ntering its 61st year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference. In 2008, for only the second time in the past decade, the Conference expanded by adding Southern Illinois University Edwardsville as the league's 11th member. The move expanded the OVC's geographical footprint to the St. Louis market and marked the first change in membership since expanding to the state of Alabama (Jacksonville State, Samford) in 2003.

The OVC's proud past dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles (Turkey) Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

The first Division I-AA football playoff (which is now known as the Football Championship Subdivision) was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Eastern Kentucky would go on to win the national championship in each 1979 and 1982.

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 13 OVC Tournament Championships are the most among all OVC schools.

Through its 60 years, 11 teams have won or shared the league's men's basketball title. Murray State heads the list with a Conference-record 20

outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Southeast Missouri State (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and Tennessee-Martin. Current Austin Peay head coach Dave Loos ended the 2007-08 season with 295 victories, the most all-time at Austin Peay and third most in OVC history (behind Luther and Diddle).

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84) and Tennessee State's Carlos Rogers (1992-93, 1993-94).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin's Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Bapist College.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women, but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 16 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 19 times in the past 27 years. Although Tennessee Tech remains the standard-bearer, four other teams have won 11 of the last 15 OVC Tournaments. Murray State became the latest program to add its name to the list, capturing its first OVC Tournament title in 2008. Austin Peay leads the quartet with five crowns, including four straight from 2000-03, while Tennessee State, Eastern Kentucky and Southeast Missouri each have won titles during that span.

Several coaches have made their mark in the relatively short history of OVC women's basketball. Former Tennessee Tech coach Marynell Meadors posted an amazing 363-139 (72.3%) record at Tech, becoming the first woman in NCAA or AIAW history to win 300 games at the same institution, while former Tennessee State skipper Teresa Phillips earned National Coach of the Year honors from *USA Today* in 1990 for turning around the Lady Tigers' program before going on to lead TSU to the NCAA Tournament in 1994 and 1995. Tennessee Tech coach Bill Worrell capped a stellar 20-year career in 2005-06 and was inducted into the OVC Hall of Fame in 2007; he compiled a 408-190 record while leading the Golden Eagles to an unprecedented 16 OVC regular-season titles and eight NCAA Tournament appearances, including five straight from 1989-93. Eastern Kentucky's Larry Joe Inman, who retired at the conclusion of the 2007-08

season, has won more than 100 games at both Middle Tennessee and EKU, and has earned OVC Coach of the Year honors a record eight times - five times at EKU and three at MTSU. He finished his career with 480 career victories

Many great players have graced the hardwood over the years, including former OVC Players of the Year Brooke Armistead and Gerlonda Hardin from Austin Peay, Pam Chambers, Jerilynn Harper, Cheryl Taylor, Angela Moorehead, Roschelle Vaughn, Diane Seng, Janet Holt and Emily Christian from Tennessee Tech; Morehead State's Donna Murphy and Priscilla Blackford, Eastern Kentucky's Kim Mays and Southeast Missouri's Gray C. Harris.

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

Over its 60 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Ölympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats

such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player Tony Romo (Eastern Illinois), baseball players Jamie Walker (Austin Peay) and George Sherrill (Austin Peay) and professional golfer Jeff Sluman (Tennessee Tech).

The playing field isn't the only place where OVC athletes are working

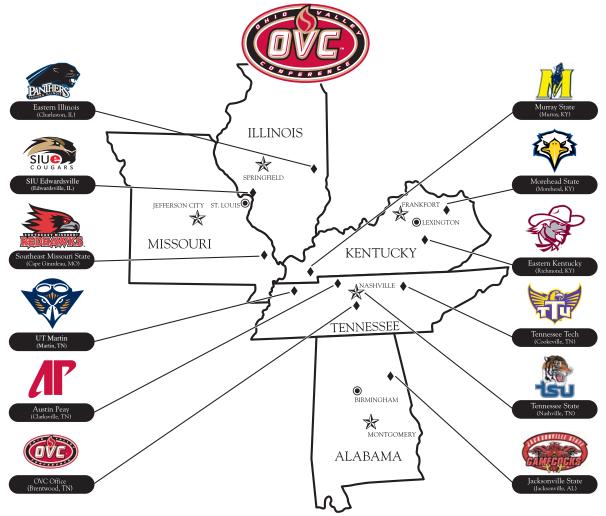

The playing field isn't the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic achievement Award, as well as separate team awards in each Conference-sponsored sport.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its sixth decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

A LOOK AT THE OVC

OVC HONORS AND AWARDS

The Ohio Valley Conference implemented a first-of-its-kind "Sportsmanship Statement," a policy promoting fair play, ethical conduct and respect for one's opponent in 1995. The statement answered a challenge of the NCAA Presidents Commission to improve sportsmanship in college athletics, and has become a model for others to follow across the nation.

The development of the OVC sportsmanship statement began in June 1993 at the direction of the league's presidents. A committee made up of athletics directors and faculty representatives drafted the initial statement. and all coaches and other administrators had the opportunity for input. The statement sets forth expectations for spirit groups, officials and fans, as well as the student-athletes and coaches. Here is a brief synopsis of each group's expectations within the sportsmanship statement.

Administrators: Institutional administrators will create an environment of hospitality for visiting teams, particularly for those individuals at Conference institutions. Administrators will treat the visiting teams and its fans in the same manner that they would want their teams to be treated.

