WE'RE COMING HOME
The Colorado School of Mines Men’s Soccer team will play on its home pitch for the first time in 2019 this Friday and Monday, hosting Seattle Pacific and Western Washington. It will mark the first time in 306 days that the Orediggers host a match that counts towards their record at Stermole Stadium and the first regular-season match in 324 days. Both matches start at 5:30 with Mines’ women on the road and both will carry playoff implications in the new Super Regional format instituted by the NCAA for 2019.

TEXAS TURNAROUND
Less than one week ago, Mines was touching down in hot and humid Texas. The result of the trip was a 2-0 win over St. Edward’s on Friday and a 3-1 loss at St. Mary’s on Sunday. It was nearly a mirror image of last season’s openers which led to the Orediggers running off 12 straight wins and no losses until the NCAA Tournament. Top performers from the most recent weekend include Ben Overholt who notched a goal and an assist against the Hilltoppers. Ford Edwards accounted for the other goal in Austin while Lucas King scored off a free kick from Greysen Adams in San Antonio.

SCOUTING SEATTLE PACIFIC
Seattle Pacific rolls into Golden with just one match under its belt after the second game was canceled due to inclement weather. The Falcons’ only result so far this season was a 1-1 draw at home against Sonoma State. Mario Vukic was responsible for the goal and Alden Massey took credit for the assist. Lars Helleren played all 110 minutes in goal and made 10 saves to preserve the draw. Overall, SPU took 16 shots and put eight of those on goal while also giving up 27 shots to the opposition with 11 on goal.

FUN FALCON FACTS
Falcons are considered birds of prey with about 40 different species and are present on every continent of the world except Antarctica. The falcons found in the state of Washington are two different types of Peregrine Falcon including Peale’s and Continental. Peregrine falcons have been clocked reaching speeds of 242 MPH while diving for prey. That would make them the fastest recorded animal ever. So that’s pretty neat. Also, while other birds of prey (hawks, eagles etc.) use their feet to kill their prey, falcons use their beaks with a little side tooth.

THE OREDIGGER CLUB
SUPPORTING MINES STUDENT-ATHLETES
The Oredigger Club is the Official Booster Club of Mines Athletics, providing financial support to more than 500 student-athletes at the Colorado School of Mines. This aid assists the Athletics Department in funding equipment, apparel, game staff, hospitality events, and more. Oredigger Club membership is open to all alumni, parents, and friends of Colorado School of Mines.
