EVENT SAFETY INFORMATION

1. Safety Authority
The safety for this event will be coordinated through the Douglas County and Kansas Athletics Training Staff.

The lifeguards are equipped and capable to respond to any aquatic or medical emergencies on the course and if needed will transfer emergency care to the Lawrence-Douglas County Fire Medical (LDCFMC) who will provide trauma services at the medical tent on the beach. AED’s, First Aid kits, and Basic Life Support gear will be available on the beach at the medical tent.

The Safety Director, Safety Officer, Medical staff and safety patrol boats will communicate via the event radio network and VHF radios. There will be 4-6 Kayaks or rescue boards with Lifeguards located throughout the course.

There will be two Personal Watercraft on course to monitor swimmers’ safety and two safety boats idling well inside course with staff to respond if needed.

There will be course officials located at the turn buoys on anchored boats or on docks.

All recreational boat usage is prohibited during the event and will be monitored by the Douglas County Sherriff’s Dive Rescue unit.

2. Communications Plan
Primary - There will be two separate radio networks using two different frequency plans. The radios are not interchangeable.

Communication across radio networks will be coordinated through Race Operations. Personnel using radios include the Race Director, Race Operations, Race Referees, Safety Director, Feed Station Referee, Administrative Referee, Turn Judges, Medical tent and event announcer. The safety patrol boats will utilize their own VHF radios, and will be in contact with Sherriff, Fire/ Rescue, Race Operations, Safety Officer and On-Water Lifeguard on PWC.

Communications between lifeguards in kayaks and all parties will be through whistles and flags. If Lifeguards need assistance from the safety boats, they will blow a series of long whistle blasts and wave orange flags.

3. Swimmer in Distress
a. Lifeguard will activate their water rescue protocols.
b. Any swimmer withdrawing from the race must report to the nearest lifeguard or course official to identify and confirm withdrawal. Course official will radio race control with the competitor number and direct the swimmer to return to the start area.
c. A Medical tent will be maintained on the beach in the Start/Finish area manned by a Lifeguard and Fire Rescue staff.
d. Swimmers needing emergency medical care on the water will be administered by LDCFMC staff and then Fire/Rescue staff at the dock.
e. Swimmers requiring evacuation via ambulance will be transported to Lawrence Memorial Hospital, approx. 17 miles from the venue.

4. Missing Swimmer
a. All swimmers will be issued a “Race Ticket” with their competitor number during the registration process. This “Ticket” will be collected as the swimmers enter the water.
b. All swimmers will be required to provide a personal cell phone contact and a coach/handler cell phone contact at registration.
c. All swimmers will be videotaped during the final inspection/accounting prior to the start.
d. If a swimmer is reported missing and last seen in the water: Lifeguards and Sherriff’s Dive Rescue unit will activate their underwater search and recovery protocol. Concurrently, meet operations will attempt contact with the coach/handler and swimmer via cell phone. Meet Operations will also review the start list, withdrawal list, site race tickets, and view the pre-race videotape to confirm the swimmer actually started the race.
e. All swimmers are reminded before the race start that they must report to the nearest lifeguard or course official if they withdraw from the race. All swimmers who depart from the water will be identified by their race number.

5. Support Vessels
a. The following vessels will be used:
   i. Referee Boat – 1
   ii. Safety Patrol Boats - 1
   iii. Paddle Craft - 4-6
b. All vessels Captains will attend a brief briefing by the Safety Officer.
c. Spare vessels will remain clear of the vessel exclusion zone unless summoned on to the course by race control.
d. Once the course has been set, the Course Officer vessel will remain clear of the vessel exclusion zone unless summoned to the course by the Referee or race control.
e. All officials’ boats will be equipped with VHF radios on the race control network.
f. Safety Patrol boats will be on designated VHF radio channel.
6. Parameters for Abandoning the Race
   a. Any one of the following individuals are empowered to independently order the race abandoned due to unsafe course or other conditions.
      - Championship Referee
      - Safety Officer
      - Local Meet Director
   b. If the race is to be abandoned, Race Control will relay via radio to all vessels to signal abandonment. Simultaneously, the Safety Officer will signal to Lifeguards for race abandonment. The abandonment signals will be:
      - From Officials Boats - 5 short blasts followed by one long blast.
      - From lifeguards - 5 short blasts of the whistle followed by one long blast.
   c. Swimmer actions are to:
      - Discontinue swimming
      - Look for directions from the Officials or water safety personnel
      - Once safe on the beach, proceed to the start/finish area and check-in.

7. Contingency Plan
   a. Due to venue restrictions, it is unlikely any change to the shape of the course will be possible.
   b. If the weather conditions require, the directions of swim (CW/CCW) and the location of the start/finish structure may be changed.
   c. If the race is abandoned, it will be postponed until later the same day. If the race must be abandoned for the entire day, the race will be held the following day.
EVENT LOGISTICS

Parking
Parking will be available on-site.

Weather Contingency
In the event of adverse conditions, the following rescheduling priorities will be used based on weather predictions, and at the discretion of the Meet Referee:
Priority 1 - Later during the race day
Priority 2 - On the following day(s)
