### LAST WEEK'S RESULTS

### LSC SOFTBALL

Softball season started last week with all but one Lone Star Conference team on the field. The games roll on with a full slate of non-conference contests this week.

LSC teams are playing a single round-robin schedule with a three-game series against every other team. Each series consists of a doubleheader one day and single 7-inning game the other day.

The overall LSC Champion will be the team(s) with the best winning percentage in regular-season conference games, while the winner of the postseason championship will be recognized as LSC Tournament Champion and receive the league's automatic qualification into the NCAA postseason. The single-elimination championship will be played May 3-5 in Canyon, Texas, as part of the LSC Spring Championships Festival.

LSC softball teams are 21-23 overall this season. In the NCAA South Central Region, the group is currently 10-10 combined versus Heartland Conference teams and 3-0 opposed to the Rocky Mountain Athletic Conference.

The outbreak included her second collegiate grand slam as she homered in consecutive innings. Jerrick collected a hit in each of the Mustangs' six games and accounted for an extra base hit in all but one.
