

OHIO VALLEY CONFERENCE

Morehead State University Wins Fourth Straight OVC Institutional Academic Achievement Award; Eastern Illinois Claims Four Team Awards

August 13, 2008

FOR IMMEDIATE RELEASE

Contact: Kyle Schwartz

BRENTWOOD, Tenn. -- Morehead State University has been awarded the 2007-08 Ohio Valley Conference Institutional Academic Achievement Award, the fourth consecutive year the institution has won the accolade. The award is presented annually to the member institution with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll for that academic year. The University of Tennessee at Martin finished as the runner-up and was closely followed by Eastern Illinois University and Southeast Missouri State University.

It marks the ninth time overall that Morehead State has claimed the honor in the 22-year history of the award, which is now the most in Conference history. The Eagles are now one of only two programs (Eastern Kentucky being the other) to win the award four straight years. Eastern Kentucky has won eight crowns, while Austin Peay, Jacksonville State University, Tennessee State University, University of Tennessee at Martin and former member Middle Tennessee State University have earned one award apiece.

The league also announced the recipients of 16 OVC Team Academic Achievement Awards, which are presented annually in each Conference-sponsored sport to the member institution's team with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll. Eastern Illinois claimed an OVC-best four team awards, while Eastern Kentucky, Murray State and Tennessee Tech each won three team honors apiece. In all, seven different member institutions garnered at least one award.

The team/institution honorees are:

Baseball: Eastern Kentucky

Men's Basketball: Eastern Illinois and Tennessee Tech

Women's Basketball: Eastern Illinois

Men's Cross Country: Tennessee Tech

Women's Cross Country: Southeast Missouri State

Football: Eastern Kentucky

Men's Golf: Murray State

Women's Golf: Murray State

Rifle: Murray State

Women's Soccer: UT Martin

Softball: Tennessee Tech

Men's Tennis: Eastern Kentucky

Women's Tennis: Morehead State

Men's Track and Field: Eastern Illinois

Women's Track and Field: Eastern Illinois

Women's Volleyball: Morehead State

"This Conference takes great pride in the success of its student-athletes, not only on the playing field, but more importantly, in the classroom," stated OVC Commissioner Dr. Jon A. Steinbrecher. "The Academic Achievement Awards are a very visible reminder of the values of the Ohio Valley Conference. Morehead State University deserves to be proud of this significant accomplishment by its student-athletes, as do the institutions who received team awards. Furthermore, all of our member institutions are to be commended for the academic achievement of their student-athletes."

116 Student-Athletes Awarded OVC Medals of Honor; 865 Tabbed For Commissioner's Honor Roll

It was also announced that 116 Ohio Valley Conference student-athletes received the Medal of Honor for the 2007-08 season. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport. It marked the fourth straight year that over 100 different student-athletes received the award. The 116 winners were the second-most in award history (trailing only the 136 winners a year ago). Most impressively, all of those student-athletes achieved a perfect 4.0 grade point average. Of those 116 award winners, 14 were awarded Medals of Honor for multiple sports.

The OVC also announced that 865 student-athletes were named to the 2007-08 OVC Commissioner's Honor Roll, the second highest total in award history. To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport or sports. Those numbers included 51 student-athletes who compete in non-OVC championship sports (i.e. Southeast Missouri gymnastics, Eastern Illinois swimming & diving, etc.) and 49 student-athletes who were recipients in multiple sports.
