LSC SOCCER

Angelo State holds a one-point advantage in the Lone Star Conference standings with Texas A&M-Commerce and Eastern New Mexico just behind them with nine points apiece.

League play continues with five contests this week. Each of the six LSC teams will play the other twice during the regular season, with the results of those contests to be used in determining the seeds for a four-team postseason conference tournament. The No. 1 seed will host this year's tournament November 7-9, 2014.

The women's teams are 43-24-7 overall this season. The squads are currently 7-7-3 combined versus Rocky Mountain Athletic Conference teams, and 13-3 against the Heartland Conference, which are the other conferences in the NCAA South Central Region.

PLAYERS OF THE WEEK

OFFENSIVE

Alyssa Prince, Eastern New Mexico University, SR, Midfielder, Las Cruces, N.M., Mayfield HS

Prince netted the game-winning goal against eighth-ranked and then-undefeated Angelo State, on Sunday afternoon. The goal was the first given up in a span of 785:17 by the Rambelles and snapped a streak of seven consecutive shutouts. In the second half, she added an insurance goal to become the first player with multiple goals against ASU since September 7, 2013. The game-winning goal was the fifth in Prince's career and moved her into a tie for fifth place on the ENMU career list.

DEFENSIVE

Courtne Northern, Texas A&M University - Commerce, JR, Fort Worth, Texas, All Saints Episcopal HS

Northern made eight saves against Texas Woman's and held the Pioneers scoreless en route to her fourth shutout of 2014. Northern has now averaged 6.58 saves per game over the course of the season, which threatens the A&M-Commerce school record of 6.63 set by Catherine Cole in 1995. She also boasts a .898 Save percentage and a 0.73 GAA.

OTHER TOP PERFORMERS

Sierra Anderson, Angelo State University, continued her strong offensive play last weekend by scoring both goals in a 2-0 win over West Texas A&M last Friday in Canyon. Anderson scored her first goal in the 35th minute and then sealed the win with an 87th minute goal. Anderson now has seven goals this season for the Rambelles and is tied with Haley Mendel for the team lead. She has recorded two two-goal games this season and has scored four goals in the past five games for ASU. She also leads ASU with 34 shots this season and has 16 career goals coming into this weekend's road games at TWU and A&M-Commerce.

Destinee Williamson, Midwestern State University, netted two goals and added an assist to help Midwestern State to a split of road contests last weekend. The true freshman from Bedford knocked in a goal in the final minute of a 3-1 win over Eastern New Mexico Friday night after assisting the go-ahead goal earlier in the second half. Williamson used her speed to convert a throughball for her seventh goal of the season in the 23rd minute Sunday for the equalizer against West Texas A&M. The Eules Trinity High product leads the Mustangs with seven goals and is second on the side with four assists.

Lucy Chalgren, West Texas A&M University, recorded her first career goal at WT when she netted the game-winner with just 76 seconds left to play Sunday to propel the Lady Buffs to a 2-1 victory over Midwestern State. Between two games last weekend she put up five shots and one goal.

Ashley Exford, Angelo State University, continues to be one of the leaders on an Angelo State defensive unit which has allowed only five goals through the first 12 games of the season. Exford and the Rambelles recorded their ninth shutout of the season last Friday in a 2-0 win over WT before seeing a seven-game shutout streak end with a 0-2 loss at ENMU. Exford has started all 12 games for the 10-1-1 Rambelles and has played a pivotal role as the central defender. ASU owns a 192-87 shot advantage over its opponents this season in large measure to the work Exford and the defenders are putting into each game.

Nicole Kemper, West Texas A&M University, improved her record to 3-2 last weekend after a 2-1 victory over Midwestern State on Sunday. She picked up 8 saves between two contests against MSU and No. 8 Angelo State.

Fabienne Wilson, Eastern New Mexico University, allowed just 1.5 goals per game and posted a .769 save percentage against Angelo State and Midwestern State teams which entered the week with a combined record of 14-1-6. She made five saves against the eighth-ranked Rambelles to register the fourth shutout of her career and stopped a penalty kick against the Mustangs.
