

Student-Athlete Social Responsibility Pledge

Adopted June 26, 2020

Our nation and planet are experiencing a health crisis not seen in over a century. The direct toll on humanity from loss of life due to COVID-19, and indirectly due to economic and other factors, will be felt for years to come. It will require a concerted effort and ***commitment to personal responsibility by every person*** to stop the spread of coronavirus and mitigate its devastating impact.

I understand and accept that my inclusion in this MAAC championship event is conditional, upon agreeing to abide by a set of guidelines designed for the personal and collective health and safety of myself and all those who are included in this event.

In light of the spread of COVID-19 (Coronavirus), I understand there are inherent risks to myself and others in participating. I understand these rules and pledge to abide by them at all times throughout my participation in this event.

These rules, are available in the full **“Return to campus and Athletic Activity Action Plan for MAAC Institutions”**.

By signing this document, I confirm and agree to all rules and health protocols provided to me, in order to maintain the safety and health of myself and others.
