The venture with JumpTV Sports (formerly XOS Technologies) allows fans to access live and on-demand streaming video and audio of all conference matchups on their home computer. The premium Web site was launched in July 2006 and streamed hundreds of events in its first season, including all Conference matchups in football and men's and women's basketball as well as select baseball, soccer, softball and volleyball games and OVC Championship events. Last season the OVC was one of just two Conferences nationally streaming every football and men's and women's basketball game on the Internet.
