FCS PLAYOFFS/OVC TIEBREAKER

The participants in the 2012 NCAA Football Championship Subdivision (formerly I-AA) Playoffs will be announced on Sunday, Nov. 18. In the event of a tie for the OVC Championship, the following procedures will be used to break all ties and to determine the league's NCAA playoff representative.

TWO-WAY TIES

1.) A two-way tie shall exist only if the tied teams have the same number of losses.

2.) Should two teams have the same number of losses, and the two teams played each other during the regular season, the winner of the head-to-head contest shall be the league's postseason representative.

3.) If the two tied teams have the same number of losses, but did not play each other during the regular season, the following procedure shall be utilized to break the tie:

a.) A comparison of each team's head-to-head record against the team occupying the highest position in the regular-season standings that each team has played. If one team won its game against that team, the winning team shall be declared the representative.

b.) Should the procedure outlined in Item a. fail to break the tie, the process will continue to the next-place team and beyond until the tie is broken.

c.) When arriving at another group of tied teams, composite records between the tying teams shall be utilized to determine if one of the tied teams has won more games against the group of tied teams.

4.) If the procedures described previously fail to break the tie, the representative shall be determined by a coin flip.

MULTIPLE TIES

1.) A multiple tie (three or more teams) shall exist only if the tied teams have the same number of losses.

2.) If all of the teams involved in the multiple tie played each other during the regular season, then the composite records among the tied teams shall be compared to break the tie.

3.) If the process outlined in Step 2 reduces the tie to a tie among two teams, the two-team tiebreaker formula shall then be utilized.

4.) If not all of the tied teams played each other during the regular season, or if step 2 does not break or reduce the tie, the following procedure shall be utilized:

a.) A comparison of each of the tied teams' head-to-head record against the team occupying the highest position in the regular-season standings that each team has played. If one team won its game against that team, the winning team shall be declared the representative.

b.) Should the procedure outlined in Item a. fail to break the tie, the process will continue to the next-place team and beyond until the tie is broken.

c.) When arriving at another group of tied teams, composite records between the tying teams shall be utilized to determine if one of the tied teams has won more games against the group of tied teams.

5.) If the procedures described previously fail to break the tie, the representative shall be determined by a blind drawing.

Now in its 65th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

In May 2011 the Conference expanded for the second time in four years, adding Belmont University which begins competition in the 2012-13 academic year. The addition of Belmont gives the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. She is currently one of just five females to be the head of a Division I conference, and one of just eight to lead a Division I conference all-time. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958, Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961, Murphy earned all-conference recognition as a halfback in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

Through the past 64 years, 15 teams have won or shared the league's football title. The list is led by Eastern Kentucky, winner of 21 outright or shared football crowns (including sharing the title in 2011), which is tied for the most in Football Championship Subdivision history (with Massachusetts). Among OVC teams, former member Middle Tennessee is next with 11 titles, followed by Tennessee Tech with 10, and Murray State and former member Western Kentucky with eight apiece. Eastern Illinois has claimed five football crowns and Jacksonville State has three, while Morehead State, Tennessee State and former members Evansville and East Tennessee State have captured two apiece. Austin Peay, Southeast Missouri (which captured its first crown in 2010), UT Martin and former member Youngstown State have one title apiece.

Murray State and Evansville tied for the initial football championship, and the Racers participated in the first-ever bowl game by an OVC team, tying Sul Ross State 21-21 in the 1948 Tangerine Bowl. From 1948 to 1975, OVC teams played in 15 bowl games, winning eight of them. Eastern Kentucky and Western Kentucky were also participants in the NCAA Division II playoffs in the early and mid-1970s prior to the NCAA's reclassification of football programs into Division I-AA. The term "I-AA" lasted until the end of the 2006 season when it was changed to Division I Football Championship Subdivision (FCS).

The first Division I-AA/FCS football playoff was held in 1978 with only four teams, which is the only year through present day that the OVC did not field a playoff representative. In 1979, four of the nation's top teams were invited to the playoffs, and two of them - Eastern Kentucky and Murray State - were from the OVC. Murray dropped its semifinal game to Lehigh, but the Colonels nipped Nevada-Reno in double overtime and claimed the national championship a week later with a 30-7 victory over Lehigh. EKU was coached by former All-America quarterback Roy Kidd, who was in his 16th year at the helm of his alma mater and who skippered the Colonels to a second national title three years later. Following the 2002 season, Kidd retired after 39 years at EKU; upon retirement, he ranked sixth all-time among Division I coaches with 315 victories, earning him a spot in the College Football Hall of Fame. EKU's 20 FCS playoff appearances are the second for the most all-time (behind only Montana).

In addition to Kidd, other coaching legends in the OVC include Charles "Bubber" Murphy, who coached at Middle Tennessee from 1947-1968, Western Kentucky's Jimmy Feix (1968-83), Wilburn Tucker (1954-67) and Don Wade (1968-82) of Tennessee Tech, Bill Ferguson (1967-77) of Murray State, Guy Penny (1959-67) of Morehead State and Boots Donnelly (1977-78 at Austin

Peay; 1979-1998 at Middle Tennessee). Following the 2011 season Eastern Illinois head coach Bob Spoo retired following 25 years at the school (the last 16 as members of the OVC). In his time as an OVC coach he compiled 92 total victories (fifth-most in league history) and 68 OVC wins (fourth-most in league history) and was inducted into the OVC Hall of Fame in 2012.

Asampling of former OVC football stars, some of whom were All-Americans during their collegiate careers before achieving stardom at the professional ranks, include Jim Youngblood and Larry Schreiber (Tennessee Tech), Phil Simms (Morehead State), Virgil Livers and Dale Lindsey (Western Kentucky), Myron Guyton and Chad Bratzke (Eastern Kentucky), Cortland Finnegan (Samford) and Tony Romo (Eastern Illinois). In 2008, former Tennessee State standout Dominique Rodgers-Cromartie became just the fourth NFL First Round draft pick in OVC history when he was selected 16th overall by the Arizona Cardinals. He would break into the starting lineup halfway through his rookie season and started at cornerback for the Cardinals in Super Bowl XLIII. The OVC has had at least one former player named a NFL Pro Bowl selection in four of the past six seasons.

The 2007 season marked a return to scholarship football and the OVC for the Austin Peay Governors. Following the 1996 season the Governors dropped scholarship football and competed as both an independent (1997-00, 2006) and as a member of the Pioneer Football League (2001-05).

The 2007 season also brought new vernacular to the Ohio Valley Conference and the division formerly known as I-AA. Beginning with the 2006 National Championship game the term I-AA was changed to NCAA Football Championship Subdivision (FCS) in a decision by the Division I Board of Directors. The new label was chosen to communicate in a positive and clear manner the unique differences between Division I football categories (chiefly, the post-season opportunity) while still defining them within the Division I experience. The FCS includes programs that compete in an effort to participate in the NCAA championship postseason structure (one of 89 NCAA national championships) as opposed to the Football Bowl Subdivision (FBS) which competes in an effort to participate in the postseason bowl system (the 35 NCAA-licensed events which includes the Bowl Championship Series).

In 2010 Southeast Missouri State, picked to finish seventh in the preseason poll, compiled a 7-1 Conference record on the way to its first OVC Championship since joining the league in 1991. Overall the Redhawks were 9-2 during the regular season and earned a berth in the FCS Playoffs, its first playoff berth at any level in the program's 104-year history. Southeast would lose to eventual national champion Eastern Washington in the second round of the playoffs. Head coach Tony Samuel capped the year by winning the Sports Network's Eddie Robinson Award, given to the National Coach of the Year. Samuel was the second OVC coach to win the award (joining Murray State's Houston Nutt who won the award in 1995).

