STUDENT-ATHLETE CODE OF CONDUCT

Niagara University is strengthened by the high caliber of its student-athletes and the Department of Athletics is committed to promoting that strength with the guiding core values of integrity, commitment, and excellence.

To support our student-athletes and give them guidance through the challenges facing them, the University has adopted this Student-Athlete Code of Conduct. Each student-athlete is required to abide by this Code as they live, study, and compete at Niagara.

While it is hoped that student-athletes will draw inspiration from the ethics and values that are the foundation of this Code, make no mistake: THESE ARE THE RULES. Violations of this code are subject to discipline by the Department of Athletics as well as Student Affairs, Academic Affairs, or law enforcement.
I. STANDARDS OF CONDUCT

Student-athletes must comply with:

- The rules, policies and procedures found in the Niagara University Student Handbook.
- The rules, policies and procedures found in the Niagara University Undergraduate and Graduate Catalogs.
- Municipal, County, State and Federal laws, both civil and criminal.
- National Collegiate Athletic Association (NCAA).
- Metro Atlantic Athletic Conference (MAAC).
- Atlantic Hockey Association (AHA).
- The directions of their coach, trainer, and Department of Athletics staff.
- The rules set forth in this Code of Conduct.

Violation may result in discipline as described in Section VI below.

II. REPORTING OBLIGATION

Student-athletes must report their own violations, the violations of others, and the planning of events and actions that will result in violations of this Code. Reports should be made to the Head Coach, Director of Athletics or any of the Associate/Assistant Athletic Directors.

This reporting obligation is serious. Failure to abide by it will be an additional charge if a student-athlete is:

1. Subject to discipline for an incident he or she did not report.
2. Aware of a violation by another student-athlete.
3. Aware of a potential violation planned by others.

III. SPORTSMANSHIP

Student-athletes must bring honor to themselves, their team, their sport, their families, and Niagara University by exhibiting the highest level of sportsmanship.

“Sportsmanship” is respect for oneself, teammates, coaches, officials, opponents, and property. It requires self-control. It means refusing to be drawn into or encouraging fighting or arguing with officials. A student-athlete must accept defeat without complaint, victory without gloating and treat an opponent with respect. At Niagara University, sportsmanship is tied to the Vincentian mission of charity to others—especially when you win.
IV. RULES

NIAGARA UNIVERSITY ACADEMIC INTEGRITY POLICY

Academic dishonesty in any form will not be tolerated. The Niagara University Academic Integrity (“AI”) Policy is posted at www.niagara.edu/academicintegrity. Copying, cutting and pasting, plagiarizing, fixing grades, cheating on an exam or submitting fraudulent work are examples of academic dishonesty that can be disciplined under the university’s AI policy and this set of rules.

NIAGARA UNIVERSITY ALCOHOL POLICY

Abusing alcohol will not be tolerated. The Niagara University Alcohol Policy can be found at www.niagara.edu. Prohibited acts include possessing or consuming alcohol if under the age of 21; operating a motor vehicle while under the influence of alcohol; misrepresenting one’s age for the purpose of purchasing, possessing, or consuming alcohol; purchasing, furnishing, or serving alcohol to or for an underage person; and being dangerously intoxicated to the point where local law mandates being taken into custody.

NIAGARA UNIVERSITY AND NU ATHLETICS’ DRUG POLICIES

Abusing drugs will not be tolerated. The Niagara University rules on illegal substances can be found at www.niagara.edu. Prohibited acts include possessing, distributing, selling or using illegal substances as defined by law; using tobacco products during practice, competition or other team functions; and any acts as described in the NU Athletics Drug and Alcohol Policy. Student-athletes from each team will be drug tested throughout the year at random. Failure to appear at a drug test will be considered a positive test.

NCAA NUTRITIONAL OR DIETARY SUPPLEMENTS POLICY

Many nutritional/dietary supplements contain substances banned by the NCAA. In addition, the U.S. Food and Drug Administration does not strictly regulate the supplement industry. Therefore, the purity and safety of nutritional/dietary supplements cannot be guaranteed. Impure supplements may lead to a positive NCAA drug test and thus affect the eligibility of student-athletes. To avoid violation of this standard, student-athletes should contact the head coach, team physician, athletic trainer and/or consult the list of banned drugs as described in NCAA Division Bylaws.

HAZING

Hazing activities are strictly prohibited. Niagara University interprets hazing as any act, whether physical, mental, emotional or psychological, which subjects another person, voluntarily or involuntarily, to anything that may degrade, humiliate, harass or intimidate the person. In addition, any activities which compel another person to participate in any activity which is against university policy or state/federal law will be defined as hazing. Examples include, but are not limited to, the following:

Initiation activities where there is an expectation of individuals joining a particular team to participate in behavior designed to humiliate, degrade or abuse them regardless of the person’s willingness to participate.

- Forcing, requiring or pressuring an individual to consume alcohol or any other substance.

The Department of Athletics disciplinary process supplements the University judicial process. Sanctions levied by Athletics may occur over and above those levied by the Dean of Students Office. Sanctions will vary depending on the type and circumstances of the violation, but may include loss of eligibility and/or scholarship.

When the Department of Athletics becomes aware of an alleged violation of this Code of Conduct, the Director of Athletics or designee will take reasonable steps to verify the validity, reliability, and accuracy of the report. These steps may include interviews of students, employees and non-University persons having knowledge of facts; examination of documents; and other steps necessary for the AD to determine the merits of the report.

Upon completion of the review, the Director shall issue appropriate discipline. At that time, any previous violations of the Code, or any other Standards of Conduct, shall be a factor in determining the gravity of the discipline. Possible sanctions include but are not limited to:

- Warning: Issuance of a written warning.
- Probation: Special status with conditions imposed for a limited time.
- Community Service: As required by the Director.
• Restitution: Payment for damaged property.

• Expulsion: Permanent removal from a team and/or Athletic Department activities.
• Withdrawal of Financial Aid: Termination of athletic-related financial aid at first opportunity allowable by NCAA regulations.

Referral to Counseling: Student-athletes, who in the judgment of the Director of Athletics require professional counseling, will be referred to appropriate counseling resources. It is the student-athlete’s responsibility, and financial obligation, to meet this requirement before returning to the team as a member in good standing.

VII. ATHLETICS APPEAL POLICY

Student-athletes wishing to appeal removal/reduction of athletics financial aid or disciplinary actions should notify the Dean of Students and review the Student-Athlete Appeals Policy found on the policies website; http://policies.niagara.edu/.

The Athletics Drug Testing policy can be found in the Athletic Training section of http://www.purpleeagles.com/. Student-athletes from each team will be drug tested throughout the year at random.
