Crimson and the Blue" still goes on. The music is not Cornell's but an old English folk tune, "Annie Lisle."

ACADEMIC SUPPORT SERVICES

Completed in May 2009, the \$5 million, 15,600-square foot Academic Support Services facility boasts a 36-computer technology lab, informal group study areas, 24 individual tutor rooms, 19 private offices for staff and beautiful views of campus to the north through a glass curtain wall.

KU's Strategic and Instructional Tutoring Program (STP) has 75 tutors who work with student-athletes. Tutoring is available to any student-athlete, regardless of scholarship status or sport.

Each year Kansas Athletics holds a senior scholar banquet in which senior student-athletes are invited to a dinner and awards ceremony to honor the accomplishments of their four years with the Jayhawks.

THE BIG 12 CONFERENCE

One. True. Champion. The Big 12 enters its 16th year in a unique position - as the only major conference in the nation to determine its champions in all sports directly on the field. Around here, it's every team against every team. We believe that's the way a true champion is made.

Determining our champion on the field is just one portion of how we play in the Big 12 Conference. The member schools of the Big 12 are neighbors, where road games don't require crossing time zones. We battle each other hard on Gameday and celebrate wins against outside competition. Our student-athletes, fans and alumni have each other's backs on other days - because that is what you do for your neighbor. A hard work ethic and Midwestern values are part of everyone associated with the Big 12 and its member schools.

The 2011 Big 12 Soccer Championship will take place on Nov. 2, 4 & 6 at Blossom Soccer Stadium in San Antonio, Texas. This marks the 15th consecutive year that the University of Texas and San Antonio Sports Foundation will co-host the event at the venue.

The top eight teams based on conference results determined by a point system qualify for the Big 12 Championship. A squad gets three points for each conference win and one point for each conference tie.

KU won the Big 12 Conference regular-season in 2004.

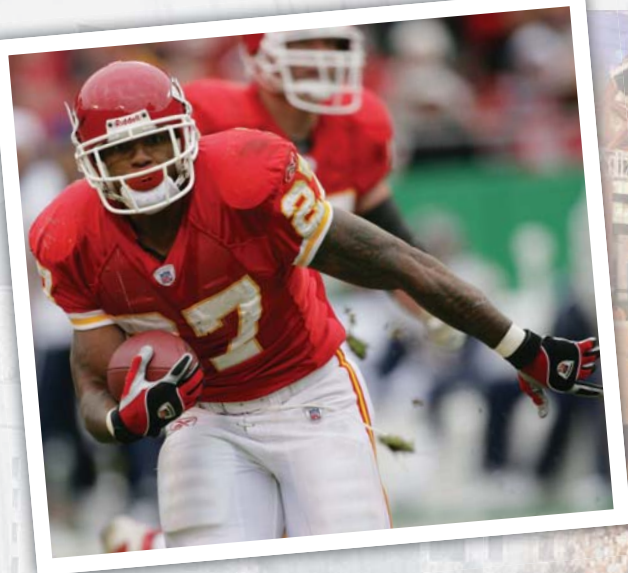

THE CITY OF LAWRENCE

Lawrence is not just another college community. It presents the easy-going feeling of a smaller town combined with big city cultural opportunities. A population of nearly 82,000 that comes from widely diverse backgrounds makes Lawrence an outstanding place to live and raise a family.

A community that supports the University of Kansas with its heart and soul, Lawrence envelopes the students so they too think of Lawrence as their own hometown. Lawrence is well known for the arts, alternative music and downtown shops, galleries and restaurants.

- Population: 81,604
- Lawrence was founded in 1854 by the New England Emigrant Aid Society in an effort to keep the territory free from slavery.
- Lawrence streets are named after the states in the order they came into the Union, beginning with Delaware. Massachusetts Street was designated the “main” street because Lawrence’s founders were from Massachusetts.
- *Parents & Colleges: Top Ten Best College Towns*
- The National Trust for Historic Preservation ranked Lawrence among its “Dozen Most Distinctive Destinations,” touting it as one of the best-preserved and unique communities in America.
- Lawrence has been rated among the top 15 in “The 100 Best Small Arts Towns in America” by author John Villani.