For only the second time in league history in 2011, three teams shared the OVC football championship, as Eastern Kentucky, Jacksonville State and Tennessee Tech finished with 6-2 records. The only other time in league history more than two champions were crowned at the end of the year was 1962 (when four teams shared the crown).

Football wasn't the only sport in which the OVC was quickly gaining respect. In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament.

Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game. More recently the OVC has won NCAA Tournament games in four-straight seasons (2009-12), something that has never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period the OVC is one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

In the late 1970s, women's athletics began somewhat of a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC established women's championships in the sports of basketball, tennis

and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (IAIW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982.

The league also had another historical moment in November 2008 when the NCAA awarded Nashville the 2014 NCAA Women's Division I Final Four. The OVC will serve as the host of the prestigious event, which is one of the biggest sporting events the city of Nashville can host. The event will be held at Bridgestone Arena in downtown Nashville.

Over its 64 years, OVC teams have garnered national championships and bowl games in football, along with national team or individual titles in the sports of rifle, cross country, track and golf.

The OVC has also produced several Olympic athletes, including Murray State's Morgan Hicks, who was a member of the 2004 United States Olympic Rifle Team and Morehead State's Brian Shimer who competed in five Winter Olympics in bobsled (winning a bronze medal in 2002) and coached the 2010 United States bobsled team to its first gold medal since 1948. In addition, some of the greatest players in professional sports were educated at OVC institutions. The list includes former greats such as football's Phil Simms (Morehead State), basketball's Clem Haskins (Western Kentucky) and Bubba Wells (Austin Peay) and two-sport star Steve Hamilton (Morehead State) to present-day standouts like basketball player Trenton Hassell (Austin Peay), football player Tony Romo (Eastern Illinois) and baseball players George Sherrill (Austin Peay) and Jon Rauch (Morehead State). Hamilton is the only athlete to ever play in the NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a NBA Championship Series (Los Angeles Lakers).

The playing field is not the only place where OVC athletes are working hard. The league also recognizes excellence in the classroom. Six Scholar-Athlete Awards are presented yearly to male and female athletes, while others are commended for their academic success by being Medal of Honor recipients or earning a spot on the Commissioner's Honor Roll. Additionally, the league annually presents one institutional Academic Achievement Award, as well as separate team awards in each Conference-sponsored sport. Since the College Sports Information Directors of America (CoSIDA) Academic All-America program began, the Ohio Valley Conference has had 211 student-athletes honored with the award, including 32 over the last three years (2009-10, 2010-11, 2011-12).

Through the early years of the league, administrators wrestled with fan behavior due to the close proximity of the Conference members and the intense rivalries which developed. Just as it did decades ago, the OVC took the leadership role on what has become a national issue. In 1995, the OVC implemented a first-of-its-kind "Sportsmanship Statement," a policy which promotes principles of fair play, ethical conduct and respect for one's opponent. The statement has become a model for others to follow across the nation, and has answered the challenge of the NCAA Presidents Commission to improve sportsmanship in collegiate athletics.

Additionally, the OVC annually presents the Steve Hamilton Sportsmanship Award, in honor of the former Morehead State student-athlete, coach and athletics director, to a junior or senior student-athlete with significant athletic contributions who best exemplifies the characteristics of sportsmanship and citizenship. Most recently, the Conference has also implemented the OVC Institutional and Team Sportsmanship Awards, which are presented to one institution and 18 sport-specific teams voted by their peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

A LOOK AT THE OVC

OVC HONORS AND AWARDS

The Ohio Valley Conference implemented a first-of-its-kind "Sportsmanship Statement," a policy promoting fair play, ethical conduct and respect for one's opponent in 1995. The statement answered a challenge of the NCAA Presidents Commission to improve sportsmanship in college athletics, and has become a model for others to follow across the nation.

The development of the OVC sportsmanship statement began in June 1993 at the direction of the league's presidents. A committee made up of athletics directors and faculty representatives drafted the initial statement, and all coaches and other administrators had the opportunity for input. The statement sets forth expectations for spirit groups, officials and fans, as well as the student-athletes and coaches. Here is a brief synopsis of each group's expectations within the sportsmanship statement.

Administrators: Institutional administrators will create an environment of hospitality for visiting teams, particularly for those individuals at Conference institutions. Administrators will treat the visiting teams and its fans in the same manner that they would want their teams to be treated.

Coaches: Coaches have the greatest amount of influence over whether young people in their programs are taught and follow the high principles of sportsmanship. The OVC has been benefited by coaches who have risked losing a contest by removing student-athletes who have demonstrated disrespect for their opponents. This discipline measure educates that individual about the importance of sportsmanship over participation and winning, and helps counteract the constant messages received from many professional athletes who demonstrate a lack of respect for opponents.

Student-Athletes: Student-athletes at OVC institutions will be expected to treat opponents with sportsmanship, and there will be no tolerance for taunting and baiting of opponents. OVC student-athletes must understand that they are perhaps the most visible representatives of their institutions and their behavior is observed and emulated by many who are younger. OVC student-athletes must honor the responsibilities that accompany the privilege of representing our schools by behaving with dignity and class on and off the field.

Spirit Groups: Like our student-athletes, spirit groups are visible representatives of our universities, and they are expected to show decent behavior. Cheerleaders, bands and other spirit groups are admitted to contests to support their teams and assist in creating a fun atmosphere, but they will not be allowed to disrupt or confront opposing teams.

Officials: Officials will enforce the rules regarding sportsmanship without tolerance for abuse. Players and coaches will receive their only warning prior to the contest, and once the contest begins, penalties will be assessed for violations of unsportsmanlike conduct.

Fans: We know all fans are embarrassed by the inappropriate behavior of a few who may engage in confrontational and threatening actions towards officials, visiting fans, players or coaches. Those individuals may be dismissed to provide a better environment for others.

The Conference believes that the effort to meet the expectations outlined in the sportsmanship statement will increase the attractiveness at our athletics events by creating a healthy environment for competition. A complete copy of the sportsmanship statement can be obtained by calling the OVC office at (615) 371-1698.

The OVC has a variety of awards to recognize sportsmanship by its student-athletes, coaches, administrators and teams. In 1998, the OVC

established the Steve Hamilton Sportsmanship Award, presented annually to a male or female junior or senior student-athlete who best exemplifies the characteristics of the former Morehead State student-athlete, coach and administrator. Hamilton is the only individual to have ever played in a NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a National Basketball Association Championship Series (Minnesota Lakers).

In 2003-04 the League began awarding the Institutional Sportsmanship Award, given to the OVC member institution selected by its peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA. In 2005-06 the League expanded the sportsmanship award program by adding the Team Sportsmanship Award. An award is given to each sport sponsored by the OVC and is voted on by the student-athletes and coaches of the respective sports.

Beth DeBauche - Commissioner

Elizabeth (Beth) DeBauche was named Commissioner of the Ohio Valley Conference on July 29, 2009 and began her duties with the league in September 2009.

DeBauche (pronounced De-BUSH) is the seventh full-time Commissioner in the 63-year history of the OVC. She follows Art Guepe (1963-75), Paul Dietzel (1975-76), Bob Vanatta (1976-79), Jim Delany (1979-89), Dan Beebe (1989-2003) and Dr. Jon A. Steinbrecher (2003-09).

DeBauche is one of just five females to be the head of a Division I Conference in 2012-13, and one of just eight to lead a Division I Conference all-time.

