Why you should support Division II athletics

DID YOU KNOW?

More than 119,000 student-athletes compete at the NCAA Division II level with more than 500 of those student-athletes competing for Oredigger Athletics.

Mines is one of 300 Division II institutions offering a “partial-scholarship” model for financial aid. Most DII student-athletes’ college experiences are funded through a mix of athletics scholarships, academic aid, need-based grants and/or employment earnings.

Fundraising is essential to provide student-athletes and teams the resources to purchase equipment, uniforms, travel, training trips, and more.

THANK YOU! Your help contributes to our success.