Coaches: Coaches have the greatest amount of influence over whether young people in their programs are taught and follow the high principles of sportsmanship. The OVC has been benefited by coaches who have risked losing a contest by removing student-athletes who have demonstrated disrespect for their opponents. This discipline measure educates that individual about the importance of sportsmanship over participation and winning, and helps counteract the constant messages received from many professional athletes who demonstrate a lack of respect for opponents.

Student-Athletes: Student-athletes at OVC institutions will be expected to treat opponents with sportsmanship, and there will be no tolerance for taunting and baiting of opponents. OVC student-athletes must understand that they are perhaps the most visible representatives of their institutions and their behavior is observed and emulated by many who are younger. OVC student-athletes must honor the responsibilities that accompany the privilege of representing our schools by behaving with dignity and class on and off the field.

Spirit Groups: Like our student-athletes, spirit groups are visible representatives of our universities, and they are expected to show decent behavior. Cheerleaders, bands and other spirit groups are admitted to contests to support their teams and assist in creating a fun atmosphere, but they will not be allowed to disrupt or confront opposing teams.

Officials: Officials will enforce the rules regarding sportsmanship without tolerance for abuse. Players and coaches will receive their only warning prior to the contest, and once the contest begins, penalties will be assessed for violations of unsportsmanlike conduct.

Fans: We know all fans are embarrassed by the inappropriate behavior of a few who may engage in confrontational and threatening actions towards officials, visiting fans, players or coaches. Those individuals may be dismissed to provide a better environment for others.

The Conference believes that the effort to meet the expectations outlined in the sportsmanship statement will increase the attractiveness at our athletics events by creating a healthy environment for competition. A complete copy of the sportsmanship statement can be obtained by calling the OVC office at (615) 371-1698.

The OVC has a variety of awards to recognize sportsmanship by its student-athletes, coaches, administrators and teams. In 1998, the OVC established the Steve Hamilton Sportsmanship Award, presented annually

to a male or female junior or senior student-athlete who best exemplifies the characteristics of the former Morehead State student-athlete, coach and administrator. Hamilton is the only individual to have ever played in a NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a National Basketball Association Championship Series (Minnesota Lakers).

In 2003-04 the League began awarding the Institutional Sportsmanship Award, given to the OVC member institution selected by its peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA. In 2005-06 the League expanded the sportsmanship award program by adding the Team Sportsmanship Award. An award is given to each sport sponsored by the OVC and is voted on by the student-athletes and coaches of the respective sports.

Dr. Jon A. Steinbrecher - Commissioner

Dr. Jon A. Steinbrecher enters his sixth year with the Ohio Valley Conference after becoming the league's sixth commissioner on May 5, 2003. Prior to joining the OVC, Dr. Steinbrecher served nine years as the commissioner of the Mid-Continent Conference (now known as the Summit League) and boasts a wide range of experience in collegiate athletics with an impressive list of accomplishments.

In his first five years with the OVC, Dr. Steinbrecher has significantly increased the league's exposure through additional television coverage at the regional and national level. In 2005, he negotiated a five-year contract with ESPN that secured increased exposure for the league. That included being the first conference to sign a deal to have games appear on ESPNU, ESPN's 24-hour college sports network; the OVC had the first sporting event broadcast on that network (the 2005 OVC Men's Basketball Tournament Semifinal).

Steinbrecher secured an invitation for the OVC to participate in ESPN's BracketBusters event, something every team has done in each of the past three years. He also implemented Conference merchandising and corporate partner programs and in February 2008 negotiated a five-year agreement with IMG College to manage the OVC's multimedia rights and sponsorship sales.

In July 2006 Steinbrecher helped spearhead a venture into streaming video with the launch of OVCSports.TV. The multimedia platform, in association with JumpTV Sports, provides live and on-demand coverage of every OVC football and men's and women's basketball game as well as selected other sports, coaches' shows, press conferences and special events. In its two years of existence, OVCSports.TV has streamed over 800 events and recorded nearly 5,000 paid subscribers. The league's official Web site – OVCSports.com – also experienced unprecedented growth over the past year, as it registered just under 1.4 million page impressions during the school year.

In June 2008 Steinbrecher announced the addition of Southern Illinois University Edwardsville to the Conference's membership. The institution, which became an official member of the Conference on July 1, gave the Conference a geographic footprint in the St. Louis media market and gave the league 11 member institutions.

Under his leadership, the league has re-emphasized its commitment to sportsmanship by implementing a series of good sports initiatives, including affidavits signed by coaches and administrators, student-athlete ethical conduct orientation and an institutional and team sportsmanship awards. Dr. Steinbrecher also initiated a Conference Basketball Issues Committee and oversaw increased promotional efforts for the OVC Basketball Tournament, which resulted in an increase in ticket sales revenue.

In addition to his work at the Mid-Con and OVC, Dr. Steinbrecher has served on several prominent NCAA committees, including the Division I Basketball Issues Committee, serving as a member of subcommittees for both men's and women's basketball, and in 1999 he became the first non-Division I-A commissioner elected as president of the Collegiate Commissioner's Association (CCA). In June 2007, he was appointed to the NCAA Division I Men's Basketball Academic Enhancement Group by NCAA President Myles Brand; the group is charged to develop strategies to enhance academic performance and graduation rates in Division I men's basketball. In September 2008 he will begin a three-year term on the NCAA Division I Legislative Council.

