NOTES FROM AROUND THE LEAGUE

Belmont Joins the League: Belmont officially joins the league this year bringing the Ohio Valley Conference to 12 teams for the first times. Belmont competes in 17 sports (8 men's sports and 9 women's sports), 16 of which will compete in the OVC (the exception being men's soccer which is not sponsored by the OVC). The Bruins have competed in the Atlantic Sun Conference since 2001-02 and will compete in its final year in that league in 2011-12 before joining the OVC. Since 2001-02 Belmont has won 30 Atlantic Sun Championships, the second most in the conference. Bruins athletic teams have made recent NCAA Tournament appearances in men's and women's basketball, women's soccer, men's tennis and volleyball.

SIUE full Division I Member: After the past five seasons of reclassification, SIUE is now a full Division I member and will be eligible for postseason play. In its first season with a full OVC schedule, the Cougars posted a 12-4 record and would have been the third seed on the league tournament.

OVC Hosting the 2014 Women's Final Four: The OVC and the Nashville Sports Council will host the 2014 NCAA Division I Women's Basketball Final Four. The event will be held at the Bridgestone Arena. In conjunction with the Final Four, Nashville will also host the Women's Basketball Coaches Association (WBCA) National Convention. The WBCA is the national association of approximately 5,000 basketball coaches representing all levels of the game, including junior high, AAU, high school, college and professional.

OVC Women's Hoops on Monday Nights: OVC women's basketball will again be featured on Monday night's. The league approved in 2011 to move away from the men's/women's Thursday night doubleheaders and move the women's games to Monday night.

OVC Basketball to Play in Divisions: With the addition of Belmont and with SIUE gaining full Division I status and becoming eligible for postseason competition, the OVC will feature 12 schools in the sports of men's and women's basketball, softball and volleyball for the first time this coming year. The league announced in February its intention to use a divisional scheduling model for the sports that featured 12 member institutions. The East Division will include Belmont, Eastern Kentucky, Jacksonville State, Morehead State, Tennessee State and Tennessee Tech while the West Division will include Austin Peay, Eastern Illinois, Murray State, Southeast Missouri State, SIUE and UT Martin. In the sports of men's and women's basketball, the top team in each division based on conference winning percentage automatically earns a berth into the OVC Basketball Championship. The next six teams with the highest conference winning percentage will also earn a bid, regardless of division. The No. 1 seed will go to the divisional winner with the top conference winning percentage, while the No. 2 seed will automatically go to the other divisional winner. The remaining six teams will be seeded 3-8 by conference winning percentage, regardless of division.

OVC Associate Commissioner Named to NCAA Women's Basketball Committee: Brad Walker, the Ohio Valley Conference's associate commissioner for operations/chief operating officer, has been appointed to the NCAA Division I Women's Basketball Committee. Walker and Wisconsin senior associate athletic director Terry Gawlik are the new additions to the 10-person committee. This year's chair is Carolayne Henry, associate commissioner of compliance at the Mountain West Conference. Walker's term officially begins in September and will last for five years.

OVC Digital Network: The Ohio Valley Conference has launched the OVC Digital Network (www.OVCDigitalNetwork.com), the new and improved home for live streaming of athletic contests involving OVC member institutions. One of the top new features of the Digital Network is that all events will be offered free for fans. The events will also feature improved quality with most events streaming in high definition (HD). Fans will also have easier access to the streams, easily accessing them through links at OVCDigitalNetwork.com without any registration being required. The streams will be available on any computer, tablet or smart phone without any app or software download thanks to the use of HTML5 technology. The portal also includes live stats and social media integration to give fans even more interaction. The streaming efforts will concentrate on football and men's and women's basketball in the first year, with all home non-conference and conference contests featuring OVC schools in those sports airing on the platform.

COACHES TELECONFERENCE

During the regular season there will be two teleconferences featuring the league's 12 head coaches. The teleconferences will take place on Jan. 16 and Feb. 13 at 10:00 a.m. CT. A schedule of what time the coaches will appear is below.