In May 2011 the league announced the addition of Belmont University to the OVC beginning in the 2012-13 season. The addition of Belmont brings the OVC to 12 teams, the largest membership total the league has had in its history.

In her three years with the league the OVC has seen postseason success men's basketball as Murray State topped Vanderbilt in the first round of the NCAA Tournament in 2010, Morehead State beat Louisville in the second round in 2011 and Murray State bested Colorado State in the second round in 2012. Overall the league has won NCAA Men's Basketball Tournament games in four-straight years for the first-time in league history. Overall the OVC is one of only nine conferences nationally (and one of three non-BCS leagues) to achieve that success.

Under DeBauche the league has started an extensive strategic planning initiative. In addition student-athletes in the OVC have also continued to achieve high levels of success not only on the field but also in the classroom. In 2010-11 the league had an all-time high number of honorees on the OVC Medal of Honor list. During the past three years 32 OVC student-athletes have been named CoSIDA Academic All-Americans.

During her first year with the OVC the league announced a change in format and new venue for its men's and women's basketball championships. The event now spans four days and is held at Municipal Auditorium in downtown Nashville (previously only the semifinals and finals were played in Nashville), and brings eight men's and eight women's teams to Music City for the championship. The format also changed to a merit-based system where the No. 3 and 4 seeds receive a bye to

the quarterfinals and the No. 1 and No. 2 seeds will receive double byes to the semifinals.

DeBauche currently serves on the NCAA Committee on Athletic Certification, the NCAA Division I Leadership Council and the NCAA Rules Working Group.

From August 2002 through August 2009 DeBauche, along with the vice-president of Division I, was responsible for coordinating Division I initiatives through the NCAA governance structure, as well as helping to manage the Division I agenda. Her duties included developing agendas and providing leadership for the Division I Board of Directors, Presidential Advisory Group and the Leadership Council. DeBauche has overseen the entire Division I governance structure and worked directly with the Legislative Council, the six cabinets and the supporting communications and coordination committee.

She was also a liaison to governance representatives, external constituent groups and NCAA staff regarding legislative and governance activities. That role required DeBauche to have regular interaction with the Collegiate Commissioner's Association (CCA), the CCA Compliance Coordinators, the Division I-A Athletics Directors Association, the National Association of Collegiate Women Athletics Administrators (NACWAA) and the Faculty Athletics Representatives Association (FARA). DeBauche also served as a liaison to the Women's Basketball Issues Committee, the Presidential Oversight and Monitoring Group, the Men's Basketball Academic Enhancement Group, the Presidential Task Force on Commercial Activity in Intercollegiate Athletics and the Two-Year College Relations Panel.

In 2008, DeBauche was named the NACWAA Conference/Organization Administrator of the Year.

Prior to her work at the NCAA, DeBauche worked at the Southeastern Conference (SEC) from November 1996 through August 2002. As an assistant and later associate commissioner, she managed all aspects of the SEC's rules compliance program. DeBauche provided NCAA and SEC rules interpretations, developing rules education materials and programming, conducting compliance reviews and assisting member institutions with the NCAA certification program. At times during her tenure, she also served as the league's liaison to the faculty athletics representatives, the compliance coordinators, directors of academic support and Student-Athletes Advisory Committee (SAAC) as well as the sports liaison to the leagues women's golf, women's tennis and women's volleyball coaches.

From 1996 to 1998 DeBauche was the Director of the National Letter of Intent (NLI) Program for the Collegiate Commissioners Association (CCA). In that role she was the administrator in charge of issuing all NLI rules interpretations, creating rules education materials and providing NLI rules education presentations as well as being the primary information resource for parents, student-athletes and the media.

DeBauche got her start in collegiate athletics at Vanderbilt University where she was the Assistant Athletic Director for Compliance from August 1994 to November 1996.

DeBauche received her Bachelor of Arts degree in history and government from Saint Mary's College (Ind.) and earned her Master's Degree in communications from Notre Dame. After completing the Concannon Program of International Law in London, England, DeBauche received her Juris Doctorate from the Notre Dame School of Law.

A member of the Illinois, Wisconsin and Georgia Bar, following law school graduation DeBauche worked as an attorney in each Green Bay, Atlanta and Marietta, as well as serving as a Judicial Clerk to P. Harris Hines, who is currently serving on the Georgia Superior Court.

DeBauche has been a member of the Notre Dame Club of Indianapolis Board of Directors, as well as a graduate of the Sports Management Institute and a participant in the Division I-A Athletic Directors Institute. **DIVISION I
FOOTBALL**

FOOTBALL

One Division I

As most football fans know, three classifications – Division I-A, I-AA and I-AAA – were used to differentiate the administration of a school's football program. As of December 15, 2006, those three classifications were declared out of bounds and new designations were kicked off.

The Football Bowl Subdivision (FBS) will be used to describe football programs that compete to participate in the postseason bowl system that includes the 32 NCAA-licensed bowls that make up the Bowl Championship Series.

The NCAA Football Championship Subdivision (FCS) now will be used to describe schools that participate in the NCAA championship postseason structure (one of 88 NCAA national championships that formerly was described as the I-AA football championship).

Division I-AAA ➤ **Division I**

The Reason for the Change

The I-A, I-AA and I-AAA designations were confusing and as result, misapplied by college football fans and the media when referring not only to football programs (e.g., I-AA basketball). And because of greater awareness of specific conferences and schools, the I-A label was rarely emphasized by the I-A membership, which only caused greater confusion about the I-AA classification.

This initiative, voted into effect by the presidents and chancellors who comprise the NCAA Division I Board of Directors last August, is not intended to confuse or devalue the importance of the BCS format.

Why These Titles Were Chosen

These labels communicate in a positive and clear way about the differences between the Division I football classifications, chiefly the postseason opportunity, while still defining them within the Division I experience.

The name change also clearly defines the student-athlete experience. Rather than being incorrectly referred to by a football classification, they'll simply be a Division I student-athlete.

Spreading the Word

The use of the new football labels was rolled out at the 2006 NCAA Division I Football Championship game. During the course of the 2007 season, expect these new football designations to be used by members of the college football community, which includes student-athletes, corporate supporters, university/college officials, community leaders and media partners.

Coaches, administrators and staff have been asked to use the new classifications in media guides, game programs, Web sites, tickets and promotional materials.

Jacksonville State, who also finished in the three-way tie last year, picked up the other six first-place votes and was picked second. Murray State was picked third while Tennessee Tech, the final team in the three-way tie last year, was tabbed fourth. The poll was rounded out by Tennessee State, UT Martin, Southeast Missouri, Eastern Illinois and Austin Peay.

Preseason Defensive Players of the Year

Blake Peiffer (LB), Southeast Missouri

Murray State senior quarterback Casey Brockman was tabbed the OVC Offensive Player of the Year for the second-straight season while Southeast Missouri State senior linebacker Blake Peiffer was named Preseason Defensive Player of the Year.

Eastern Kentucky led the way with 10 total selections, followed by Murray State, Tennessee State and Tennessee Tech with three apiece.

Returning players who were first-team All-OVC selections last season (13 in total) were automatic selections to the preseason team this year. The squad also included nine players who were second-team selections in 2011. Of the 26 total selections, 18 were seniors, six were juniors and two were sophomores.

2012 OVC SEASON NOTES/PREVIEW

Let's Get It Started: The 65th season of Ohio Valley Conference football will get underway on Thursday, August 30 when three OVC squads take to the gridiron; the remaining six schools will play on Saturday, Sept. 1. The OVC is made up of nine football-playing schools in 2012. Since its beginning, 15 of the 18 total schools that have played football in the league have claimed at least one championship.