Dr. Steinbrecher has also served as Division I-AAA vice president of the CCA and as a member of the National Invitation Tournament's District IV Advisory Board. He currently serves on the NCAA's Division I Committee on Athletics Certification. In addition, he served a one-year term as the Division I-AA vice president of the CCA.

Prior to being named Mid-Continent Conference Commissioner in Nov. 1994, Dr. Steinbrecher had previously served the league as Director of Communications, Director of Marketing and Communications and Assistant Commissioner. He joined the Mid-Con staff in 1989 after previously serving in the athletic departments at Houston Baptist University, Indiana University and Davidson College.

Dr. Steinbrecher is a 1983 graduate of Valparaiso University, where he earned a bachelor of science degree in physical education and journalism. In 2006 he was bestowed an Alumni Achievement Award from his alma mater. Steinbrecher graduated with a master's degree in sports administration from Ohio University in 1984, and he was awarded the doctorate of physical education in sports administration from Indiana University in 1989.

An all-conference and academic all-conference selection in football and a conference champion in tennis, Dr. Steinbrecher was named Valparaiso's and the Heartland Collegiate Conference's Student-Athlete of the Year in 1983. In 2006 he was inducted into the Watauga County (N.C.) Sports Hall of Fame.

Active in the community, Dr. Steinbrecher is the past chair of the Board of Education at Our Savior Lutheran Academy in Nashville. He is also a member of the Board of Directors and Executive Committee of the Nashville Sports Council, serving as the chair of the Events Committee.

Dr. Steinbrecher and his wife Anne have three children, daughter Grace and twin sons Matt and Will.

It was at SEMO that Schwartz received his master's degree in athletic administration, graduating with honors. Schwartz received his bachelor's degree in business administration from the University of Kentucky in May 2000, graduating cum laude. As an undergraduate, he interned with the Host Communications publishing group and also worked with the Kentucky Thoroughblades minor league hockey team.

Schwartz, a native of Flemingsburg, Ky., is a member of the College Sports Information Directors of America (CoSIDA) and has served on CoSIDA's Academic All-American committee as a district coordinator since June 2003. Schwartz and his wife, Angella, were married in June 2004.

Jennifer Gibbs - Asst. Commissioner/Championships

Jennifer Gibbs begins her third year with the Ohio Valley Conference, having joined the staff in October 2006 as assistant commissioner for championships. In addition to overseeing the administration of the OVC's 18 championship sports, Gibbs also serves as the Conference Senior Woman Administrator, as well as the staff liaison to select coaching groups and officiating coordinators. Prior to joining the Predators, Gibbs was a championships assistant with the Sun Belt Conference, where she was involved in all facets of coordinating the league's championship events.

A native of Port Edwards, Wis., Gibbs received her post-secondary and graduate education at the University of Wisconsin-La Crosse, where she was awarded an undergraduate degree in sport management and a master's degree in sport administration. While attending the master's program at Wisconsin-La Crosse, Gibbs served as a graduate assistant in the athletics department, assisting with event management. She also spent seven years as the aquatics coordinator for the city of La Crosse, managing the day-to-day operations for five aquatic facilities.

Jennifer and her husband Matt were married in August 2008.

Jackie Mynarski - Asst. Commissioner/Institutional Services

Jackie Mynarski was named the Assistant Commissioner for Institutional Services on May 11, 2007. In a vote of Ohio Valley Conference head men's basketball coaches and sports information directors, **Murray State** was picked as the 2008-09 preseason favorite in the 10-team league. The Racers, who received 11 of 20 first-place votes, finished second in the OVC last season (13-7) and return nine players and four starters from the team. It marks the 12th time in the last 20 years that Murray State has been picked the preseason favorite and first time since the 2005-06 season.

UT Martin received six first-place votes and was a close second in the voting. It marks the highest preseason ranking the Skyhawks have received since joining the OVC in 1992. Previously UTM had been picked no higher than sixth in the preseason predictions (four different times). The Skyhawks return senior guard Lester Hudson, the Preseason Player of the Year, after an All-American season in which he finished fifth nationally in scoring (25.7 points/game).

Defending champion Austin Peay received two first-place votes and was tabbed third while Morehead State received one first-place vote and was picked fourth, it highest preseason pick since 2003-04. Tennessee State was picked fifth, followed by Tennessee Tech, Eastern Kentucky, Southeast Missouri State, Eastern Illinois and Jacksonville State.

Preseason Player of the Year Lester Hudson, UT Martin

The 2008-09 All-OVC Preseason Men's Basketball team was headline by UT Martin senior guard **Lester Hudson**, the 2007-08 OVC Player of the Year. Hudson was tabbed a nearly unanimous Preseason Player of the Year. Overall seven different schools were represented on the team with Morehead State, Tennessee State and UT Martin each placing two individuals on the team. The team included six seniors, a junior and three sophomores and three repeat selections from last year's All-OVC squads.

Hudson finished last year ranked in the Top 10 nationally in each points per game (25.7 - 4th), steals (2.8 - 4th) and 3-pointers made per game (3.8 - 10th). He also became the first Division I men's basketball player to record a quadruple-double in a game. Hudson was joined by two other players who were selections on the 2007-08 All-OVC team - Austin Peay forward **Drake Reed** (the 2006-07 OVC Player of the Year and last year's preseason Player of the Year) and Eastern Kentucky guard **Mike Rose**. Reed averaged 14.4 points and 5.6 rebounds per game last season while leading APSU to the OVC regular season and tournament championships. Rose led EKU with 15.3 points per game while also adding 4.4 rebounds, 2.2 assists and 1.8 steals per game.

