### **LSC ANNOUNCES SOFTBALL ALL-CONFERENCE HONORS**

RICHARDSON, Texas -- More than 75 women's softball standouts were recognized Monday when the Lone Star Conference postseason awards were announced by league officials.

LSC South Division champion and tournament runner-up Abilene Christian placed a remarkable six players on the All-LSC South Division first team, while conference champion and divisional co-champion Midwestern State had three first-teamers and three more on the second team in the North Division.

In all, 77 student-athletes were recognized by the all-conference program, including at least one player from each of the 14 softball teams in the LSC. The awards are voted upon by the league coaches in each division.

ACU, which lost 5-1 to MSU in the conference championship game on Sunday, was represented on the All-LSC South first team by pitcher Jennifer Leal, catcher Samantha Borgeson, first baseman Jenna Daugherty, third baseman Nicole Deel, outfielder Jade Wilson and designated player Jessica Johnson.

Additionally, Leal was named LSC South Pitcher of the Year, while ACU's Chantiel Wilson claimed Coach of the Year honors for a second straight season.

In the North, Midwestern, Central Oklahoma and Northeastern State had three first-team picks apiece, while divisional co-champion Southeastern Oklahoma added two first-teamers and three second-team selections.

MSU and Northeastern ran away with the North Division individual awards as NSU second baseman Rachael Christian was named both Player and Newcomer of the Year, while Lady Reds left fielder Shaelyn Moore earned Freshman of the Year acclaim. Meanwhile, MSU's Brittany Willson was revered as Pitcher of the Year and Mustang coach Brady Tigert was tabbed Coach of the Year.

Midwestern, which took the LSC title with Sunday's tournament win over ACU, was represented on the All-LSC North first team by Willson, catcher Racheal Jackson and designated player Amanda Hill.