The FCS Playoffs: Two years ago the Football Championship Subdivision (FCS) playoff field expanded to 20 teams, up from 16 previously. In April 2008 the NCAA Board of Directors approved the expansion. It marked the first expansion since the field grew from 12 to 16 teams in 1997. The field is comprised of 10 automatic bids (up from 8) and 10 at-large berths. There are four first round matchups (8 total teams), while 12 teams receive a bye into the second round. For the third time in 2012, the championship game will be played in Frisco, Texas at FC Dallas Stadium, a 23,500-seat multi-purpose stadium. The Southland Conference will serve as the host of the championship, which will be held on Saturday, Jan. 5.

OVC Teams in the Playoffs: Last season the OVC placed two teams in the FCS playoffs as Tennessee Tech earned the automatic bid and Eastern Kentucky received an at-large bid. It marked the fourth time in the last six years the OVC had placed multiple teams in the playoffs; overall the OVC has placed multiple teams in the playoffs 18 total times. Both ECU and TTU hosted home playoff games, marking the second-straight year an OVC team had served as a playoff host and the first time since 1991 that two teams had served as hosts in the same season.

Three Teams Share 2011 Championship: Last season three teams (Eastern Kentucky, Jacksonville State and Tennessee Tech) shared the OVC Championship. It marked only the second time in OVC history that more than two teams had earned a share of the title (the other being 1962). The three teams had identical 6-2 records, marking only the third time in OVC history (1962, 2009) that the league champion finished the year with two losses.

Preseason Forecasts: Eastern Kentucky was tabbed the favorite heading into the 2012 season. It marks the first time since the 2009 season the team has been picked the preseason favorite. Is being picked first in the preseason poll necessarily a good thing? In the past 33 years of preseason polls (all that were available), the preseason predicted champion has only gone on to win the OVC Championship 13 times (39.4%). Last season (when three teams shared the OVC Championship) was the first time since the 2002 season the preseason poll predicted the eventual champion.

NFL Connections: As of July 20, 23 former Ohio Valley Conference players are scheduled to be on NFL rosters when the preseason begins. Those players include former Eastern Illinois standout Tony Romo, a three-time Pro Bowl pick, Cortland Finnegan (Samford), who has been a Pro Bowl defensive back selection with the Tennessee Titans (and who is now playing with the St. Louis Rams), and Tennessee State's Dominique Rodgers-Cromartie, who was a starter for the Arizona Cardinals in Super Bowl XLIII and was a Pro Bowl selection in 2009 (and now plays for the Philadelphia Eagles). Seven of the nine current OVC football schools have at least one player in the NFL with Jacksonville State leading the way with five players. Several NFL coaches also have connections to OVC schools, including two who went to Eastern Illinois, including Super Bowl champion coaches Sean Payton (New Orleans) and Mike Shanahan (Washington). UT Martin graduate and former assistant coach Jerry Reese made waves in 2007 when he led the New York Giants to Super Bowl XLII in his first season as General Manager with the franchise; Reese won his second Super Bowl with the Giants last season.

A Look at the Coaches: Eight of the nine OVC coaches from last season returned to their respective teams season. The only departure was Eastern Illinois head coach Bob Spoo, who completed his 25th season at the school in 2011, retired and was inducted into the OVC Hall of Fame. This season Eastern Illinois will be coached by Dino Babers, who most recently served as the special teams coordinator and wide receivers coach at Baylor, where he was involved with an offense led by Heisman Trophy winner Robert Griffin III. Babers was a part of Spoo's first staff at EIU (1987).

Southeast Missouri State senior linebacker Blake Peiffer was named the OVC Preseason Defensive Player of the Year. Peiffer was also named to the Sports Network's Buck Buchanan Award Watch List; the award is given to the top defensive player at the FCS level. Last season Peiffer had 151 total tackles (13.73/game), which ranked him third nationally in tackles/game.

Juliet High School he played running back, defensive back and kick returner.

TEAM NOTES

• Austin Peay finished the 2011 season ranked 13th in the FCS in sacks allowed per game (1.0). It is the second-straight year the Governors were ranked in the Top 15 in fewest sacks allowed per game. They were eighth in 2010.

• Senior quarterback Jake Ryan enters his senior season fourth all-time in pass completions with 290 and fifth in passing yards 3191. Jesse Kellogg left Austin Peay the all-time completions leader with 504 while Brian Baker ended with 5587 passing yards—both marks set during APSU's non-scholarship years.

• Senior kicker Stephen Stansell enters his final campaign needing just three field goals made to pass Tom McMillan (33) to become the school's all-time leader in that category. He also enters his final season ranked third all-time in point-after-touchdowns made with 71. Stansell was the only OVC kicker to be perfect in point-after-touchdown attempts. He ended the season 22 of 22. In his career he is 71 of 73 (97.3 percent) in extra-point attempts, ranking No. 1 in career extra-point percentage.

• Austin Peay led the OVC in time of possession in 2011, holding the ball an average of 31.33 minutes per game.

• Redshirt sophomore transfer O.C. Brown was the focal point of the Academy Award-winning documentary, "Undeclared," which was shot during Fall 2009 at Manassas High School in Manassas and was reminiscent of the award-winning movie, "The Blind Side." Brown, a former Four-Star offensive line recruit out of high school, joins one of his former prep teammates, wide receiver Terrence Oliver, who also was apart of the documentary, as a Gov. In addition, Govs' freshman running back Omar Williams also was at Manassas at the time.

Birthdate: Oct. 27, 1952
Hometown: Reading, Ohio
College: Austin Peay, 1975 (Business Administration)
Family: Wife - Connie
 Children - Chrissy, Carrie, Sara

Career Record

<u>Year</u>	<u>School</u>	<u>Overall</u>	<u>Conf. (Finish)</u>
2007	Austin Peay	7-4	5-3 (3rd-t)
2008	Austin Peay	2-9	2-6 (7th-t)
2009	Austin Peay	4-7	3-5 (6th)
2010	Austin Peay	2-9	1-7 (8th)
2011	Austin Peay	3-8	2-6 (7th-t)

Rick Christophel was named the 17th head coach in Austin Peay history on March 23, 2007. The former Govs quarterback returned to his alma mater and led the team to a 7-4 record (5-3 in the OVC) in his first season. He became the first APSU coach since 1979 to win seven games in his initial season with the team.

CAREER HIGHLIGHTS

• Christophel became the first APSU graduate to head the Governors program since 1973-76 when he took over the program in 2007. In his first season in Clarksville, Christophel led the team to a 7-4 overall record and third-place finish in the OVC (5-3). He was the first head coach since 1979 (Watson Brown) to win as many as seven games in his initial season. Only one coach ("Boots" Donnelly) won more games (8 in 1977) in his inaugural season with the program. The seven wins was the most for APSU as a scholarship program since 1984.

• Was the Austin Peay State starter from 1971-74, playing safety his freshman season before moving to quarterback for his final three years. A two-time team captain, Christophel completed 175-of-384 passes for 2,073 yards and 14 touchdowns in his three seasons. He also did some punting, averaging 35.1 yards per punt for his career. He finished his career ranked second in both passing and punting yards.

• It is a family affair for the Christophel family at Austin Peay ... Rick's brothers Randy (1975-78) and Rob (1981-83) also both quarterbacked Austin Peay.

• Christophel served as a graduate assistant at APSU from 1975-76 and as a full-time assistant coach from 1979-81.