All five individuals who were named to the OVC All-Newcomer Team last season made this year's preseason team. That includes Hudson, his UT Martin teammate Marquis Weddle, Morehead State's Leon Buchanan and Kenneth Faried and Tennessee State's Gerald Robinson.

Rounding out the Preseason All-OVC team was Tennessee State's **Jerrell Houston**, Tennessee Tech's **Daniel Northern** and Murray State's **Danero Thomas**.

2008-09 OVC MEN'S NOTES/PREVIEW

The Season is Here: The 2008-09 season marks the 61st of competition for the Ohio Valley Conference. Over the previous 60 years, 11 different teams have claimed an OVC regular season championship, including three different schools in the past four years.

Preseason Predictions: Is being picked the preseason favorite, always a good thing? Over the past 29 years of preseason polls that were available, the league's head coaches and sports information directors correctly pick the eventual OVC regular season champion 62 percent of the time, picking the correct winner 18 times over the last 29 years. Over the past nine years, the preseason poll has correctly picked the winner every other year. Last season the poll correctly picked Austin Peay to claim the championship.

<u>Year</u>	Predicted Champion	Actual Champion

2000-01	Austin Peay	Tennessee Tech

2005-06	Murray State	Murray State
2006-07	Samford	Austin Peay
2007-08	Austin Peay	Austin Peay

A New Face: Jacksonville State's James Green is the lone new coach in the OVC last year, as he takes over the Gamecock program after previously coaching at Mississippi Valley State.

Moving up the Coaching Victory Chart: Austin Peay head coach Dave Loos enters the season with 295 victories while a member of the OVC, the third most all-time in league history. Last season three coaches reached the 100-win plateau while in the OVC, including Bret Campbell (103 wins at UT Martin), Scott Edgar (102 wins in stints at Murray State and Southeast Missouri) and Mike Sutton (102 wins at Tennessee Tech).

SIU Edwardsville Joins the OVC: On July 1 Southern Illinois University Edwardsville became the 11th member of the Ohio Valley Conference. SIU Edwardsville, who is in the reclassification process to Division I, will begin regular season competition in the OVC during the 2011-12 academic year and will be eligible for postseason competition in 2012-13. The exception is the SIUE softball program, which will be eligible for both regular season and tournament competition in 2010-11; the softball program was the department's women's sport designee to be fast-tracked to Division I, making it eligible to compete at Division I prior to other SIUE sports. SIUE is located in Edwardsville, Ill., which is just northeast of St. Louis (the 18th largest media market in the United States.

Replay Systems for OVC Basketball Venues Enter Year Two: On Dec. 21, 2007, the Ohio Valley Conference mandated the use of courtside replay systems at all OVC basketball venues. The systems were put into place in January and used through the end of the 2007-08 season. The systems are used in situations that are outlined by NCAA rules.

A New Award: The Ohio Valley Conference will award a Defensive Player of the Year award at the end of the season for the first time ever. The award will be voted on by the league's head coaches and sports information directors.

OVC Players in the Pros: As of September 2008, there was one former Ohio Valley Conference player on an NBA roster - Austin Peay's Trenton Hassell. Hassell will enter his eighth season in the NBA and second with the New Jersey Nets. He also played with the Chicago Bulls (who drafted him 30th overall in the 2001 Draft and where he played two seasons), Minnesota Timberwolves (four seasons) and Dallas Mavericks (37 games in 2007-08). During his 539-game career he has averaged 6.2 points, 2.8 rebounds and 1.9

assists per game while hitting 44.7 percent of his field goal attempts.

A Look Back to 2007-08: For the second consecutive year the Austin Peay Governors claimed the OVC Regular-Season Championship but this time around the team completed the sweep and also claimed the tournament crown. After losing in the tournament championship game on a last-second shot in 2007, Austin Peay finished the job and topped Tennessee State 74-54 to claim their fifth OVC Tournament Championship. APSU would go on to play No. 2 seed Texas in the NCAA Tournament, falling to the Longhorns in the game played in Little Rock, Ark. Over the past two seasons the Govs have compiled a 32-8 OVC record. UT Martin guard Lester Hudson was named an All-American by several outlets after having an outstanding year. Hudson became the first Division I men's player to record a quadruple-double in a game when he had 25 points, 12 rebounds, 10 assists and 10 steals in a win over Central Baptist College. He also broke the OVC single-season record for 3-pointers made (124) in a season and finished in the Top 100 nationally in each points, rebounds, assists, steals and 3-pointers made/game - the only Division I player to accomplish that feat. He declared for the NBA Draft but decided to return to school following pre-draft workouts. Hudson's teammate Marquis Weddle was named to OVC Freshman of the Year while Morehead State's Donnie Tyndall took home Coach of the Year honors.

OVCSports.TV: For the third consecutive year, fans can watch nearly every Conference matchup and all non-conference home contests this season at OVCSports.TV. The venture with JumpTV Sports allows fans to access live and on-demand streaming video and audio of conference matchups (excluding only national television games which are not available) on their home computer. The premium Web site was launched in July 2006 and has streamed nearly 1,000 events in its first two years, including all Conference matchups in football and men's and women's basketball as well as select baseball, soccer, softball and volleyball games and OVC Championship events. Packages are available on a yearly, seasonal, monthly or per-event basis.