A SHORT DRIVE TO KANSAS CITY

Just 35 miles east of Lawrence, Kansas City provides a variety of entertainment options for visitors such as:

- Side-by-side theme parks Worlds of Fun and Oceans of Fun.
- Kansas City Zoo where hundreds of exotic animals reside in their natural habitats.

TEAM TRIP

TEAM TRIP

Every four years the Kansas soccer team takes a trip to a foreign country as a team. In 2008, the Jayhawks spent nine days enjoying the fun and sun in Brazil, and also played four exhibition matches against local club teams, winning two. According to head coach Mark Francis, the trip brought the Jayhawks closer together and helped springboard the team's NCAA Tournament run.

COACHES & SUPPORT STAFF

MARK FRANCIS

Head Coach
13th Season

A 15-year veteran in the collegiate coaching ranks and a former professional soccer player, head coach Mark Francis enters his 13th season at the helm of the University of Kansas soccer program.

Under his guidance, KU has posted double-digit wins eight times and has gone on to an NCAA Tournament appearance on four occasions (2001, '03, '04, '08). In 2004, his squad also won the Big 12 title, while Francis' teams have advanced to the Big 12 Soccer Championship in 10 of the last 12 seasons.

The London, England native became the fourth-fastest Big 12 coach to amass 100 wins in league history, reaching the milestone in 2007 after just 177 matches. Francis is also the winningest coach in Kansas soccer history at 135-99-17 (.572) overall.

Last season, Kansas was quick to light up the highlight reel as it picked up a 2-1 upset versus No. 14 Northwestern early in the year, the eighth-straight season Francis' squad has knocked off a top 25 opponent. The year concluded with sophomore Whitney Berry, the team's top offensive threat in 2010, selected to the All-Big 12 Second Team after earning preseason distinctions as one of the top 20 players in the Big 12 by TopDrawerSoccer.com.

In 2009, Francis' Jayhawks battled injuries throughout the season and managed a 12-8-2 overall mark, which qualified them for a 10th-consecutive conference tournament berth. KU opened the season at 7-1-1, and was ranked as high as No. 17 in the country. This marked the seventh-straight year that the Jayhawks found themselves in the national polls for at least one week.

Francis coached three All-Big 12 selections, as well as three players who were selected

all-region by the National Soccer Coaches Association of America (NSCAA). Following the season, senior defender Estelle Johnson was drafted by the Los Angeles Sol of the Women's Professional Soccer League, the first Jayhawk to be drafted by a professional soccer league. Freshman Sarah Robbins was also honored by being invited to try out for the Canadian National U-20 team.

The 2008 season was one for the record books as Kansas recorded 13 wins and returned to the NCAA Tournament. The Jayhawks knocked off four nationally-ranked teams en route to their tournament berth including a pair of wins over long-time nemesis Texas A&M. KU became the first team in three years to defeat the Aggies twice in the same season.

Francis' Jayhawks opened the season with a 3-0 rout of No. 20 Purdue to earn a spot in the national polls, marking the sixth-consecutive year that KU has spent at least one week in the Top 25.

The Jayhawks defeated four other ranked teams during the season and capped their remarkable run with a 2-1 triumph over Denver in the first round of the NCAA Tournament.

The Kansas offense produced the second-most goals (45) in school history in 2008, with Monica Dolinsky and Shannon McCabe tying for the team lead with nine tallies.

Several players received accolades throughout and following the season. Freshman Emily Cressy was named a Freshman All-American by Soccer Buzz as well as Soccer America, while teammates Dolinsky and Johnson joined her on the All-Central Region Team. Dolinsky was also named All-Big 12 First Team, while Cressy became KU's first Big 12 Rookie of the Year.

In 2007, Francis' Jayhawks recorded a 5-2-3 mark in the Big 12 to place third in the league. It marked the fifth-straight year that Kansas placed fourth or better in the conference, and the fourth time in Francis' tenure that KU placed in the top three in the conference standings. Despite injuries to key players early in the season, the Jayhawks reached their eighth-straight Big 12 Soccer Championship in San Antonio.