• Christophel has also been an assistant coach at Southern Arkansas (1982), Cincinnati (1983), Rice (1984-85), Vanderbilt (1986-90), Mississippi State (1991-94) and UAB (1995-07). He was the defensive coordinator at Vandy (1989) and UAB (2001, 2006-07).

• Christophel is very familiar with the head coach at Tennessee Tech, Watson Brown. The duo have coached together in 22 of Christophel's 34 years in the profession, including most recently at UAB in 2006.

PLAYERS TO WATCH

CHRIS WRIGHT

Senior • Wide Receiver
6-1 • 177 • Skokie, Ill.

Wright has quietly become one of the best receivers in the history of EIU football...He currently ranks sixth in career touchdown receptions with 21 and will move into the career top 10 for receptions and receiving yards this year...Last season Wright caught 42 passes for 735 yards (17.5 yards/catch) and 11 touchdowns...In 2010 he had 21 receptions for 557 yards (26.5 yards/catch) and six touchdowns.

ARTAVIOUS DOWDELL

Senior • Defensive Lineman
6-2 • 230 • Belle Glade, Fla.

Preseason All-OVC selection...Was a second-team All-OVC pick in 2011...Dowdell has led the Panthers defense in sacks each of the past two seasons (5.0 in 2011 and 4.5 in 2010) while ranking the OVC top five in that category each year...He is poised to crack the EIU career top 10 for sacks and tackles for loss early this season.

TEAM NOTES

- EIU head coach Dino Babers returned home when he was named EIU's head coach in December. Babers was a member of long time head coach Bob Spoo's first Panthers staff back in 1987. He has since served as an assistant coach at several FCS and FBS programs including most recently at Baylor.

- EIU will be installing new turf for the 2012 season as the project is currently underway at O'Brien Field and will be ready when the Panthers report for camp in early August. The new field is a Matrix Turf by Hellas.

- EIU signal caller Jimmy Garoppolo has put up impressive numbers through his first two seasons. However those numbers may pale in comparison to what the junior quarterback may put up this season as EIU will unveil a high tempo offense. EIU head coach Dino Babers was on the staff at Baylor the last couple of years, helping coach an offense that ranked fourth in passing offense and second in total offense. Last year at Baylor was led by Heisman Trophy winner Robert Griffin III.

TEAM NOTES

• Senior running back Matt Denham is the first EKU player since 2002 to be named to the Walter Payton Award preseason watch list. Denham rushed for 1,570 yards last year, the most by an EKU player since 1991.

• In 2011, Eastern Kentucky claimed a share of its record 21st OVC championship and appeared in its 20th NCAA FCS playoff. The 20 FCS playoff berths are second most all time by a Football Championship Subdivision (formerly I-AA) team (trailing only the 21 appearances by Montana).

• Senior quarterback T.J. Pryor needs 622 yards passing to become Eastern Kentucky's all-time leading passer. The 2009 OVC Freshman of the Year set a program record with five touchdown passes in the 52-48 win at Jacksonville State last season.

• The Colonels ranked sixth nationally in turnover margin last year at +15. EKU forced at least three turnovers in seven of 12 games in 2011. Senior linebacker Kevin Hamlin led Eastern with four interceptions and two fumble recoveries.

CAREER HIGHLIGHTS

• In his first season as EKU head coach, Hood led the Colonels to its 20th OVC Championship and a berth in the FCS Playoffs. For that he was named Roy Kidd OVC Coach of the Year, marking the 12th time an EKU coach has won the award (10 times by Kidd for who the award is named).

• In 2011 Hood's Colonels claimed a share of its 21st OVC Championship and made its 20th NCAA Playoff appearance (second most all-time).

• Hood was a three-time All-North Coast Athletic Conference selection at Ohio Wesleyan University, where he played defensive back. He was named a first-team All-American his senior season and served as team captain in each of his final two seasons. Hood was inducted into the OWU Athletic Hall of Fame in 2001.

• Hood got his coaching start at Fairmont (W.Va.) State College (1987-88) before moving on to Colgate in 1989. From 1990-93 he served as an assistant coach at Glenville (W.Va.) State, helping the program to the NAIA National Championship game in 1993. After serving as an assistant coach at Eastern Kentucky from 1994-98, Hood was at Ohio University for two years before moving onto Wake Forest.

• As defensive coordinator at Wake Forest, Hood's teams were known for creating turnovers and scoring touchdowns. The Demon Deacons forced 186 turnovers from 2001-07, which translated to more than two per game. In 2006, Wake won the ACC Championship for the first time since 1970 and competed in the BCS FedEx Orange Bowl. In 2007, Wake Forest led the ACC with 35 forced turnovers as the team finished the season 9-4 and captured the Meineke Car Care Bowl championship.

• While serving as an assistant coach at Eastern Kentucky, Hood's teams combined for a 32-6 OVC record, a pair of Conference championships (1994, 1997) and three FCS Playoff appearances (1994, 1995, 1997).

TEAM NOTES

• Jacksonville State claimed its third OVC Championship a season ago, going 6-2 in OVC games and sharing the title with Eastern Kentucky and Tennessee Tech. The Gamecocks also claimed OVC Championships in 2003 and 2004, the first two years the team was in the league.

• In 2011 Jacksonville State ranked 12th nationally in attendance, averaging 17,226 fans in five home games. In 2010, the first year in the expanded JSU Stadium, the program averaged 17,330 fans in six home games, which ranked seventh nationally.

• Burgess-Snow Field at JSU Stadium, home of the Gamecocks since 1947, finished an 18-month, \$47 million expansion that pushed the capacity to 24,000 prior to the 2010 season. The new facility consists of seven stories, with the bottom four floors dedicated to nearly 400 dorm beds. The top three floors include 33 luxury skyboxes, a new press area, coaches booths, radio and television broadcast facilities, and a game management booth.

• Since Burgess-Snow Field at JSU Stadium opened in 1947, Jacksonville State has posted an incredible 241-96-8 record at home. Under Crowe the Gamecocks are 42-19 all-time at home.

• Jacksonville State has scored in 123 consecutive games dating back to a 28-0 shutout by Troy in Jacksonville in 2000. It is the longest active streak among OVC teams. The NCAA Football Championship Subdivision (FCS) record for consecutive games scoring is 308 held by Montana; that streak is active entering the 2012 season.

Jack Crowe begins his 13th season at the helm of the JSU program in 2012. He led the Gamecocks to back-to-back Conference titles in the program's first two years in the OVC. The team claimed its third OVC title a season ago, sharing the championship with Eastern Kentucky and Tennessee Tech.

CAREER HIGHLIGHTS

- Crowe is the winningest active coach in the Ohio Valley Conference with a 76.1 percent winning percentage in OVC-only games. He has guided the Gamecocks to a mark of 54-17, while posting the best record in the OVC in 2003, 2004, 2009 and 2011. Crowe has guided the Gamecocks to nine consecutive winning seasons, the longest such streak in almost 20 years.

- To begin the 2010 season, Crowe led JSU to a 49-48 double overtime victory over Ole Miss, marking the first win for an OVC team over a SEC squad since the league was founded in 1948. The Gamecocks would go on to win nine games during the season and host a home playoff game (the first OVC school to do that since 2006).

- Crowe took over the reins of the Gamecocks program in 2000 when the program was competing in the Southland Football Conference. The program became a member of the OVC in all sports in 2003 and Crowe led JSU to a 7-1 League record and OVC Championship. He repeated the feat the next season, once again amassing a 7-1 OVC mark and capturing the OVC Championship.