UT Martin guard Lester Hudson was named the 2007-08 OVC Player of the Year and an All-American after an all-around great season. Hudson, who became the first Division I men's player to become a quadruple-double in a game during the year, ranked fifth nationally in points per game (25.7), fourth in steals (2.8) and 10th in 3-pointers made per game (3.8). Overall Hudson was the only player in Division I to rank in the Top 100 in points, rebounds, assists, steals, 3-pointers made, free throw percentage and 3-point percentage. His 124 3-pointers made also set an OVC single-season record.

2009 matchups will be announced on February 2, 2009

ESPNU BRACKETBUSTERS

ESPNU BracketBusters Format: In its seventh year, ESPNU BracketBusters is an ESPN television property that was tremendously successful with its first six events in February of 2003, 2004, 2005, 2006, 2007 and 2008. The event has allowed Division I conferences to participate in a cutting-edge format that involves "wild card" pairings from the pool of participating teams, with half of the ESPNU BracketBusters teams pre-designated as "home" and the remaining half as "road" teams.

OVC Schools in the Event: For the fourth straight year, all 10 Ohio Valley Conference schools will participate in the ESPNU BracketBusters series. Five schools will host games this season while the other five will go on the road. Austin Peay has competed in the most BracketBusters games (5) while UT Martin is the only team with a perfect record in the event (3-0).

What Makes ESPNU BracketBusters Different From Other Events: What sets ESPNU BracketBusters apart from the other made-for-television events is that the pairings of teams is not pre-determined. The actual pairings take place three weeks in advance of the event, and those matchups are determined on the basis of regular season play. Another important component for ESPNU BracketBusters participants is future scheduling. Each team that participates in any given year agrees to enter into a home-and-home series with its to-benamed opponent. The return game of each series is made in November or December in the season following the BracketBusters game. This return game allows for the completion of the two-game series contract and is not part of the ESPNU BracketBusters event in that second year.

BracketBusters Pool Versus Field: The ESPNU BracketBusters pool is defined as the original 102 participating teams prior to the pairing of teams for the television package. The ESPNU BracketBusters field is defined as the 26 teams chosen for the 13 games televised on the ESPN family of networks (ESPN2, ESPNU and ESPN360).

2009 ESPNU BracketBusters Pool: This year's *BracketBusters* pool features teams with 77 appearances in the last five NCAA Tournaments, including a team in the Final Four - George Mason (2006); one in the Elite Eight – Davidson (2008); and six Sweet Sixteen squads – Butler (2007), Southern Illinois (2007), Bradley (2006), Wichita State (2006), UW-Milwaukee (2005) and Nevada (2004).

2009 ESPNU BracketBusters Evaluation and Pairings Process: The evaluation and pairings of teams for the ESPN television package will be made by the staff of ESPN, in consultation with the commissioners of participating conferences. Consideration will be given to avoiding matchups of conference teams and matchups of any teams that have already met during the current season. ESPN, in consultation with the conference commissioners, will make pairing decisions on Sunday, February 1, and those selections will be announced on Monday afternoon, February 2. The selection of ESPN networks and start times will not be announced until a week later.

2008 NCAA Tournament Field: Last year's ESPNU BracketBusters pool including 14 team who earned berths into the NCAA Tournament: Austin Peay, Boise State, Butler, Cal State-Fullerton, Davidson, Drake, George Mason, Kent State, Portland State, Saint Mary's, San Diego, Siena, UMBC and Winthrop. Those teams compiled a 6-14 overall record as Davidson defeated Gonzaga, Georgetown and Wisconsin reached the Elite Eight, Butler defeated South Alabama, Siena defeated Vanderbilt and San Diego defeated Connecticut.

OHIO VALLEY CONFERENCE SCHOOLS PARTICIPATE N THE SEVENTH ANNUAL

ESPNU BRACKETBUSTERS

February 20-21, 2009

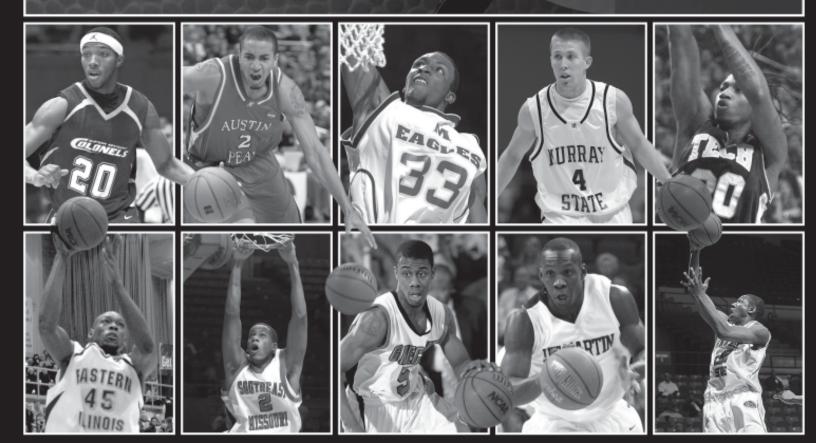

A total of a 102 teams – representing 17 collegiate athletic conferences – will compete in the two-day event (February 20-21, 2009), with the entire ESPNU BracketBusters slate of matchups to be announced on February 2. From the Ohio Valley Conference, Eastern Kentucky, Murray State, Southeast Missouri State, Tennessee State and UT Martin will serve as host schools, while Austin Peay, Eastern Illinois, Jacksonville State, Morehead State and Tennessee Tech will play on the road.