KU capped its thrilling run in Big 12 play with a memorable 2-1 triumph over nationally-ranked Missouri in the final contest of the regular season.

Junior Estelle Johnson and freshman Katie Williams both earned All-Central Region honors, marking the seventh time in the last eight years that Francis has coached multiple all-region honorees.

In 2006, Francis' team finished with double-digit victories for the sixth year in a row. The Jayhawks finished fourth in the Big 12 with a 6-4 conference record.

KU's season was highlighted by a 4-3 come-from-behind victory against No. 12 Duke on Sept. 10, which featured a four-goal rally in the second half by the Jayhawks. KU also posted road victories at Oklahoma, Nebraska, Iowa State and Missouri and earned a national ranking in the top 25 polls for the fifth time in the last six seasons. The team jumped to No. 18 in the Soccer America poll, and No. 21 in the Soccer Times poll on Sept. 11.

The Jayhawks finished the 2005 season in a four-team tie for second place in the Big 12 Conference. The season was highlighted by a one-goal victory against Texas on CSTV, KU's first-ever win against the Longhorns and an overtime win against Border Showdown rival Missouri. The

- Five NCAA Tournament appearances (1997, 2001, '03, '04, '08)
- Largest turnaround in Division I history (16 wins) (1997)
- 150 career wins (117 at Kansas; 33 at South Alabama)
- Team has been ranked each of the past six years, reaching as high as No. 6 in the country

Jayhawks also earned a trip to their sixth-straight Big 12 Soccer Championship in the process.

The 2004 season was a year filled with program firsts as numerous records were broken. The Jayhawks compiled a program-best record of 18-5 on their way to the Big 12 Championship. It was the first for the soccer team and second among KU women's sports, the first going to basketball in 1997.

Francis earned Big 12 Coach of the Year as well as the Central Region Coach of the Year honors. He also won his 100th overall match with a victory against Texas Tech on Oct. 1.

KU's 8-2 league record was its best in program history. Along the way, the Jayhawks beat Texas A&M for the first time, 1-0, at College Station. The Jayhawks also received their first-ever national top 10 ranking, topping out at sixth, and were ranked in the top 20 for most of the season. They also advanced to the NCAA tournament for the second year in a row, this time entering as the eighth-seed and hosting the first two rounds.

In 2004, Kansas players rewrote the record books. Caroline Smith added 11 goals to her previous mark in 2004, totaling a program-best 42. Meghan Miller also tacked on 11 shutouts to her record, finishing with 30 career shutouts and a program-low 0.57 goals against average (GAA). The team also broke the record for goals scored with 47 and had the most shutouts with 13.

The Jayhawks also garnered individual awards with eight players making the all-conference teams, the most of any Big 12 team. KU also boasted four All-Americans, the highest total among any team across the country.

In 2003, Kansas soccer reached new heights under Francis' leadership. The Jayhawks posted an 18-6-1 mark and advanced to the Sweet 16 round of the NCAA Tournament. With a 6-3-1 record

COACHING STAFF

in the Big 12, KU finished third. Along the way, the Jayhawks posted their first-ever win in program history against Big 12 rival Nebraska and defeated Border Showdown foe Missouri twice in Columbia, including a 2-0 win in the NCAA Tournament.

Along with the team accomplishments, several players were honored for their efforts during the 2005 campaign, including Caroline Smith being named to several All-America teams as well as Holly Gault being selected as a Freshman All-American by Soccer Buzz. With Francis' help, KU's players etched their names in the record book, as Smith became the program's all-time leader in goals, points and game-winning goals and Miller set the school mark in career shutouts and career GAA.

In 2002, Francis led Kansas to an overall record of 11-7-2, including a then-school record six-straight wins and a seven-game unbeaten streak during the first half of the season. The Jayhawks opened the season 6-1-1, marking their best start ever. Francis' team ranked in the Central Region's Top 10 for 10 consecutive weeks.

