MISSOURI VALLEY CONFERENCE ANNOUNCES 2023-24 ACADEMIC AWARDS

ST. LOUIS – Two hundred twelve student-athletes highlight nearly 3,900 of those to earn selection to the 2023-24 Missouri Valley Conference Honor Roll, as announced by the league office. Those 212 student-athletes earned the league's highest academic achievement by capturing the Missouri Valley Conference Board of Directors Academic Excellence Award.

The Board of Directors Academic Excellence Award requires a minimum 3.8 cumulative grade point average, participation in athletics a minimum of two years, and the student-athlete must be within 18 hours of graduation (by the end of the Spring 2024 semester). Also, 1,117 student-athletes received the league's Commissioner's Academic Excellence Award, which requires a minimum grade point average of 3.5 for each of the previous two semesters, a minimum 3.2 cumulative grade point average, and participation in athletics a minimum of two years.

In addition, the Missouri Valley Conference has announced its 2023-24 Honor Roll, which recognizes academic achievement of student-athletes. To qualify for the Valley Honor Roll, a student-athlete must have recorded a minimum 3.2 grade point average for a specified term (Fall 2023/Spring 2024), must have been a member of an athletics team, and must have been enrolled full time during the term they earned the honor.