Of the 51 games, a total of 13 will be televised nationally on either ESPN2, ESPNU or ESPN360.com. Six games will air on ESPN2, five on ESPNU (ESPN's 24-hour college sports network) and two on ESPN360.com - ESPN's customized broadband service.

This marks the sixth consecutive year that at least one OVC member institution has participated in the event and the fourth consecutive year that all 10 schools have participated. Over the past five years, the Conference has posted a record of 13-22 in ESPNU BracketBusters series action, led by UT Martin's perfect 3-0 mark (with wins over Evansville, Saint Peter's and Elon). TEAM NOTES

- · Eastern Illinois lost four starters off last year's team. The only returning full-time starter is junior center Ousmane Cisse who had 18 blocked shots a year ago. The team has eight newcomers this season. The program's recruiting class was ranked No. 67 nationally (and tops in the OVC) by HoopScoop.com.
- One returning player who will be a starter this season is junior guard Romain Martin. Martin, the 2006-07 OVC Co-Freshman of the Year, appeared in only 17 games (14 starts) last season due to injuries. In the games he did play, he averaged 13.6 points per game. As a freshman he averaged 14.8 points a contest in 29 contests.
- Overall the Panther squad experienced a lot of injuries last season, as players missed a combined 55 games during the year. Only two players played in all 29 games in 2007-08.

TEAM NOTES

Mike Rose became the 28th Colonel to reach the 1,000-point plateau last year when he scored a team-high 21 points against Tennessee Tech in February. Rose enters his senior season with 1,144 career points. He will be shooting to be the first Colonel to earn back-to-back first team All-OVC accolades since Bruce Jones and James Tillman accomplished the feat in 1979 and 1980.

- Among the players on the Gamecock roster this season is University of Nebraska transfer Jay-R Stowbridge. The 5'11 point guard from Ardmore, Ala. will sit out this season as a transfer and have two years of eligibility beginning with the 2009-10 season.
- JSU has enjoyed tremenous success at Pete Mathews Coliseum since the 5,500-seat facility was built over 30 years ago. Now in its 34th season, JSU is a combined 372-102 since "The Pete" opened in the 1974-75 season. During that span JSU has had only four losing seasons and one where it finished at .500 in home games.

TEAM NOTES

* Ohio Valley Conference Game Home Games in Bold

All Times Central and Subject to Change

- Murray State ended the season with a rare distinction in NCAA D-I. In conference play, MSU was the only team to lead its league in these four categories: field goal percentage (.498), field goal defense (.412), three-point percentage (.408), and three-point defense (.321).
- The Racers secured their 21st straight season with a winning record and are in a group of elite teams that have the nation's best season winning streaks. Syracuse is first with 38, while Oklahoma is second with 27. Third place Kansas has 25 consecutive years of winning records, and Arizona is fourth with 24 straight. Murray State is tied for fifth with Connecticut, each having 21 straight. Oklahoma State has 20 and Kentucky has 18. Gonzaga (17), Maryland (15) and Stanford (15) round out the top 11 schools.
- The Regional Special Events Center continued to be a great home court advantage for the Racers who were 14-2 and upped their record in 10 seasons in the building to 119-23 (838)

TEAM NOTES

- Tennessee State made its first appearance in the OVC Tournament Championship game under head coach Cy Alexander last season by topping No. 3 seed Morehead State and No. 2 seed Murray State along the way. It marked the first time the Tigers had advanced past the first round since making it to the title game against Murray State in 1998.
- TSU's marquee win a season ago came at Big Ten foe Illinois, where the Tigers pulled out a 60-58 victory. It was only the 10th loss for Illinois at Assembly Hall in the past nine seasons.
- TSU returns sophomore guard Gerald Robinson, Jr., an All-Newcomer selection last season. Robinson, whose father is the tennis coach at Tennessee State, was named Freshman of the Week six times during the 2007-08 season and was runner-up for the OVC Freshman of the Year Award at the end of the season.

All Times Central and Subject to Change

- · UT Martin returns senior guard Lester Hudson who produced one of the best seasons in school and Conference history. In 2007-08 he averaged 25.7 points, 7.8 rebounds, 4.5 assists and 2.8 steals per game while hitting 46.4 from the field, 38.8 percent from 3-point range and 83.4 from the charity stripe. Hudson is looking to be named OVC Player of the Year in back-to-back seasons, something that has not been done since 1995 and 1996 (Murray State's Marcus Brown).
- Picked to finish last in the 2007-08 preseason poll, UT Martin put together a 11-9 record in OVC play and advanced to the OVC Tournament semifinals for the first time since joining the Conference. In the semifinals, the Skyhawks lost to eventual champion Austin Peay by just one point, the closest game APSU played during the tournament.

James "Fly" Williams was a two-time first-team All-American during his days at Austin Peay (1972-74). He holds numerous OVC records including field goals made (360) and attempted (800) in a season) and career scoring average (28.5 points/game).