During KU's second consecutive winning season, Francis helped develop one of the most prolific freshmen in Jayhawk history, Caroline Smith. After setting a KU single-season record

with 12 goals scored, Smith was named to the Big 12 All-Newcomer team, as well as Soccer Buzz's Freshman All-America Third Team, Central Region All-Freshmen Team and All-Central Region Third Team.

In 2001, Francis guided the Jayhawks to a 13-7-0 overall record and 7-3-0 Big 12 mark. For his efforts, Soccer Buzz named Francis the 2001 Central Region Coach of the Year, as he led his Jayhawks into the NCAA Tournament for the first time in school history. The Jayhawks finished the season ranked sixth in the Central Region, marking the ninth-best turnaround in the nation, improving five games from the previous season.

The 2001 Kansas team shattered many school records, including more than 10 single-season individual, seven career and over a dozen team records. In addition, Francis saw four of his players - Pardis Brown and Hilla Rantala (second team), and Monica Brothers and Meghan Miller (freshman team) - garner All-Big 12 honors.

In 1999, the Jayhawks set a team season record with eight victories and tied the KU record for home wins with five. Francis' attack-oriented system contributed to single-season records for points (87) and assists (29).

A 1987 graduate of Southern Methodist University, Francis was a three-time All-American selection for the Mustangs. As a senior, he was named SMU's Male Athlete of the Year, the Dallas All-Sports Association College Athlete of the Year and was selected to Soccer America's All-College MVP Team. In addition, he was a two-time nominee for the Hermann Trophy, given to the nation's most outstanding soccer player.

Professionally, Francis played 10 seasons as a member of the Dayton Dynamos (NPSL), Mobile Revellers, Dallas Rockets (USISL) and the Orlando Lions (APSL).

After being hired at South Alabama just a few weeks prior to the start of the 1996 season, Francis inherited a depleted roster and finished his first season with a 2-17 record. The following year, he led the Jaguars to an 18-3-1 mark, including an unbeaten regular season in Big South Conference play. The 16-win turnaround is still the biggest in NCAA Division I soccer history.

His 1997 squad surpassed nearly every offensive school record at South Alabama, including goals scored. He was named 1997 Central Region Coach of the Year by Soccer Buzz Magazine.

South Alabama finished 13-5 in 1998 and Francis earned Big South Conference Coach of the Year honors for the second-consecutive year.

In the summer of 2003, Francis served as an assistant for the U.S. Under-21 National Team that won the gold medal in the Under-21 Nordic Cup in Denmark. Francis was with the team when training began in January at the U.S. Soccer Training Headquarters in Chula Vista, Calif., and traveled with the squad as it toured Brazil.

Francis has served as an Olympic Development Program staff coach in Region II and III and is a Kansas state ODP coach. He holds an "A" coaching license from the United States Soccer Federation, a National Certificate and premier license in Brazil from the National Soccer Coaches Association of America and a youth certificate from the Dutch Soccer Federation.

A native of London, England, Francis and his wife, Tiffany, reside in Lawrence with their three children: Carlin, Hayley and Caleb.

Region II ODP..... 2001-present
Staff Assistant

Another staple to the Kansas soccer coaching staff, Kelly Miller enters his 13th season at the University of Kansas and fourth as the Associate Head Coach under Mark Francis. In 2008, Miller was elevated to his current position after serving as an assistant coach for the previous nine seasons.

In 1999, along with Francis, Miller made the move to KU to train the goalkeepers. He became a full-time assistant the following spring and has since helped the Jayhawks reach the NCAA Tournament four times (2001, '03, '04, '08), and capture KU's first Big 12 soccer title in 2004.

Along with coaching the Jayhawks, Miller is a Region II Olympic Development Program staff coach, a Kansas state ODP coach and holds USSF licensing.

A goalkeeper during his playing days, Miller trains the KU keepers along with the defenders to unite the two into a cohesive unit. His duties also include serving as the programs' recruiting coordinator.

