

SGT. YORK TROPHY

In July 2007, the Nashville Sports Council and the Ohio Valley Conference announced the creation of the Sergeant York Trophy which goes to the winner of the quadrangular season football series between the four Ohio Valley Conference schools located in the state of Tennessee – Austin Peay State University, University of Tennessee at Martin, Tennessee State University and Tennessee Technological University.

The award is only the second traveling trophy that involves more than two teams in college sports; the other is the Commander in Chief's Trophy which has been contested between Air Force, Army and Navy annually since 1972.

In a close race, Tennessee State and Austin Peay shared the inaugural award, finishing with identical 2-1 records in 2007. Tennessee State took the trophy home with it thanks to a one-point victory in overtime over the Governors; that game was decided by a block extra point by NFL First Round Draft Pick Dominique Rodgers-Cromartie. The Tigers repeated as champions in 2008, winning all three of its Sgt. York games.

The award is named in honor of Alvin C. York, the most noted Soldier of World War I. As a corporal in the 2nd battalion, 328th Infantry, in the Battle of the Meuse River-Argonne (Oct. 8, 1918), York and seven other soldiers captured 132 prisoners, was promoted to sergeant and received the Distinguished Service Cross, the French *Croix de Guerre*, the French Legion of Honor, the *Croce di Guerra* of Italy and the War Medal of Montenegro. Upon his return to the United States in 1919, he was bestowed the Congressional Medal of Honor.

Following the war York returned his home in Pall Mall, Tenn. (located in north central Tennessee, 55 miles northeast of Cookeville) where he dedicated his life to improving education and facilitating educational opportunities for children in the state of Tennessee. In 1927 he established the Alvin C. York Institute after spending several years raising money for the school which opened as a private institution. That school was established, in part, to provide educational opportunities denied to the boys and girls of Fentress County. In 1937, the Institute became a state special school after an appeal to the Tennessee State Legislature. The school, located in Jamestown, Tenn., is still in operation today.

York died on Sept. 2, 1964 and the foundation which he helped establish in 1920 – The Sergeant York Patriotic Foundation – was dormant for many years. The Foundation was re-established by Lipscomb Davis, Jr. in 1992 and is currently run by Sgt. York's grandson Gerald (U.S. Army Colonel, Retired). York's papers are archived by Michael E. Birdwell, Ph.D., who is an associate professor of history at Tennessee Technological University, one of the four institutions that will compete for the yearly honor.

After the completion of the football season, the Sergeant York Trophy is awarded to the institution with the best head-to-head record in the match-ups with their fellow Tennessee schools. In the event of a tie, the award is shared; however, the previous winner will retain the trophy if they are part of the tie. If the tie is between two other institutions, the trophy will go to the institution that has gone the most seasons without winning the trophy.

The award is presented to the winning institution annually at the Pepsi Celebration of Champions which is hosted each spring by the Nashville Sports Council. The event was created in 1999 and salutes amateur and professional sports in Tennessee.

OVC/NCAA OVERTIME PROCEDURES

PROCEDURE FOLLOWING REGULATION PLAY:

Immediately following the conclusion of the fourth quarter, officials will instruct both teams to retire to their respective team areas. The officials will escort the captains to the center of the field for the coin toss. The winner of the toss shall be given the option of selecting offense or defense, with the offense at the opponent's 25-yard line to start the series, or which end of the field shall be used for both series of that overtime period. The winner of the toss may not defer his choice. The loser of the toss shall have the first choice of the two options for subsequent even-numbered extra periods.

EXTRA PERIODS:

An extra period shall consist of two series with Team A and Team B each putting the ball in play by snap at the designated 25-yard line, which becomes the opponent's 25-yard line.

TEAM SERIES:

Each team retains the ball during a series until it scores or fails to make a first down. The ball remains alive after a change of team possession until it is declared dead. However, Team A may not have a first and 10 if it again possesses the ball after a change of team possession.

SCORING:

The team scoring the greater number of points during the regulation and extra periods shall be declared the winner. There shall be an equal number of series, as defined, in each extra period, except if Team B scores during a period other than on the try (i.e.: on the first possession of a period, Team A scores a touchdown. On the try, Team B intercepts a pass and returns it for a two-point touchdown. Ruling: Team B is awarded the ball on the 25-yard line to start its series with the overtime score 6-2.). **Beginning with the third extra period, teams scoring a touchdown must attempt a two-point try. A one-point try, although not illegal, will not score a point.**

TIMEOUTS:

Each team shall be allowed one timeout for each extra period. Unused extra-period timeouts may not be carried over to other extra periods.
