Football game notes: vs. Concord University, Saturday, September 13, 2014

## This Week's Opponent: Concord

The Mountain Lions travel to Institute riding high after last week's 54-27 win over visiting Glenville State.

Sophomore quarterback Brian Novak threw for 304 yards and was named Mountain East Conference Offensive Player of the Week.

The last Concord quarterback to throw for over 300 yards in a game was Albert Rose in 2012. He is now a junior and has moved to wide receiver for the Mountain Lions.

That was Concord's highest offensive output since 2010. The Mountain Lions have now scored over 30 points in four straight games dating back to last season.

Concord pulled a little trickery last week when junior placekicker Andy Ellington hit Davon McGill for a 27-yard touchdown on a fake field goal attempt to make the score 23-6 in the second quarter.

The Mountain Lions return four linemen and four other defensive players after finishing third nationally a year ago in punts allowed per game (14.3) and yards allowed per game (268.1).

Including Novak all 11 offensive starters return this season. Key players on that side of the ball include junior running back Calvinaugh Jones who ran for 1,031 yards in 2013 and 97 last week against the Pioneers. Also back is senior center Rustin Mayorga, an All-MEC first team selection last year.

Novak's 21 completions in Concord's 36-3 win in 2013 were the most of any quarterback against the Yellow Jackets last season.

Head Coach Garin Justice  
 Career Record: 22-11 (3 years)  
 Last Year: 8-3, 7-2 in MEC  
 Picked to finish second in MEC this year

## The Yellow Jackets

The Yellow Jackets enter this week's contest with some momentum after defeating Lock Haven 19-14 in their opener.

Freshman quarterback Matt Kinnick made an impressive debut completing 24-of-35 passes for 230 yards with a touchdown and no interceptions.

The quarterbacks combined to throw seven picks in last year's meeting with the Mountain Lions in Athens.

Freshman running back Tevin Brown also came up big as he gained 129 yards on just 10 carries. That was the most yardage picked up by a WVSU back since Fabian Payne gained 138 against Seton Hill on October 1, 2011.

Brown's 57-yard scamper was longer than any run by a Jacket last season besting Josh Wade's 35 yard run against Notre Dame.

Another freshman, Quinton Gray, caught seven passes for 53 yards.

The Yellow Jackets contained the Concord ground game in last season's meeting, holding the Mountain Lions to 74 yards on 30 carries. WVSU also held an advantage in time of possession holding onto the ball for 31:59.

Last week's 451 yards of total offense was the most for a WVSU squad since the Yellow Jackets ran up 499 yards in a losing effort at Johnson C. Smith on September 3, 2011.

The Yellow Jackets have not opened a season 2-0 since 2008 when they went on to win their first five games and reach as high as #21 in the national rankings before finishing 7-3.

Concord turned the ball over five times against WVSU in last season's meeting.
