1. **NEWCOMER OF YEAR**: It was moved (MSU) and seconded (A&M-C) to add a Newcomer of the Year award for both men's and women's golf, effective in 2014-15. **Passed unanimously.**
2. **MEN'S ALL-CONFERENCE**: It was moved (A&M-C) and seconded (CU) to adjust the men's all-conference awards such that five (5) players will comprise the first team, five (5) players on the second team and any remaining players who receive at least two (2) votes would be honorable mention, effective in 2014-15. **Passed unanimously.**

### INFORMATIONAL ITEMS

3. **MEN'S INDIVIDUAL AWARDS**: The men's coaches confirmed by consensus agreement that medalist honors would be based on 54 holes due to using the medal match format, whereby every player records a score on every hole.
4. **2015 LSC CHAMPIONSHIP SITE**: Consensus agreement was for the Conference Office to arrange a similar site for the 2015 event, whether it be Horseshoe Bay or something in the DFW area. Input included a desire for the site to have a different, more special feel than regular tournaments as it is a championship and, for some, their final event. The Tribute, Old American and Stonebriar were mentioned as possibilities to review.

Respectfully submitted,

Stan Wagon