- Crowe did not play college football, instead he concentrated on baseball at Jefferson State Junior College and later UAB after playing both sports in high school. After graduation, he was the offensive coordinator at Oxford High School, helping the program to a 21-1-1 mark and a 1972 conference title.

- Crowe later moved onto the offensive coordinator job at Livingston University, where he later became the head coach. That was followed by offensive coordinator jobs at North Alabama, Wyoming, Auburn, Clemson and Arkansas, before he took over the head coaching job for the Razorbacks in 1991. Between his time at Arkansas and Jacksonville State, Crowe was the offensive coordinator at Baylor (1993-95). Crowe's teams won a SEC Championship (1983), three Atlantic Coast titles (1986-88) and a Southwest Conference Championship (1994).

- In his time at Auburn he helped coach Bo Jackson, who went on to win the Heisman Trophy and became one of the most famous two-sport stars in professional sports.

CAREER HIGHLIGHTS

• Hatcher won his 100th game with a victory over Tennessee State on Nov. 20, 2010. In doing so he became the youngest coach in the 21st century to reach 100 wins, doing so at 37 years, 274 days. All-time he was the fifth youngest in NCAA history to reach 100 wins.

• Hatcher came to Murray State after 10 successful seasons at Valdosta State (2000-06) and Georgia Southern (2007-09). In seven seasons at his alma mater, Hatcher compiled a 76-12 record (.864), made seven Division II playoff appearances, two National Championship game appearances (2002, 2004) and won the 2004 AFCA National Coach of the Year. At VSU he coached Dusty Bonner, who was named Division II National Player of the Year twice.

• Hatcher spent three seasons at head coach at Georgia Southern, compiling an 18-15 overall mark. In his first season at GSU, Hatcher led the program to its second-best regular season turnaround in program history (+4).

• Prior to becoming a head coach, Hatcher was a student assistant coach at Valdosta State (1995), quarterbacks/tight ends coach at Central Florida (1996) and a quarterbacks/wide receivers coach at Kentucky (1996-99). At UCF he worked with future NFL pro Daunte Culpepper and at Kentucky coached future No. 1 NFL draft pick Tim Couch.

• As a quarterback at Valdosta State, Hatcher was a two-time All-American (1993, 1994), throwing for 11,363 yards and 121 touchdowns. During his senior season (1994), Hatcher led the Blazers to its first postseason playoff berth and set 29 VSU passing and total offense records. He was the recipient of the Harlon Hill Trophy, which is given to Division II's National Player of the Year. He was also the CoSIDA Academic All-American Football Player of the Year for also excelling in the classroom.

TEAM NOTES

• Southeast Missouri led the Ohio Valley Conference in rushing each of the last two seasons. The Redhawks ranked ninth in the nation in that category with an average of 233.1 yards per game last season. Prior to that, Southeast averaged 265.1 yards per game in 2010 and ranked second in the OVC with 183.6 yards per game in 2009.

• The Redhawks return two All-Ohio Valley Conference performers in linebacker Blake Peiffer and wide receiver/return specialist Spencer Davis. Peiffer led the OVC and ranked third in the nation with 13.7 tackles per game last season. Davis led the conference and ranked 23rd in the nation in all-purpose yardage with 138.7 yards per game.

• Southeast piled up 2,564 rushing yards in 2011, second-most in a single-season in school history. The Redhawks had seven 100-yard rushing performances, including four by quarterback Matt Scheible.

• The Redhawks will have a new look under center after losing three-year starting quarterback Matt Scheible. Scheible capped his outstanding Southeast career with All-Conference honors in each of the last two seasons. He became the first player in Ohio Valley Conference history to pass for 4,000 and rush for 2,000 yards in a career. Kyle Snyder, who was with the Redhawks in the spring, is expected to replace Scheible. Snyder played five games at Mid-American Conference member Ohio University a year ago. He completed 5-of-8 passes for 38 yards in a backup role for the Bobcats who came up short against Northern Illinois in the MAC Championship game.

CAREER HIGHLIGHTS

• After leading Southeast Missouri to a 9-3 overall record, 7-1 OVC mark and OVC Championship, a Top 10 national ranking and a berth in the FCS Playoffs in 2010, Samuel earned the Sports Network's Eddie Robinson Award which goes to the National Coach of the Year. He is the second coach from the OVC to earn the honor (following Houston Nutt in 1995).

• The playoff berth in 2010 was the first for the program at any level in its 104-year history of football. The team also reached as high as No. 7 in the polls before finishing the year ranked 13th.

• Samuel has a wealth of experience, both as a player and coach, to the profession. After a playing career under Tom Osborne at Nebraska (1974-77), Samuel was an assistant coach at Western Michigan (1982-83), Stanford (1984-85) and Nebraska (1998-96) before taking over the head coach duties at New Mexico State for eight years (1997-04). He was also an assistant coach at Purdue for one season (2005) before becoming head coach at Southeast Missouri.

• Samuel has participated in 15 Bowl Games as a player or coach. That includes the 1994 and 1995 Orange Bowls, where Nebraska won back-to-back national championships.

• As a player for the Cornhuskers, Samuel was a member of Osborne's first recruiting class and was a two-year starter at defensive end. He played in four bowl games (Sugar, Fiesta, Astro Bluebonnet and Liberty) and earned honorable mention All-Big Eight honors as a senior in 1977.

• In his tenure at NMSU, led the team to only its third winning season in 32 years with a 6-5 mark in 1999. Also helped the Aggies program set records for total and average attendance.

• Samuel was born in Trinidad, West Indies but moved to Jersey City, N.J. at age 10.

TEAM NOTES

• This season Tennessee State will play three home games on campus at Hale Stadium, its home from 1953 until moving to LP Field in 1999. The games will help honor the school's 100 year anniversary. The Tigers host Austin Peay on Sept. 15, Eastern Kentucky on Oct. 6 and Tennessee Tech on Oct. 27. While playing at Hale Stadium TSU went undefeated 10 times and won 10 championships, including the 1998 OVC Championship in its final year at Hale Stadium.

• Tennessee State University returns several conference award winners from a year ago. Three of those are from the offensive line. Sherman Carter (center), Kadeem Edwards (guard) and Rogers Gaines (tackle) bring second team All-OVC honors from a year ago. Quarterback Michael German returns after being named the 2011 OVC Freshman of the Year and a finalist for the Jerry Rice Award. German amassed over 1,800 yards and threw 12 touchdowns in his rookie season. Defensive lineman Antonio Harper returns after garnering second team All-OVC honors last year. Harper managed 9.0 tackles-for-loss, 6.5 sacks and 44 tackles a year ago. Stealthy defensive back Steven Godbolt was an OVC All-Newcomer selection and garnered College Sports Journal All-Freshman for his 37 tackles and two interceptions.

• The Tigers are fielding their 97th varsity football team this season and are playing in the Ohio Valley Conference for the 25th season. The Tigers have won 11 Black College National Championships over the years - 1946, 1947, 1954, 1956, 1965, 1966, 1970, 1971, 1973, 1979, 1982.

• Tennessee State has a long history of producing NFL talent, including former All-Pro players Richard Dent (Chicago Bears) and Ed "Too Tall" Jones (Dallas Cowboys). More recent NFL players include Randy Fuller - who played in Super Bowl XXX with Pittsburgh and Super Bowl XXXII with Atlanta - and Anthony Pleasant, who played with New England in both Super Bowl XXXV and XXXVII. In 2008, Dominique Rodgers-Cromartie was taken by Arizona with the 16th pick of the first round and went on to be a starter at cornerback in Super Bowl XLIII.

