In addition, we also realize that there might be some minor scheduling conflicts between some programs. Please communicate these plans and/or conflicts with your coaches in order to avoid any confusion regarding their commitment. ***Please note that incoming students may not participate in any summer programs until they have completed their current school year.***

LA SALLE HIGH SCHOOL TEAM CAMPS

Our La Salle High School Team Camps(Grades 9-12) are recommended for all Lancer student-athletes who plan on participating on a Lancer team in the coming year. Summer is the time to work on specific fundamentals, conditioning, strength-training, and team schemes. In addition, these camps allow our potential team members compete in the off-season, unify as teams, and prepare for their upcoming seasons.