Morehead State's Ricky Minard is the only OVC player to surpass 2,300 points, 700 rebounds and 200 assists in a career. He finished as the Eagles' all-time leading scorer and is fourth on the OVC career list (2,381). He was drafted by the Sacramento Kings in the second round of the 2004 NBA Draft (No. 48 overall).

In his first season in the league, UT Martin guard Lester Hudson set the OVC single-season record for 3-pointers made in a season (124). Hudson averaged 25.7 points per contest, which ranked fifth nationally. He also became the first player in NCAA Men's Division I history to record a quadruple-double in a contest.

For the 15th time in 16 years, the Ohio Valley Conference invades downtown Nashville to crown its men's basketball champion.

The OVC Basketball Tournament is the league's showcase event, and the 2009 edition of "Music City Madness" will include a variety of exciting action both on and off the court.

The site of the tournament this year is the Sommet Center (formerly known as the Gaylord Entertainment Center) in downtown Nashville, marking the 10th time the event has taken place in the building. The tournament was first held at the Sommet Center (pronounced soh-MAY) in 1997 (marking the first basketball event in the building) and has been there every year since with the exception of 2002, 2004 and 2008.

The state-of-the-art facility has received rave reviews from OVC players, coaches and fans. Among the building's amenities is a new Megatron scoreboard which was installed in 2007. The building, which is home to the NHL's Nashville Predators, seats up to 20,000 people for select basketball events.

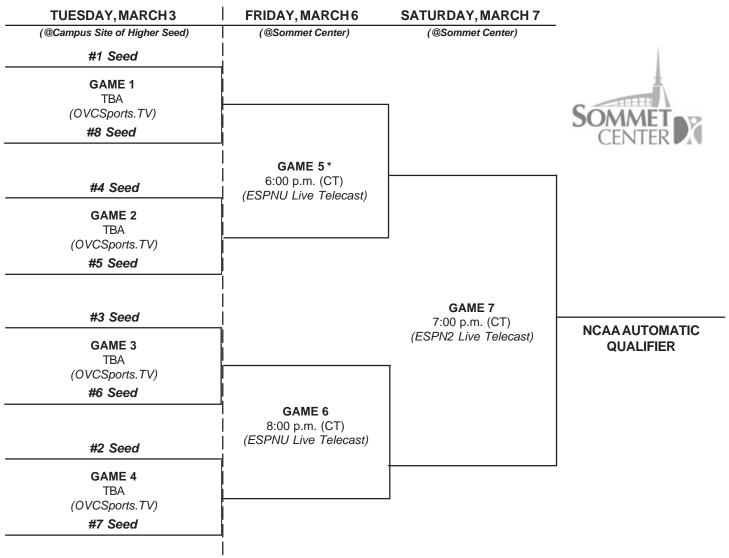

Eight teams will make up the field for the 2009 OVC Tournament, with first-round games set for Tuesday, March 3 at the on-campus sites of the top four seeds. The winners of those games will come to Nashville for the semifinals on Friday, March 6. The OVC championship game is set for Saturday, March 7, with the winner earning the Conference's automatic bid to the NCAA Tournament. Once again the semifinals will be televised on ESPNU while ESPN2 will televise the championship game.

The OVC is contracted to have its tournament in the Sommet Center through the 2014 season.

Last season top-seeded Austin Peay topped Tennessee State 74-54 to claim the program's fourth OVC Tournament crown.

OVC Tournament Tiebreaker System

Regular season standings will be the determining factor in setting first-round pairings for the tournament. All ties will be broken starting at the top of the conference standings and working down. The tiebreaking system will utilize the following factors, in order, until all ties are broken.

- Records in head-to-head competition are compared, with the higher seed going to the team that has won the most games against the other.
- In the event step 1 does not resolve the tie (i.e. if the two teams split their games during the season), then the records of the tying teams against the No. 1 seed shall be compared. The team with the better record against the No. 1 seed shall gain the higher seed.
- 3. If the potential No. 1 seed is among tied teams, the process in step 2 will begin at the highest point in the standings which does not involve a tied
- The process continues, through the No. 11 team in the standings, if necessary.
- In the event the tie cannot be broken, seeds will be determined by a coin flip.

MULTIPLE TIES

- Composite records between the tying teams will be evaluated to determine whether one team has won more games against the other tying institutions (in which case that team would receive the higher seed) and/or one team has won the least number of games among the tied teams (in which case the team will receive the lowest seed, and/or two teams have the same composite record (in which case the two-team tiebreaker scenario shall be utilized).
- In the event step 1 does not solve the multiple ties, or reduce the multiple ties to one tie, then a comparison of records of the tying institutions against the No. 1 seed will occur. The team among the tying institutions with the better record against the No. 1 seed will receive the higher seed.
- If the potential No. 1 seed is among tied teams, the process in step 2 will begin at the highest point in the standings which does not involve a tied 3.
- The process continues, through the No. 11 team in the standings, if necessary.
- In the event this process does not resolve the ties, seeding will be determined by a coin flip.

Note: If a multiple tie is reduced to a tie between two teams, the two-team tiebreaker formula will then be utilized. Ties involving teams higher in the standings are always broken before ties involving teams lower in the standings.

TEAM NOTES

 Morehead State only returns four letterwinners and two full-time starters from last year's team which went 11-19 overall and 9-11 in the OVC. The Eagles will have almost an entirely new roster with 11 newcomers joining the program, including five junior college transfers.

