

LSC GOLF COACHES MEETING

April 15, 2012, Marriott Solana, Westlake, Texas

Those participating were:

Abilene Christian: Mike Campbell (Men's Chair); Angelo State: Kathleen Price; Cameron: Jerry Hrcnciar, Rick Goodwin (Women's Chair); Incarinate Word: Brad Martin; Midwestern State: Jeff Ray; Tarleton State: Jerry Doyle; Texas A&M-Commerce: Louie Bledsoe; Texas A&M-Kingsville: Alessandra Dominguez; West Texas A&M: Brad Borden, Meredith Jameson; LSC: Stan Wagnon, Melanie Robotham.

1. **2013 LSC TOURNAMENT FORMAT AND SITE**: It was moved (CU) and seconded (A&M-C) to return to the DFW area and allow officers of the LSC Golf Coaches determine the course with same format as 2012. **Passed unanimously.**
2. **DESIGNATED COACHES**: The following action was taken relative to coaches for men's teams at the LSC Golf Tournament:
 - a. It was moved (MSU) and seconded (A&M-C) to allow men's golfers to communicate with two designated coaches during the 2012 tournament. **Failed for lack of unanimous vote (4-2).** *Note*: Prior to the vote, Commissioner Wagnon indicated that a unanimous vote of head coaches was required to supersede any LSC Golf Operating Code policy, citing Article 8, Section I of the LSC Constitution as the precedent.
 - b. It was moved (A&M-C) and seconded (MSU) to amend LSC Golf Operating Code No. 11 so that men's golfers may communicate with two designated coaches during the tournament, beginning in 2013. **Passed 4-2.**
3. **LIVE SCORING**: There was discussion the ability to provide live scoring at future tournaments, and consensus agreement was that each institution bring one person to assist with live scoring operations, regardless of whether it is a Sports Information Director. Conference office personnel will solicit coaches for help next year, not just SIDs. It was also noted that Athletic Training staff should be available for this event as well.

Respectfully submitted,
Melanie Robotham
