BRENTWOOD, Tenn. -- Morehead State University is the recipient of the 2005-06 Ohio Valley Conference Institutional Academic Achievement Award Presented by Aeropostale. The award is presented annually to the member institution with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll for that academic year. The University of Tennessee at Martin finished second in the award standings while Austin Peay State University placed third.

"This Conference takes great pride in the success of its student-athletes, not only on the playing field, but more importantly, in the classroom.

"The Academic Achievement Awards Presented by Aeropostale are a very visible reminder of the values of the Ohio Valley Conference," continued Steinbrecher. "Morehead State University deserves to be proud of this significant accomplishment by its student-athletes, as do the institutions who received team awards. Furthermore, all of our member institutions are to be commended for the academic achievement of their student-athletes."
