LSC BASKETBALL

West Texas A&M claimed its second straight and 13th overall Lone Star Conference women's basketball title with three victories last week. The Lady Buffs will be the top seed in the LSC Championship March 4-7 in Allen, Texas, with the Cameron-Midwestern State game deciding the second and third spots. Texas A&M-Commerce faces Tarleton State and Texas Woman's in a three-way battle for fourth seed. Eastern New Mexico and Angelo State are locked in as the No. 7 and No. 8 seeds.

On the men's side, Tarleton State and Angelo State are competing for the LSC Championship title and No. 1 tournament seed. Two of the eight spots in the tournament are set with West Texas A&M fifth and Eastern New Mexico eighth.

The regular season wraps up with five LSC contests for both the men and women this week.

The LSC men have a 130-78 overall record so far this season with four teams (TSU, ASU, MSU, A&M-C) eclipsing the 20-win mark. In the NCAA South Central Region, the men's teams are currently 13-6 combined versus Heartland Conference teams and 8-7 against the Rocky Mountain Athletic Conference.

The LSC women are 117-106 overall with a pair of 20-win teams (WT, MSU). The women's squads are currently 13-17 combined against the Heartland, and 6-3 versus RMAC teams, which are the other conferences in the NCAA South Central Region.

The LSC champion will be the regular season winner determined by league games, while the postseason tournament winner is designated as LSC Tournament Champion and earns the conference's automatic qualification.