Since his appointment, the Jayhawk defense has showed marked improvements statistically. Miller was responsible for coaching the 2004 squad to the lowest goals

against average in program history at 0.55 and fewest goals allowed with 13. As the Jayhawk goalkeeper coach, Miller has developed his keepers to contend for conference and national recognition.

Miller trained one of the best goalkeepers in program history in Meghan Miller from 2001-04. Meghan, who owns a school record 0.98 goals against average, capped an outstanding career earning All-America second team honors in 2004. She was also a two-time All-Big 12 First Team performer and was named Big 12 Defensive Player of the Week on five occasions.

In 2006 sophomore keeper Julie Hanley posted a 0.98 goals against average with seven shutouts. Hanley was named the Big 12 Defensive Player of the Week for two consecutive weeks while senior goalkeeper Colleen Quinn earned the honor three straight times in 2007. Miller's back field contingents have garnered conference defensive player of the week accolades 15 times in the 11-year history of the award.

Most recently, Kat Liebetrau led the Big 12 Conference with 113 saves in 2010, while her .796 save percentage was the fifth-best mark in the league (second-best in school history) and her four shutouts tied for eighth. Liebetrau was recognized by the conference on Sept. 14 as the Big 12 Defensive Player of the Week for her efforts that included 17 saves in two games.

After just two years under Miller's guidance, Liebetrau already ranks fourth all-time in Kansas history with 160 career saves and a .773 save percentage through two seasons.

Miller also trained defenders Holly Gault and Estelle Johnson during his time at KU. Gault (2003-06) was a two-time All-American and was eventually named to the 13-person Big 12 10th Anniversary Team in 2005-06. Johnson trained under Miller from 2006-09, when she was chosen an NSCAA All-Central Region selection twice. Following her four-year career at KU, which she concluded as the program's leader in career starts with

83, Johnson became the first Jayhawk ever drafted by a Women's Professional Soccer (WPS) team.

Miller graduated with a bachelor's degree in fine arts from The Cooper Union in 1996. He currently resides in Lawrence.

After serving as the volunteer assistant coach for the past two seasons, Jessica Smith was promoted to full-time assistant coach at her alma mater in July 2011. One of the most successful offensive players in program history, Smith played for the Jayhawks from 2002-05.

Before her current role with KU, Smith coached at various levels in the Kansas City Metro area, including as a varsity assistant coach for both the boys' and girls' teams at Olathe Northwest High School. During her time at ONWHS, she helped lead the Lady Ravens to back-to-back region championships in 2008 and 2009, while assisting with the Ravens' boys regional championship team in 2007.

Several of her players on both the girls' and boys' sides went on to play soccer at the college level.

In addition to her coaching duties at Olathe Northwest, Smith has served as a coach with the Kansas State ODP girls' program.

In 2008, she was an assistant with the 1992 team, which was the first Kansas ODP team (boys or girls) to win an ODP Regional Championship. Her team went on to participate in the US Youth Soccer National ODP Championship tournament. Smith is currently working with the 1996 team.

Smith has also spent time working with TOPSoccer programs throughout the state of Kansas as a chairperson as well as a coach. TOPSoccer is U.S. Youth Soccer's outreach program for children with special needs.

Smith was an accomplished player during her years at KU. She served as the Jayhawks' team captain in 2004-05, and was twice named Academic All-Big 12. Her 2004 team won the Big 12 regular season championship - the first in program history - while her 2003 squad advanced to the third round of the NCAA Tournament (round of 16).

In 83 career games in the Crimson and Blue, Smith scored 16 goals, which still ranks as the seventh-best mark in program history, and registered 10 assists, including seven goals during her freshman season. She was named Big 12 Offensive Player of the Week twice as well as to the Soccer Buzz Elite Team of the Week in 2005.

Smith was a NSCAA All-American at Wichita Southeast High School. The Wichita, Kan., native left her high school

career as the state's all-time leading scorer, a title which current Jayhawk Kortney Clifton took over in 2007.

Smith holds a USSF National "B" Coaching License. She graduated from KU in 2006 with a degree in sports and fitness management and currently resides in Lenexa, Kan.

