FOR IMMEDIATE RELEASE

Contact: Kyle Schwartz

BRENTWOOD, Tenn. -- Morehead State University has been awarded the 2009-10 Ohio Valley Conference Institutional Academic Achievement Award. The award is presented annually to the member institution with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll for that academic year. Southern Illinois University Edwardsville was second, followed by Eastern Illinois University, who was third for the second-straight year.

It marks the 10th time Morehead State has won the award in the 24 years it has been awarded, an OVC record. The Eagles had won the award four years in a row (2004-05 through 2007-08) before coming in second a season ago to Austin Peay (who has two all-time awards). Eastern Kentucky University has eight crowns while Jacksonville State University, Tennessee State University, University of Tennessee at Martin and former member Middle Tennessee State University have earned one award apiece.

The league also announced the recipients of 16 OVC Team Academic Achievement Awards, which are presented annually in each Conference-sponsored sport to the member institution's team with the greatest percentage of its student-athletes named to the OVC Commissioner's Honor Roll. Eastern Illinois claimed an OVC-best five team awards, followed by Morehead State and Southeast Missouri State University who had three team awards apiece. In all seven different member institutions garnered at least one award.

A Record 145 Student-Athletes Awarded OVC Medals of Honor; 1,044 Tabbed For Commissioner's Honor Roll

It was also announced that 145 Ohio Valley Conference student-athletes received the Medal of Honor for the 2009-10 season. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport. The 145 honorees is the most in the history of the award, surpassing the record of 136 in 2006-07. It also marks the sixth year in a row there have been over 100 winners. All but one of the honorees achieved a perfect 4.0 grade point average during the year. Of the 145 award winners, 15 were awarded Medals of Honor for multiple sports (and counted just once in the final recipients list).

The OVC also announced that 1,044 student-athletes were named to the 2009-10 OVC Commissioner's Honor Roll, equaling the most winners in the history of the award (tying the mark also set a year ago). To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport or sports. Those numbers included 54 student-athletes who compete in non-OVC championship sports that do not compete in another conference (i.e. Southeast Missouri gymnastics, UT Martin equestrian, Eastern Illinois rugby, SIUE men's soccer and wrestling) and 84 student-athletes who were recipients in multiple sports (and counted just once in the final total).
