The diagram is a bracket-style tournament chart. It is oriented vertically, with the final outcome on the right side. The bracket is divided into two main sections: the top section for the winners and the bottom section for the losers. The top section starts with a match labeled 'A' (Laura Fitzgerald, ILS vs. Randi Wind, VU) and a match labeled 'B' (Fati Khamissi, MSU vs. Nolwenn Cardoso, SB). These lead to a match labeled 'E' (Megan Webb, DU vs. Randi Wind, VU) and a match labeled 'F' (Savanna Hunt, UNI vs. TheodoraSoldatou, UE). The winners of 'E' and 'F' meet in a match labeled 'H' to determine the 1st Place winner. The bottom section starts with a match labeled 'C' (Savanna Hunt, UNI vs. TheodoraSoldatou, UE) and a match labeled 'D' (Loser A vs. Loser B). These lead to a match labeled 'G' (Loser C vs. Loser D) and a match labeled 'I' (Loser E vs. Loser F). The winners of 'G' and 'I' meet in a match labeled 'J' to determine the 5th Place loser. The bracket is labeled with letters A through I for specific matches and rounds.
