**BRENTWOOD, Tenn.** -- After enjoying unprecedented success athletically during the 2002-03 season, Austin Peay State University capped off its year of achievements by claiming one of the Ohio Valley Conference's most prestigious honors, the OVC Academic Achievement Banner, for the first time in the institution's history.

The OVC Academic Achievement Banner is given annually to the school whose student-athletes have the highest combined grade point average as compared to the average for the entire full-time undergraduate student body. Austin Peay's student-athletes had a combined grade point average of 2.89, which was slightly higher than the 2.74 average of the entire full-time undergraduate student body. Four APSU student-athletes achieved a perfect 4.0 average during the 2002-03 academic year. Eastern Kentucky University finished second in the banner competition while Tennessee State University placed third.

"The OVC Academic Achievement Banner is truly an award that demonstrates outstanding dedication of an institution's entire student-athlete population to the importance of academics," OVC Commissioner Jon A. Steinbrecher said. "Austin Peay State University deserves to be proud of this significant accomplishment by its student-athletes. Furthermore, all of our member institutions are to be commended for the academic achievement of their student-athletes."

Austin Peay's performance marks just the fourth time in the coveted award's 17-year history it has gone to an institution in the state of Tennessee. In addition to EKU, which has earned a league-high eight banners, including four straight from 1988-92, Morehead State has claimed five while Tennessee-Martin, Tennessee State and former member Middle Tennessee have earned one banner apiece.

### **72 STUDENT-ATHLETES AWARDED OVC MEDALS OF HONOR**

Seventy-two student-athletes from 18 sports have been awarded the 2002-03 Ohio Valley Conference Medal of Honor. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport.

Of the 72 student-athletes who earned a medal, all but two of them achieved a perfect 4.0 grade point average. Southeast Missouri had a league-high 12 Medal of Honor winners, followed by Eastern Kentucky and Tennessee-Martin with 11 apiece.

The OVC also announced that over 600 student-athletes have been named to the 2002-03 Commissioner's Honor Roll. Soccer topped the list of overall and women's squads with 74 honorees, while softball followed closely with 72 and volleyball had 64. On the men's side, football claimed the most spots with 59, and baseball added 35. To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport or sports.