COACHING STAFF

JUSTIN HOWELL

Volunteer Assistant Coach First Season

Another staple to the Kansas soccer coaching staff, Kelly Miller enters his 13th season at the University of Kansas and fourth as the Associate Head Coach under Mark Francis. In 2008, Miller was elevated to his current position after serving as an assistant coach for the previous nine seasons.

staff coach, a Kansas state ODP coach and holds USSF licensing.

A goalkeeper during his playing days, Miller trains the KU keepers along with the defenders to unite the two into a cohesive unit. His duties also include serving as the programs' recruiting coordinator.

In 1999, along with Francis, Miller made the move to KU to train the goalkeepers. He became a full-time assistant the following spring and has since helped the Jayhawks reach the NCAA Tournament four times (2001, '03, '04, '08), and capture KU's first Big 12 soccer title in 2004.

Since his appointment, the Jayhawk defense has showed marked improvements statistically. Miller was responsible for coaching the 2004 squad to the lowest goals against average in program rom The Cooper Union in 1996. He currently resides in Lawrence.

Along with coaching the Jayhawks, Miller is a Region II Olympic Development Program

DR. BERNAETTE GRAY-LITTLE

**University Chancellor
Third Year**

A highly regarded scholar, teacher and university leader, Bernadette Gray-Little began her tenure as the 17th chancellor of the University of Kansas on Aug. 15, 2009. As KU chancellor, Gray-Little is the chief executive officer of the university, overseeing campuses in Lawrence, Kansas City, Overland Park and Wichita, as well as research and educational centers in Garden City, Hays, Parsons, Pittsburg, Topeka and Yoder.

Chancellor Gray-Little's goals for KU include enhancing student achievement so that more KU students graduate in four years, as well as spurring more research and scholarly activities that enhance quality of life and create economic growth. During her first year as chancellor she also made it a point to meet with Kansans and with KU alumni throughout the state and nation to learn about their aspirations for the university.

Gray-Little was one of four university leaders selected to represent the Association of Public and Land-grant Universities at a White House summit on math and science education in January 2010. She is also on the board of trustees for the Online Computer Library Center, an international organization dedicated to expanding public access to information and research.

Gray-Little previously was executive vice chancellor and provost at the University of North Carolina at Chapel Hill from 2006-09. A professor of psychology, she rose to the post of UNC's chief academic officer after successive administrative appointments, including dean of the College of Arts and Sciences.

While at UNC, she earned a reputation as a champion for the highest quality educational experience for students and a strong advocate for faculty and for research.

A native of eastern North Carolina, Gray-Little received her bachelor's degree from Marywood College in Scranton, Pa., and her master's and doctoral degrees in psychology from Saint Louis University. She earned a Fulbright Fellowship to study in Denmark. She also served as a Social Science Research Council Fellow and received a Ford Foundation Senior Scholar Fellowship through the National Research Council.

Gray-Little is married to Shade Keys Little, who was assistant dean for academic support services at UNC. They have two adult children and one grandchild.

DR. SHEAHON ZENGER

Director of Athletics
Second Year

Dr. Sheahon (SHAY-un) Zenger is a coach at heart. But when KU Chancellor Bernadette Gray-Little introduced the Hays, Kan., native as KU's Athletics Director January 3, 2011, he promised not to call any plays for the coaches. That doesn't mean, though, that he won't be right there with them - and their student-athletes - every step of the way. For it's his genuine care for coaches and student-athletes that has stamped his career in intercollegiate athletics.

Zenger comes to KU after serving for five years as athletics director at Illinois State University, helping steer ISU Athletics to a place of prominence in the Missouri Valley Conference. The Redbirds won a conference-leading seven league titles during the 2009-10 season and captured their second Valley All-Sports Trophy in three years.

ISU's Weisbecker Scholarship Fund membership grew 65 percent during his tenure, and capital projects boomed. The Illinois State Baseball Stadium at Duffy Bass Field was officially dedicated in May 2009 to culminate the completion of that \$3.5 million project. In addition, funding for the Redbird Arena locker room improvements has also been secured.

