## 2014 NCAA Division I Men's Basketball Championship Second Round · Friday, March 21 AT&T Center · San Antonio, Texas **(14) North Carolina Central Eagles Locker Room Quotes**

### **Alfonzo Houston, G, Sr.**

*On the overall season ...*

"We accomplished a lot. We really ain't got nothing to hold our head down against. All in all, that wasn't our best performance. We could have done better, but we accomplished a lot. Nothing to be mad about."

*On Iowa State ...*

"Everything was just clicking for them. They were flowing. They were flowing pretty well. We tried to knock them off balance and try to get them off track, but they stayed with it. They have a lot of guys...very deep. They've got a lot of guys who can put the ball in that hole. They've just got a lot of talent."

*On what Coach Moton said to him when they hugged on the court after the game ...*

"He told us to keep our head up. We accomplished a lot this year. We had a nice group of seniors and they'll be well missed."

### **Karamo Jawara, F, Jr.**

*On losing to Iowa State ...*

"Right now, I'm just the worst loser you can find. I don't care if it's Uno, NBA2K, or a basketball game, I don't like losing. I don't care who it's against. Now, I know we accomplished a lot, but the only thing fresh in my memory is that score right there. I'm going to get over it, but right now, it just happened. I can't just look past it."

*On what Coach Moton said after the game ...*

"We accomplished a lot this season and that this game should just be a blur. We shouldn't be thinking about just this game. We should look over the whole season at what we accomplished and what we've done for this program."

*On raising the bar for next year...*

"We definitely laid a foundation. That bar is raised up. I'm going to expect more from everyone, even the transfers, the people on the team right now. That bar is raised now."