He took over after having spent seven seasons on the Tigers staff, including most recently as the associate head coach and defensive coordinator in 2009. He is currently one of two OVC football coaches (APSU's Rick Christophel being the other) to be coaching at his alma mater.

CAREER HIGHLIGHTS

- Prior to being named the 22nd head coach in Tennessee State football history, Reed served as an assistant coach for two years and defensive coordinator for five years on the Tiger staff.
- As a recruiter for the Tigers, Reed was responsible for bringing several key players to campus, including running back Javaris Williams (a seventh round NFL pick in 2009) and Dominique Rodgers-Cromartie (a first round NFL pick in 2008).
- Reed got his coaching start at Prairie View A&M in 1991, and followed that up with jobs at Bethune-Cookman (1992-96), Seabreeze High School (1996-2000) and East Texas Baptist (2000-03) where he was the defensive coordinator at the school which is located in his hometown of Marshall, Texas.
- Reed was a four-year letterwinner as a linebacker at Tennessee State (1984-88) and concluded his career by being named a Sheridan All-American during his senior season. Along the way he set the TSU record for career tackles (406) and tackles in a season (197); both marks still stand in the Tiger record book. In 1986 Reed led TSU to the second round of the I-AA playoffs and was selected the team's MVP in each 1987 and 1988.
- Reed is the son of the late Robert Reed, Jr., an All-American at Tennessee State in 1963 and 1964 who later went on to play with the Washington Redskins.

TEAM NOTES

• Tennessee Tech finished the 2011 season with a 6-2 record in OVC playing, earning a share of the OVC Championship and the league's automatic bid into the Football Championship Subdivision (FCS) playoffs. It marked the 10th overall OVC title for TTU (third-most in league history) but was the first for the program since 1975 and broke the longest drought without a title among current OVC schools. The playoff appearance was also the first for the team; Tech hosted Central Arkansas in the first round, falling 34-14.

• Tennessee Tech senior quarterback Tre Lamb and defensive standout Marcus Edwards were each named to the College Football Performance Awards (CFPA) Preseason Watch Lists. The purpose of the CFPA is to provide the most scientifically rigorous conferments in college football and recipients are selected exclusively based upon objective scientific rankings of the extent to which individual players increase the overall effectiveness of their teams.

CAREER HIGHLIGHTS

• Brown was named the 10th head coach in Tennessee Tech football history on Dec. 9, 2006. Brown returned to his hometown of Cookeville to take over the Golden Eagles program. Brown was a standout athlete at Cookeville High School.

• Guided Tennessee Tech to a 6-2 OVC mark and three-way share of the OVC Championship in 2011. It was the first title for the TTU program since 1975. The Golden Eagles also earned the OVC's automatic bid to the FCS Playoffs, marking the first-ever playoff appearance for the program. TTU finished the season 7-4 overall, marking the best record among the eight Division I schools in the state of Tennessee.

• In 2011 was named OVC Coach of the Year, TSWA Coach of the Year and finished in the Top 15 of the voting for the Liberty Mutual FCS National Coach of the Year.

• Prior to coaching at Tennessee Tech Brown spent 12 years as head coach at UAB (1995-06). From 2002 he also served as the schools Director of Athletics, making him only the third A.D. in school history. After guiding UAB through I-AA to I-A independent status, Brown helped the Blazers into Conference USA in 1999. Brown-coached teams finished tied for second in C-USA in each 1999, 2001 and 2004. His 2004 squad was 7-5 overall, 5-3 in C-USA and participated in the Sheraton Hawaii Bowl.

• Brown got his start in coaching as an assistant coach at his alma mater, Vanderbilt, and later at East Carolina, Jacksonville State and Texas Tech. His break as a head coach came in 1979 at another OVC school - Austin Peay - at the age of 29. He led the Governors to back-to-back 7-4 seasons. His success in Clarksville led to jobs at Cincinnati, Rice and later as head coach at Vanderbilt for five seasons. Following his stint at Vandy, he was the offensive coordinator at Oklahoma.

• As a player at Vanderbilt, Brown was a standout quarterback and helped lead the Commodores to a 14-10 upset victory over Alabama in 1969. He was named *Sports Illustrated's* National Back of the Week for his performance.

• Brown comes from a line of successful coaches. His grandfather, Eddie "Jelly" Watson, was a legendary coach at Cookeville High School and his brother, Mack Brown, is currently the head coach at Texas, where he led the Longhorns to the 2005 BCS National Championship.

• Jeff Byrd will serve as the defensive coordinator for the Skyhawks this season. Byrd, from Arkansas Tech, is one of two new coaches on head coach Jason Simpson's staff this year. He graduated from Southern Miss in 1989.

CAREER HIGHLIGHTS

• In his first three years at UT Martin Simpson won 21 games, which was the highest three-year win total in school history.

• In his first season as a head coach (2006), Simpson led UT Martin to its best season of football at the FCS level and was named OVC Coach of the Year for his efforts. The Skyhawks won nine games overall (the most since winning 11 in 1988 when the team competed at the Division II level), shared its first Ohio Valley Conference Championship and advanced to the FCS Playoffs for the first time in school history. It was only the team's third .500 or better record since the move up from Division II.

• Simpson came to UTM after three seasons at Chattanooga as that program's offensive coordinator. At UTC, he helped the Mocs to a 6-5 record in 2006, the program's first winning season since 1997. There he coached quarterback Cedric Stevens, who threw for more than 3,100 yards and had a 66 percent completion percentage. He also coached Alonzo Nix, who set the Southern Conference record for receptions (90) on his way to All-America honors.

• Simpson got his start at Delta State (1994-95) serving as the defensive backs coach for two years before moving onto Jacksonville State (1997-99). At JSU he was a member of the staff that was responsible for the third best turnaround in Division I football for the 1997 and 1998 seasons. That was followed by one year at Blinn Junior College (2000) and four seasons as quarterbacks coach and recruiting coordinator at Texas State (2000-03).

• Simpson played two seasons of college football at Mississippi State, where he was also a member of the baseball team. He then transferred to Southern Miss, where he was a two-time all-conference pick on the diamond and a team captain.

NCAA DIVISION I FOOTBALL CHAMPIONSHIP

College football coaches often say the greatest improvement a team makes is between its first and second game. Team Frisco certainly agrees. After staging a successful championship game in 2011, its first of at least three at FC Dallas Stadium in Frisco, Texas, year two was even better.

Last year, the perfect blend of two passionate fan bases combined with a "local" team making it to the championship game led to a standing-room only crowd of 20,586 to watch North Dakota State beat Sam Houston State 17-6.

Fans of each school were scrambling to find tickets as soon as they locked up their appearances with semifinal wins and as a result, the game was sold out less than four days later. A limited number of standing-room-only tickets became available the week of the game and sold out within minutes.

"I joked that the last person in the state of North Dakota needs to turn out the lights because I don't know if there's anybody left," Bison coach Craig Bohl said after the game. "What a great showing of support. I want to say thanks to all our fans. This is a great game-day venue and Sam Houston State had a great following, too. I think it just sets a tone that this championship can really be special."

North Dakota State's campus in Fargo is roughly 1,000 miles north of Frisco and about a 16-hour drive. Conversely, Frisco is only about 200 miles north of Huntsville, Texas, where Sam Houston State calls home.

Combine those elements and it produced an electric atmosphere from start to finish.

North Dakota State quarterback Brock Jensen threw a touchdown pass right after a fake punt and then added a 1-yard run for another score following a long interception return to help the No. 2 seed Bison upset the top-seeded Bearkats, snapping Sam Houston's 16-game win streak and preventing it from winning its first national championship.

