LSC SOFTBALL

The Lone Star Conference softball season continues with non-conference play amid a few interruptions from weather including snow in West Texas and New Mexico.

West Texas A&M tops the standings at 10-1, with four other teams posting double-digit win totals as well.

LSC teams are playing a single round-robin schedule with a three-game series against every other team. Each series consists of a doubleheader one day and single 7-inning game the other day.

The overall LSC Champion will be the team(s) with the best winning percentage in regular-season conference games, while the winner of the postseason championship will be recognized as LSC Tournament Champion and receive the league's automatic qualification into the NCAA postseason. The single-elimination championship will be played May 3-5 in Canyon, Texas, as part of the LSC Spring Championships Festival.

LSC softball teams are 83-68 overall this season. In the NCAA South Central Region, the group is currently 36-29 combined versus Heartland Conference teams and 11-3 opposed to the Rocky Mountain Athletic Conference.