All Times Central and Subject to Change

- Junior Brittany Pittman's 123 blocked shots last year set a school and OVC single-season record. She needs 83 blocks to set the Morehead State career record of 206 and 111 to eclipse the OVC career record of 233.
- Sophomore Chynna Bozeman will look to continue her efficient production at the free throw line. She ranked second in the league with 87 percent success rate as a true freshman in 2007-08.
- Seven of the Eagles' first nine regular-season games are at home this year.

Present OVC Members in Bold

For the 15th time in 16 years, the Ohio Valley Conference invades downtown Nashville to crown its women's basketball champion.

The OVC Basketball Tournament is the league's showcase event, and the 2009 edition of "Music City Madness" will include a variety of exciting action both on and off the court.

The site of the tournament this year is the Sommet Center (formerly known as the Gaylord Entertainment Center) in downtown Nashville, marking the 10th time the event has taken place in the building. The tournament was first held at the Sommet Center (pronounced soh-MAY) in 1997 (marking the first basketball event in the building) and has been there every year since with the exception of 2002, 2004 and 2008.

The state-of-the-art facility has received rave reviews from OVC players, coaches and fans. Among the building's amenities is a new Megatron scoreboard which was installed in 2007. The building, which is home to the NHL's Nashville Predators, seats up to 20,000 people for select basketball events.

Eight teams will make up the field for the 2009 OVC Tournament, with first-round games set for Tuesday, March 3 at the on-campus sites of the top four seeds. The winners of those games will come to Nashville for the semifinals on Friday, March 6. The OVC championship game is set for Saturday, March 7, with the winner earning the Conference's automatic bid to the NCAA Tournament.

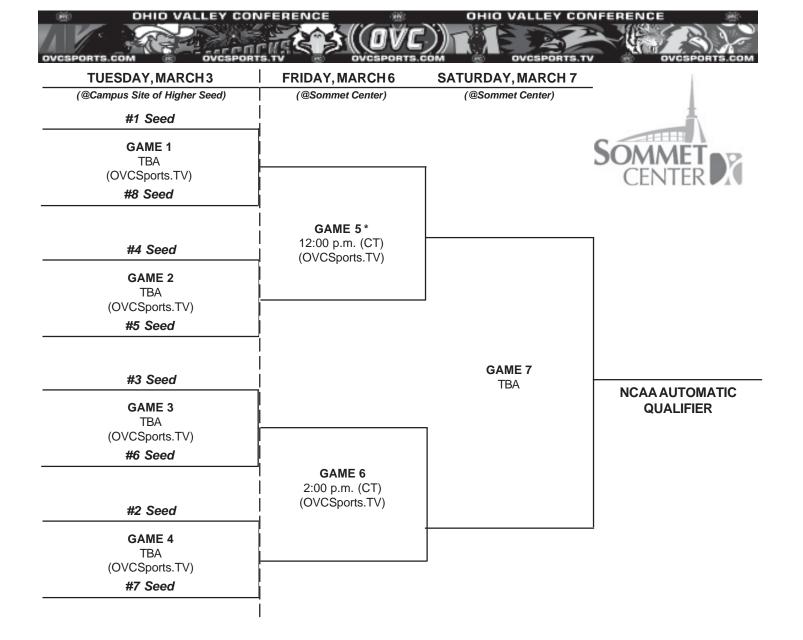

The OVC is contracted to have its tournament in the Sommet Center through the 2014 season.

Last season third-seeded Murray State defeated No. 4 Eastern Illinois, 69-58, to win its first OVC Tournament Title.

OVC Tournament Tiebreaker System

Regular season standings will be the determining factor in setting first-round pairings for the tournament. All ties will be broken starting at the top of the conference standings and working down. The tiebreaking system will utilize the following factors, in order, until all ties are broken.

TWO-WAY TIES

- Records in head-to-head competition are compared, with the higher seed going to the team that has won the most games against the other.
- In the event step 1 does not resolve the tie (i.e. if the two teams split their games during the season), then the records of the tying teams against the No. 1 seed shall be compared. The team with the better record against the No. 1 seed shall gain the higher seed.
- If the potential No. 1 seed is among tied teams, the process in step 2 will begin at the highest point in the standings which does not involve a tied 3.
- The process continues, through the No. 11 team in the standings, if necessary.
- In the event the tie cannot be broken, seeds will be determined by a coin flip.

MULTIPLE TIES

- Composite records between the tying teams will be evaluated to determine whether one team has won more games against the other tying institutions (in which case that team would receive the higher seed) and/or one team has won the least number of games among the tied teams (in which case the team will receive the lowest seed, and/or two teams have the same composite record (in which case the two-team tiebreaker scenario shall be utilized).
- In the event step 1 does not solve the multiple ties, or reduce the multiple ties to one tie, then a comparison of records of the tying institutions against the No. 1 seed will occur. The team among the tying institutions with the better record against the No. 1 seed will receive the higher seed.
- If the potential No. 1 seed is among tied teams, the process in step 2 will begin at the highest point in the standings which does not involve a tied
- The process continues, through the No. 11 team in the standings, if necessary. 4
- In the event this process does not resolve the ties, seeding will be determined by a coin flip.

Note: If a multiple tie is reduced to a tie between two teams, the two-team tiebreaker formula will then be utilized. Ties involving teams higher in the standings are always broken before ties involving teams lower in the standings.
