OREDIGGERS GET BY UCCS, MSU DENVER
Mines is coming off another 2-0 RMAC weekend with a pair of 2-1 wins against #16 UCCS and MSU Denver. A week ago, it was Jennifer Kendall’s golden goal in the 99th minute that won it for Mines at UCCS after an own goal in regulation and the Mountain Lions’ late equalizer left it 1-1. The win gave Mines sole possession of first place in the RMAC. On Monday at MSU Denver, first-half goals by Kaylee Kennedy and Hannah Stoner proved to be the difference as Mines shook off the RMAC’s top offensive team. The Roadrunners were in third place heading into the game as Mines dealt them only their third RMAC loss.

EYEING THE PRIZE
Mines needs six points from its final three matches - or three points and a UCCS loss - to clinch the RMAC regular-season title. Mines can’t get there today as UCCS has a bye, but a win tonight could mean the Orediggers can clinch the title and the RMAC Tournament #1 seed with a victory on Sunday.