With experience as an educator, coach, fundraiser and administrator, Zenger brought a plan to Illinois State, and with the help of the head coaches and administrative staff, personalized that strategic plan for Redbird Athletics. As a result, the athletics department saw record-high grade-point averages (GPA) in each of the last four years, including a best-ever department-wide 3.13 GPA in fall 2009. Redbird student-athletes now regularly carry a GPA of 3.0 or better. ISU student-athletes have also contributed more than 2,000 hours of community service in each of the last five years, including 3,500 hours during the 2009-10 athletic season.

In addition to Valley All-Sports titles in 2008 and 2010, in his last three years at ISU Zenger led the department to 16 top-five finishes in its 17 Valley sports - the highest percentage of top-five finishers in league history.

Zenger secured a five-year apparel contract for Redbird Athletics, and significantly increased the marketing of the program in the Central Illinois region, most notably with a campaign centered on the award-winning marketing campaign "Spread the Red." He also witnessed record-setting attendance figures in football, men's basketball and women's basketball, while seeing 17 Redbird teams advance to postseason play.

At the beginning, Zenger wasn't headed toward a career in administration. He was nine years old when he told his father he wanted to be a coach, and it didn't take long for that dream to

materialize. After playing football at Fort Hays State and Mid-American Nazarene College, he finished his undergraduate degree at Kansas State. Even before he received his bachelor's degree in English and secondary education in 1988, Zenger was assisting the football coaches at Manhattan (Kan.) High School. His first college football coaching job came at Drake University right after graduation.

In 1989, at age 23, Zenger joined Bill Snyder's staff at Kansas State as one of the nation's youngest full-time football staff members; he served in key roles as assistant recruiting coordinator and director of football operations. Zenger completed his master's degree in journalism and mass communication in 1992 while helping Snyder bring Wildcat football to unprecedented success.

It became evident, though, that more than coaching was in store for Zenger. He sought advice from then-KU Chancellor Gene Budig, who convinced him to pursue a Ph.D. at KU. As he completed his Ph.D. in educational policy and leadership (1996), Zenger contributed communications and special projects support to the office of the executive vice-chancellor, Ed Meyen, and wrote the professional life history of then-chancellor Del Shankel, while strengthening his understanding of university leadership at the highest levels.

While focusing his attention on academics, he managed to stay involved in the world of intercollegiate athletics, and specifically football. 'Involved' may be an understatement. In 1993 Zenger and a friend founded American Football Quarterly, a magazine for coaches. Zenger served as publisher - and then editor - until 1995, when he sold his share of the by-then-thriving magazine.

Still, coaching stayed in his blood. After earning his doctorate, Zenger in 1996 signed

2010 IN REVIEW

2010 SEASON IN REVIEW

The 2010 season was the last for eight impact seniors on Coach Mark Francis' squad. Kaitlyn Cunningham, Erin Ellefson, Lauren Jackson, Erin Lewis, Geneva Magness, Rachel Morris, Caitlin Noble and Katie Williams all said so long to Lawrence and the Jayhawk soccer program.

The seniors led Kansas to a 5-4 non-conference record (6-13 overall) as other underclassmen began to show promise during the team's competitive conference schedule.

Minding the goal for the Jayhawks virtually all season long was sophomore standout Kat Liebrau, who started 18 of the 19 matches. In just the second game of the season, Liebrau collected 15 saves versus Georgia, one away from the school record. For her efforts, she was named Big 12 Defensive Player of the Week on Sept. 14. The Centennial, Colo., native went on to amass 113 saves in 2010 to become just the sixth Jayhawk in team history to reach the single-season century mark. After just two seasons with the Crimson and Blue, Liebrau is already fifth all-time at Kansas with 158 saves.

Junior Kortney Clifton led the team in scoring with four goals, one assist and nine total points. Matching Clifton's efforts was sophomore Whitney Berry as she also finished with nine points with the help of three goals. The forward/midfielder, who was recognized during the preseason as one of the top 20 players in the Big 12 by TopDrawerSoccer.com, was honored by the conference for the third time in her career. Berry was named to the 2010 All-Big 12 Second Team. After her freshman campaign in 2009, the

Wichita, Kan., native garnered second team and All-Newcomer Team honors.

