Greetings Longhorn Foundation members!

When I wrote you this time one year ago, we had no idea how fantastic the 2018-19 athletics year would be. We had a fourth-place finish in the Learfield IMG College Directors’ Cup standings, our best since 2005-06. Men’s Tennis won the National Championship. Texas Football prevailed in the Sugar Bowl. Four teams finished in the top two, seven in the top five, and 11 in the top 10. We also claimed a league-best nine Big 12 Championships. It was a time of tremendous achievement. Now we have turned the page to the beginning of the 2019-20 athletics year, one that is proving to be equally as robust in accomplishment and excitement.

Since August, we have unveiled The Frank Denius Family University of Texas Athletics Hall of Fame; debuted Smokey’s Midway, a vibrant addition to Bevo Blvd.; hosted ESPN College GameDay for the first time since 2008; and #9 Texas Football fought through adversity during a sold-out game against another top-10 ranked team. It is a great privilege to have the opportunity to thank you for all you do as a Longhorn Foundation member to make these special memories possible. YOU help make these moments happen!

Of course, you provide much more than these special moments. This year, 523 student-athletes are back on campus, training hard and sharing one heartbeat in their drive and determination for greatness. Your gifts as a Longhorn Foundation member are directly invested into the lives of Texas student-athletes in various forms of academic and athletic support, as well as health and well-being initiatives. Your support is critical to their success and to the strength of Texas Athletics as a program dedicated to helping our student-athletes achieve excellence.

Enclosed you will find a 2020 Annual Fund Membership Renewal form. This piece includes a summary section, designed to give you a quick and clear overview of your gifts to the Longhorn Foundation in 2019. Our student-athletes and coaches continually give Texas 110% and take their commitment to competitive excellence to the next level. In acknowledgment of their effort, I encourage you increase your gift by 110% or take it to the next level for 2020. By making your pledge now, you can take advantage of making your gift in monthly installments and contribute to Texas Athletics’ resolution to fiscal integrity.

We continue to be deeply honored to serve you. Please remember our Longhorn Foundation staff is available at 512-471-4439 or LonghornFoundation@athletics.utexas.edu to answer your questions and make sure that your experience with Texas Athletics is the best it can possibly be.
