Sportsmanship

The MEAC proposes to promote mutual trust and friendly relations among its members by controlling athletic competition and keeping such competition within the bounds of sound educational activity; by promoting clean sportsmanship; and by developing public appreciation for the educational values that accrue from participation in intercollegiate athletics.

The officers and administrators of the MEAC place a high premium on professionalism, sportsmanship, and ethical conduct. As such, there are significant penalties for any breach of conduct during the course of regular season competition and to an even greater extent during the conduct of MEAC Championships.

For the purposes of general definition, misconduct in a MEAC Championship is any act of dishonesty, unsportsmanlike conduct, unprofessional behavior or breach of law on the part of any recognized University representative, occurring incident to, en route to, from or at the locale of the competition or practice that discredits the event or intercollegiate athletics.

Misconduct Incident to Competition

If the act of misconduct occurs during the competition, under normal circumstances, the individual shall be allowed to complete the competition in which he or she is participating at the time of the incident. An administrative

2009 MEAC Baseball Championship

hearing shall be held at the conclusion of the day's competition, during a break in the continuity of the championship when no competition is being conducted, or at the conclusion of the championship. However, if the act of misconduct is so flagrant that it obviously violates the principles of fair play and sportsmanship, the games committee may immediately withdraw the student-athlete or institutional representative from the competition, and conduct the hearing after this action. Other acts of misconduct may be dealt with at the sports committee's convenience.

Penalty for Misconduct

The sports committee (or games committee authorized to act for it) may at its sole discretion impose any one (1) or a combination of the following penalties on an institution or any student-athlete or representative of any institution, guilty of misconduct occurring incident to, en route to, from, or the locale of the competition or practice.

- (A) Public or private reprimand to the individual;
- (B) Disqualification of the individual from further participation in the Conference Championship (s) involved;
- (C) Banishment of the individual from participating in one (1) or more subsequent championships of the sport involved;
- (D) Withholding all or a portion of the institution's share of revenue distribution;
- (E) Banishment of the institution from participation in one (1) or more subsequent championships in which its team in the sport otherwise would be eligible to participate;
- (F) Financial or other penalties in addition to Nos. one (1) through six (6), but only if they have prior approval of the Delegate Assembly (DA) and the Council of Chief Executive Officer's (CCEO's).

Ban from Subsequent Championship

When a student-athlete or institutional representative is banned from participation in a subsequent championship, such penalty shall be applied to the next Conference Championship events in which the individual's team is involved and the individual otherwise is eligible to participate. In the case of an individual event, the penalty shall be applied to the next Conference Championship event(s), meet(s), or tournament(s) for which the individual qualifies and otherwise is eligible to participate.
