BRENTWOOD, Tenn. -- Morehead State University has been awarded the 2006-07 Ohio Valley Conference Institutional Academic Achievement Award Presented by Aeropostale, the third consecutive year the institution has won the award. The award is presented annually to the member institution with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll for that academic year. Murray State University finished as the runner-up and were closely followed by Tennessee Technological University, Austin Peay State University and the University of Tennessee at Martin.

It marks the eighth time overall that Morehead State has claimed the honor in the 21-year history of the award; that ties Eastern Kentucky for the most awards in OVC history. ECU is the only other institution to win more than three straight awards; the Colonels won four straight from 1988-89 through 1991-92. Austin Peay, Jacksonville State University, Tennessee-Martin, Tennessee State University and former member Middle Tennessee State University have earned one award apiece.

The league also announced the recipients of 17 OVC Team Academic Achievement Awards Presented by Aeropostale, which are presented annually in each Conference-sponsored sport to the member institution's team with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll. Tennessee Tech claimed a OVC-best five team awards, while Morehead State, Murray State and Tennessee-Martin were honored with three apiece.

The team/institution honorees are:

"We're pleased Aeropostale continues to support us in recognizing the academic achievements of our student-athletes," stated OVC Commissioner Dr. Jon A. Steinbrecher. "This Conference takes great pride in the success of its student-athletes, not only on the playing field, but more importantly, in the classroom."

"The Academic Achievement Awards Presented by Aeropostale are a very visible reminder of the values of the Ohio Valley Conference," continued Steinbrecher. "Morehead State University deserves to be proud of this significant accomplishment by its student-athletes, as do the institutions who received team awards. Furthermore, all of our member institutions are to be commended for the academic achievement of their student-athletes."

136 Student-Athletes Awarded OVC Medals of Honor; 1,023 Tabbed For Commissioner's Honor Roll

For the second straight year a Conference-record number of student-athletes have been awarded the Ohio Valley Conference Medal of Honor. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport. Last season 105 student-athletes received the award; this season 136 student-athletes earned the 2006-07 honor. All of those student-athletes achieved a perfect 4.0 grade point average. Of those 136 award winners, 13 were awarded Medals of Honor for multiple sports.

The OVC also announced that 1,023 student-athletes were named to the 2006-07 OVC Commissioner's Honor Roll. To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport or sports. Those numbers included 62 student-athletes who compete in non-OVC championship sports (i.e. Southeast Missouri gymnastics, Eastern Illinois men's soccer) and 67 student-athletes who were recipients in multiple sports.
