BRENTWOOD, Tenn. -- After experiencing its most athletically successful year since making the move to Division I in 1995, new Ohio Valley Conference member **Jacksonville State University** capped off its season of achievements by claiming one of the league's most prestigious honors, the OVC Academic Achievement Banner, for the 2003-04 year.

The OVC Academic Achievement Banner is given annually to the school whose student-athletes have the highest combined grade point average as compared to the average for the entire full-time undergraduate student body. Jacksonville State's student-athletes had a combined grade point average of 2.88, which eclipsed the 2.36 average of the entire full-time undergraduate student body. Eight JSU student-athletes achieved a perfect 4.0 average during the 2003-04 academic year. **Austin Peay State University** finished second in the banner competition while **Tennessee State University** placed third.

As part of the award, Jacksonville State, Austin Peay and Tennessee State will receive monetary donations to their student-athlete academic enhancement programs. The funds, which were provided by Aeropostale, Inc., total \$4,000. Jacksonville State will receive \$1,750 while Austin Peay and Tennessee State will receive \$1,250 and \$1,000, respectively.

"We're pleased Aeropostale has joined us in recognizing the academic achievements of our student-athletes," stated OVC Commissioner Dr. Jon A. Steinbrecher. "This Conference takes great pride in the success of its student-athletes, not only on the playing field, but more importantly, in the classroom.

"The Academic Achievement Banner is a very visible reminder of the values of the Ohio Valley Conference," continued Steinbrecher. "Jacksonville State University deserves to be proud of this significant accomplishment by its student-athletes. Furthermore, all of our member institutions are to be commended for the academic achievement of their student-athletes."

Jacksonville State's performance marks the first time in the coveted award's 18-year history it has gone to a first-year member. In addition to Eastern Kentucky University, which has earned a league-high eight banners, including four straight from 1988-92, Morehead State University has claimed five banners while Austin Peay State University, The University of Tennessee-Martin and Tennessee State University have earned one banner apiece.

EIGHTY-FOUR STUDENT-ATHLETES AWARDED OVC MEDALS OF HONOR

Eighty-four student-athletes from 18 sports have been awarded the 2003-04 Ohio Valley Conference Medal of Honor. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport.

All 84 of the student-athletes who earned a medal achieved a perfect 4.0 grade point average. Eastern Illinois, Morehead State and Tennessee-Martin tied with a league-high 11 Medal of Honor recipients apiece, while Jacksonville State, Murray State, Southeast Missouri and Tennessee Tech had eight each.

The OVC also announced that more than 840 student-athletes have been named to the 2003-04 Commissioner's Honor Roll. Women's soccer topped the list of overall and women's squads with 106 honorees, while women's track and field had 85 and softball (77) edged out volleyball (74). On the men's side, football claimed the most spots with 87 and baseball added 65. To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport or sports.
