BRENTWOOD, Tenn. -- Morehead State University is the recipient of the 2004-05 Ohio Valley Conference Institutional Academic Achievement Award Presented by Aeropostale. The award, which was previously named the OVC Academic Achievement Banner, is presented annually to the member institution with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll for that academic year. The University of Tennessee at Martin finished second in the award standings while Southeast Missouri State University placed third.

This marks the sixth academic honor for Morehead State in the coveted award's 19-year history. In addition to Eastern Kentucky University, which has earned a league-high eight awards, including four straight from 1988-92, Austin Peay State University, Jacksonville State University, The University of Tennessee-Martin and Tennessee State University have earned one award apiece.

The league also announced the recipients of 17 OVC Team Academic Achievement Awards Presented by Aeropostale, which are presented annually in each Conference-sponsored sport to the member institution's team with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll.

The team/institution honorees are:

Men's Golf - Tennessee State	Women's Track and Field - Southeast Missouri

"We're pleased Aeropostale has joined us in recognizing the academic achievements of our student-athletes," stated OVC Commissioner Dr. Jon A. Steinbrecher. "This Conference takes great pride in the success of its student-athletes, not only on the playing field, but more importantly, in the classroom."

"The Academic Achievement Awards Presented by Aeropostale are a very visible reminder of the values of the Ohio Valley Conference," continued Steinbrecher. "Morehead State University deserves to be proud of this significant accomplishment by its student-athletes, as do the institutions who received team awards. Furthermore, all of our member institutions are to be commended for the academic achievement of their student-athletes."

101 STUDENT-ATHLETES AWARDED OVC MEDALS OF HONOR

A Conference-record 101 student-athletes from 18 sports have been awarded the 2004-05 Ohio Valley Conference Medal of Honor. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport.
