LSC SOFTBALL

After three weeks of Lone Star Conference play, West Texas A&M and Texas Woman's are tied atop the standing with 8-1 records, while Angelo State sits a game back at 7-2. The series to watch this week is WT at ASU.

LSC teams are playing a single round-robin schedule with a three-game series against every other team. Each series consists of a doubleheader one day and single 7-inning game the other day.

The overall LSC Champion will be the team(s) with the best winning percentage in regular-season conference games, while the winner of the postseason championship will be recognized as LSC Tournament Champion and receive the league's automatic qualification into the NCAA postseason. The single-elimination championship will be played May 3-5 in Canyon, Texas, as part of the LSC Spring Championships Festival.

LSC softball teams are 180-133 overall this season. In the NCAA South Central Region, the group is currently 64-44 combined versus Heartland Conference teams and 11-3 opposed to the Rocky Mountain Athletic Conference.