Other offensive contributors on the team included freshman Caroline Kastor, who had a trio of goals and two assists, and junior Emily Cressy, who also had three goals.

The 2010 season got off to a promising start as Kansas picked up a 2-1 upset versus No. 14 Northwestern early in the year. But during its always-challenging Big 12 Conference schedule, KU often came out on the wrong end of many close scores as eight of its nine losses were by two goals or less.

Despite missing out on the Big 12 Conference Championship for the first time in 11 seasons, the 2011 season looks to be promising for those that will be on the pitch for the Crimson and Blue. During the team's spring schedule, Kansas went 3-2, with wins over Iowa, Central Missouri and the KU Alumni team and saw the team score a total of nine goals during those five games.

POSTSEASON HISTORY

KU's first taste of the postseason came under Francis in 2000, when the Jayhawks qualified for the Big 12 Championship as the No. 8 seed and faced top seeded Nebraska. Despite holding the third-ranked Huskers scoreless in the first half, KU fell 4-0.

The following season, the Jayhawks earned another trip to the Big 12 Championship, this time as the No. 4 seed, and advanced to the NCAA Tournament for the first time in program history. However, KU was eliminated in the first round of the tourney by BYU, 1-0.

It wasn't until 2003 that KU earned its first postseason victory. After posting a 6-3-1 Big 12 record during the regular season, the Jayhawks earned the No. 3 seed in the conference tourney and downed sixth-seeded Oklahoma, 1-0, in the opening round. Freshman Jessica Kilpatrick and sophomore Caroline Smith connected for the only goal of the match.

The Jayhawks earned their second NCAA Tournament bid in 2003, after a 15-4-1 regular season. KU traveled to Columbia, Mo., for the first round of the tourney and came away with a pair of victories.

KU dispatched of Illinois State, 3-1, in the first round on a pair of goals from Kilpatrick. The 'Hawks then knocked off archrival Missouri, 2-0, to advance to the round of 16. Smith and senior Carmel Kaplinger scored the KU goals, while Meghan Miller made four saves to earn her 11th shutout of the season.

The Jayhawks fell to national No. 2 seed UCLA in the round of 16, but enjoyed their deepest run in the national tournament.

The following year, KU won the Big 12 regular season title and scored a postseason record four goals in its opening round triumph over Iowa State.

In the conference quarterfinals, KU led fourth-seeded Texas 2-0, but eventually fell in double-overtime, 3-2.

The 2004 NCAA Tournament brought another first to the KU program, as the Jayhawk Soccer Complex was selected to host first and second round contests for the first time. The Jayhawks defeated Creighton, 3-1, in the first round on goals by Afton Sauer, Jessica Smith and Monica Brothers. However, KU experienced more heartbreak in the second round.

The Jayhawks outshot visiting Nebraska 17-1 in the second half, but could only manage a single goal, falling 2-1 in overtime.

The 2006 season saw another first in Jayhawk postseason play as KU's Big 12 Championship first-round match with Colorado came down to penalty kicks. The teams played through 90 minutes of regulation and two overtime periods tied 1-1.

Kansas returned to the NCAA Tournament in 2008, posting a 2-1 victory over Denver in the first round in Palo Alto, Calif. Junior Shannon McCabe tallied the game-winning goal just seconds before the end of the first half - her third of the postseason. The Jayhawks eventually fell to top-seeded Stanford in the second-round of the tournament to end its season at 13-8-2.

Just getting back to the national tourney took a strong run at the Big 12 Championship. The Jayhawks were the No. 7 seed in the conference tournament, but upset second-seeded Texas A&M, 4-2, in the quarterfinal round. Monica Dolinsky set a KU postseason record with three assists against the Aggies, while McCabe recorded a pair of goals. KU was eliminated from the Big 12 Championship on penalty kicks in the semifinals by Missouri, the eventual tournament champion.

Kansas players react to being selected to host the first and second rounds of the NCAA Tournament in 2004.
