WELCOME TO THE 2013 NORTHEAST CONFERENCE WOMEN'S SOCCER CHAMPIONSHIP

NORTHEAST CONFERENCE FANS:

Welcome to the 2013 Northeast Conference Women's Soccer Championship!

The Conference and host Saint Francis University hope to make this event a memorable experience for student-athletes and fans alike. The NEC women's soccer student-athletes you will see this weekend have worked extremely hard this fall to earn one of the coveted spots in the tournament, and we anticipate two exciting days of competition to crown the 2013 NEC champion.

Consisting of 10 institutions of higher learning located throughout six states, the NEC is committed to providing opportunities for student-athletes to achieve their fullest potential both in athletic competition and in the classroom, as well as becoming an NCAA Division I leader for athletic success, academic achievement and integrity, sportsmanship, equity and diversity, community partnership and national engagement. NEC member institutions include Bryant, Central Connecticut, Fairleigh Dickinson, LIU Brooklyn, Mount St. Mary's, Robert Morris, Sacred Heart, St. Francis Brooklyn, Saint Francis U and Wagner.

NEC institutions span a number of diverse locations, from the urban bustle of the New York metro area, to the rural settings of Loretto, PA and Emmitsburg, MD, to suburban New England. But when it comes to intercollegiate athletics, the goal of the NEC is consistent - to provide its members the opportunity to participate in quality competition at the Division I level while operating programs that are fully integrated in the academic mission of each institution. The NEC's commitment to academic excellence has translated into national recognition for both individual student-athletes and the league's member institutions as a whole. NEC student-athletes consistently graduate at well above the national average and its athletic programs continue to be honored for their Graduation Success Rate (GSR) and Academic Progress Rate (APR) figures. On a conference-wide level, the NEC's 4,000+ student-athletes averaged a record-high 3.18 GPA for the 2012-13 academic year and nine of the league's 10 core member institutions finished the year with at least a 3.0 GPA. A record 2,339 student-athletes were named to the NEC Academic Honor Roll and nearly 600 were named to the Commissioner's Academic Honor Roll with GPAs of 3.75 or higher.

On the field of play, the NEC has enjoyed many successes both regionally and nationally, competing in 22 NCAA championships each year. In women's soccer, the NEC has produced a number of All-Americans and Academic All-Americans.

Attempting to revolutionize the way its fans follow and interact with their favorite teams, the Conference launched NEC Front Row in 2012. The state-of-the-art digital network offers free live and on-demand programming, as well as inside access to the NEC and its student-athletes on the field, in the classroom, across campus, and in the community. I encourage those in attendance to tune in to this weekend's broadcasts on your mobile device.

We are also bursting with #NECPride, a hashtag that we encourage fans to use in all forms of social media. #NECPride is about having pride in your team, your school and the will to succeed both on and off the field.

Thank you, the fans, for your #NECPride, support and tremendous enthusiasm of the sport of cross country. Enjoy the action!

Sincerely,

A handwritten signature in black ink that reads "Noreen Morris".

Noreen Morris, Commissioner
