Dear Highlander Fans and Supporters,

Compliance with National Collegiate Athletics Association (NCAA) rules is one of the highest priorities for New Jersey Institute of Technology. As a member of the NCAA, we are responsible for ensuring that our faculty, staff, coaches, student-athletes, alumni and friends abide by all rules and regulations set forth by the Association.

The following website has been designed to be a quick reference to the many NCAA rules that apply to our supporters - [http://njithighlanders.cstv.com/compliance/njit-compliance-booster-rep-athletics-interest.html](http://njithighlanders.cstv.com/compliance/njit-compliance-booster-rep-athletics-interest.html).

Please take a moment to review the website and the “NCAA Rules for Alumni, Faculty and Friends” brochure to familiarize yourself with some of the rules governing NJIT athletics and other groups with relationships to our programs and student-athletes. Since the information on the website or in the brochure cannot cover all possible situations, please call the Office of Compliance at (973) 596-5278 if you have any questions or concerns before you act. Please be aware that even the most inadvertent and well-intentioned activity on your part has the potential to violate NCAA rules and jeopardize the eligibility of enrolled and prospective Highlander student-athletes.

NJIT is proud and grateful to have your loyal support and continued interest in our athletic programs. As we strive for excellence, we must seek the highest standard of ethical conduct. With your assistance and cooperation, we believe we can accomplish both of these goals.

Best regards,

Lenny Kaplan
Director of Athletics
New Jersey Institute of Technology

*Go Highlanders!*