North Dakota State won its first national championship at the Division I level to go with five Division II titles, the last in 1990. Each of the last four Division I championship games, including both games in Frisco, have produced a first-time champion: Richmond following the 2008 season, Villanova in 2009 and Eastern Washington in 2010.

Eastern Washington erased 16-point deficit to beat Delaware 20-19 in the first game in Frisco in January 2011. The entertaining game certainly did not disappoint the 13,000-plus fans who attended the first college football game in Frisco.

While the games have no doubt been the highlight, it is a week's worth of events that have separated the event in Frisco from past championships – not to mention the great Texas hospitality.

The teams arrive in Texas four days before the game starts. They're greeted by signs and banners around town as well as great crowds at their respective team headquarters. The next day, the teams visit local elementary schools where they are welcomed by students eager to show off their school spirit for their newly adopted college teams. Later that night, the two participating teams gather for the Great Texas Barbecue Bowl that showcase the legendary Texas culture and hospitality. On Friday, teams attend the Champions Luncheon and make last-minute tweaks in game preparation.

The day of the game, fans begin gathering at restaurants and parking lots surrounding FC Dallas Stadium and take part in Tailgate Town that features quality entertainment and even more Texas sounds, flavors and hospitality.

"The NCAA national championship game in Frisco was an experience our players, fans and coaching staff will never forget," Sam Houston State head coach Willie Fritz said. "What a great week. The NCAA, Southland Conference and city of Frisco put on a first class event from start to finish."

The local organizing committee, collectively known as Team Frisco consists of the City of Frisco, its Economic Development Corporation and Convention & Visitors Bureau, Hunt Sports Group/FC Dallas Stadium, the Frisco Chamber of Commerce and Frisco-based Southland Conference.

The Football Championship Subdivision is comprised of the conferences and institutions that compete in the NCAA Division I Football Championship - Big Sky, Big South, Colonial Athletic Association, Ivy League, Mid-Eastern Athletic, Missouri Valley Football, Northeast, Ohio Valley, Patriot League, Pioneer, Southern, Southland and the Southwestern Athletic. The Ivy League and Southwestern Athletic Conference choose not to participate in the football championship. The FCS embodies a tradition of excellence through high level competition, student-athlete character and sportsmanship throughout the regular season and the championship experience.

FCS/I-AA PLAYOFFS HISTORY

The I-AA (re-named the Football Championship Subdivision at the end of the 2006 season) Playoffs began in 1978. FCS schools are the only Division I institutions who compete in a playoff format for a national championship (Football Bowl Subdivision - formerly I-A - compete for the Bowl Championship Series Championship).

Eastern Kentucky, which won the I-AA national championship in 1979 and 1982, has been to the playoffs 20 times in the 34-year history of the event. That is the second-most appearances all-time (trailing only Montana). EKU, along with fellow OVC members Eastern Illinois, Jacksonville State, Southeast Missouri, Tennessee Tech and UT Martin have also been in the field during the past six years.

SGT. YORK TROPHY

In July 2007, the Nashville Sports Council and the Ohio Valley Conference announced the creation of the Sergeant York Trophy which goes to the winner of the quadrangular season football series between the four Ohio Valley Conference schools located in the state of Tennessee – Austin Peay State University, University of Tennessee at Martin, Tennessee State University and Tennessee Technological University.

The award is only the second traveling trophy that involves more than two teams in college sports; the other is the Commander in Chief's Trophy which has been contested between Air Force, Army and Navy annually since 1972.

In a close race, Tennessee State and Austin Peay shared the inaugural award, finishing with identical 2-1 records in 2007. Tennessee State took the trophy home with it thanks to a one-point victory in overtime over the Governors; that game was decided by a block extra point by NFL First Round Draft Pick Dominique Rodgers-Cromartie. The Tigers repeated as champions in 2008, winning all three of its Sgt. York games.

The award is named in honor of Alvin C. York, the most noted Soldier of World War I. As a corporal in the 2nd battalion, 328th Infantry, in the Battle of the Meuse River-Argonne (Oct. 8, 1918), York and seven other soldiers captured 132 prisoners, was promoted to sergeant and received the Distinguished Service Cross, the French *Croix de Guerre*, the French Legion of Honor, the *Croce di Guerra* of Italy and the War Medal of Montenegro. Upon his return to the United States in 1919, he was bestowed the Congressional Medal of Honor.

Following the war York returned his home in Pall Mall, Tenn. (located in north central Tennessee, 55 miles northeast of Cookeville) where he dedicated his life to improving education and facilitating educational opportunities for children in the state of Tennessee. In 1927 he established the Alvin C. York Institute after spending several years raising money for the school which opened as a private institution. That school was established, in part, to provide educational opportunities denied to the boys and girls of Fentress County. In 1937, the Institute became a state special school after an appeal to the Tennessee State Legislature. The school, located in Jamestown, Tenn., is still in operation today.

York died on Sept. 2, 1964 and the foundation which he helped establish in 1920 – The Sergeant York Patriotic Foundation – was dormant for many years. The Foundation was re-established by Lipscomb Davis, Jr. in 1992 and is currently run by Sgt. York's grandson Gerald (U.S. Army Colonel, Retired). York's papers are archived by Michael E. Birdwell, Ph.D., who is an associate professor of history at Tennessee Technological University, one of the four institutions that will compete for the yearly honor.

After the completion of the football season, the Sergeant York Trophy is awarded to the institution with the best head-to-head record in the match-ups with their fellow Tennessee schools. In the event of a tie, the award is shared; however, the previous winner will retain the trophy if they are part of the tie. If the tie is between two other institutions, the trophy will go to the institution that has gone the most seasons without winning the trophy.

The award is presented to the winning institution annually at the Pepsi Celebration of Champions which is hosted each spring by the Nashville Sports Council. The event was created in 1999 and salutes amateur and professional sports in Tennessee.

OVC/NCAA OVERTIME PROCEDURES

PROCEDURE FOLLOWING REGULATION PLAY:

Immediately following the conclusion of the fourth quarter, officials will instruct both teams to retire to their respective team areas. The officials will escort the captains to the center of the field for the coin toss. The winner of the toss shall be given the option of selecting offense or defense, with the offense at the opponent's 25-yard line to start the series, or which end of the field shall be used for both series of that overtime period. The winner of the toss may not defer his choice. The loser of the toss shall have the first choice of the two options for subsequent even-numbered extra periods.

EXTRA PERIODS:

An extra period shall consist of two series with Team A and Team B each putting the ball in play by snap at the designated 25-yard line, which becomes the opponent's 25-yard line.

TEAM SERIES:

Each team retains the ball during a series until it scores or fails to make a first down. The ball remains alive after a change of team possession until it is declared dead. However, Team A may not have a first and 10 if it again possesses the ball after a change of team possession.

SCORING:

The team scoring the greater number of points during the regulation and extra periods shall be declared the winner. There shall be an equal number of series, as defined, in each extra period, except if Team B scores during a period other than on the try (i.e.: on the first possession of a period, Team A scores a touchdown. On the try, Team B intercepts a pass and returns it for a two-point touchdown. Ruling: Team B is awarded the ball on the 25-yard line to start its series with the overtime score 6-2.). **Beginning with the third extra period, teams scoring a touchdown must attempt a two-point try. A one-point try, although not illegal, will not score a point.**

TIMEOUTS:

Each team shall be allowed one timeout for each extra period. Unused extra-period timeouts may not be carried over to other extra periods.
