Men's and Women's Swimming and Diving All-Centennial Team

In 2006-07, the Missouri Valley Conference celebrates a century of excellence as the nation's second-oldest NCAA Division I conference begins its second centennial as a leader in college athletics. As a part of the Centennial Celebration, The Valley is naming all-centennial teams for each of the Valley's sponsored sports. Team composition for the sport of women's swimming and diving was comprised of current and former student-athletes that met the following criteria: three or four-time all-conference athlete; specialty award honoree (swimmer/diver of the year) and all-conference athlete; remarkable performance at individual institution (record-breaking performance).

In the league's first 99 seasons, 32 members combined for 27 national championships, while 55 Valley student-athletes captured NCAA individual titles. In addition, Valley student-athletes and coaches earned 48 National Player or Coach of the Year honors in their respective sports. And the league had a myriad of student-athletes who collected All-America honors and earned national academic distinction in The Valley's first century.

WOMEN'S SWIMMING & DIVING: Bradley (1994-2002); University of Evansville; Eastern Illinois University (1983-1992); Illinois State University (1983-present); Missouri State University (1998-present); University of Northern Iowa (1984-present); Southern Illinois University (1983-present); Western Illinois (1983-1992).

MEN'S SWIMMING & DIVING: The Valley sponsored men's swimming and diving from 1924-1941. From 1942-46, there were no meets due to World War II. In 1947 through 1968, competition was held. Action returned in 1994 with men's meets held yearly in Carbondale, on the campus of Southern Illinois University with the final men's sponsored event in 2001-02.

WOMEN'S SWIMMING & DIVING 25-YEAR TEAM

The 2017-18 season is a landmark one for the Missouri Valley Conference and for women's sports. To help celebrate the 45th anniversary of Title IX and the 25th anniversary of women's sports, the Valley is naming 25-Year Anniversary Teams for each of the Valley's sponsored women's sports.

Team composition for each sport has been determined by a 25-person committee (two representatives from each MVC institution and a panel of five voters from the Conference office). The team composition includes years in which league teams competed under the MVC umbrella during the past 25 years (1992-2017) and does not include competition from the current season.

The Missouri Valley Conference was founded in 1907 and is the nation's second oldest Division I athletics conference. Women's sports were incorporated into the MVC in 1992, having previously competed under the Gateway Conference banner from 1982-92. In August 2017, the Conference announced its 2018 Hall of Fame Class, which featured three women (in the six-person class). A total of 22 women's athletes, coaches and pioneers have been honored by the MVC as part of the Hall.

The voting panel determined a 'Top 10' from a list of 25 finalists. Those top 10 honorees are listed below, and the top vote-getter is denoted.

Swimming & Diving (sponsorship from 1992-present): Eight different programs (including affiliate members) have sponsored swimming and diving in the Missouri Valley Conference during the past 25 years, including; Bradley (1994-2002); Evansville (1994-present); Illinois State (1992-present); Indiana State (2016-present); Missouri State (1998-present); Northern Iowa (1992-present); Southern Illinois (1992-present); and affiliate Arkansas-Little Rock (2013-present). Valparaiso also competes in swimming & diving. Valpo joined the Conference for the 2017-18 season.
