Now in its 66th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference. In May 2011 the Conference expanded for the second time in four years, adding Belmont University which began competition in the 2012-13 academic year. The addition of Belmont gave the OVC 12 members, the most the league has had at one time in its illustrious history. The move added a second team in the city of Nashville and was the first addition to the league since Southern Illinois University Edwardsville joined in 2008. Subsequently, the league has shown its stability over the past decade, seeing only one member institution depart over the past 13 years.

The 2009-10 school year saw a change in leadership as Beth DeBauche was named the seventh full-time Commissioner in league history on July 28, 2009. She is currently one of just six females to be the head of a Division I conference, and one of just nine to lead a Division I conference all-time. The last three commissioners of the OVC have moved onto jobs as the commissioner of the Big Ten, Big 12 and the Mid-American Conferences.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

In the 1950s, the OVC became a pioneer on a much more significant scale socially. During times of racial segregation, league member Morehead State became one of the first non-traditionally black mid-southern institutions to accept a black student. In 1958 Marshall Banks earned athletically-related aid at Morehead, which signed a second black athlete, Howard Murphy, a year later. In 1961 Murphy earned all-conference recognition as a half-back in football. With racial barriers broken, the rest of the institutions in the league began to provide educational and athletic opportunities to African-Americans.

After Title IX legislation passed in 1972, women's athletics began a rebirth on the national scene as the NCAA began sponsoring and marketing women's sports. Recognizing the need to provide increased opportunities for female athletes, the OVC began formulating plans for women's athletics in 1975 and established women's championships in the sports of basketball, tennis and track in 1977, with cross country and volleyball added over the next four years. Those sports were initially governed by the Association of Intercollegiate Athletics for Women (IAIW), but the overall strength of women's programs in the league was demonstrated by the automatic bids the OVC instantly received when the NCAA became the governing body in 1982. The conference added women's golf and softball in 1994 and women's soccer in 1998.

In 1955, the OVC became only the second six-member league nationally to earn an automatic bid to the prestigious NCAA Men's Basketball Tournament, which, at that time, was limited to only 24 participants. The Conference quickly proved worthy of that bid, as Morehead State defeated Marshall (107-92) and Wayne State (95-84) in the 1956 tournament. Fifteen years later, former OVC member Western Kentucky became the first and only Conference team to reach the Final Four. The Hilltoppers defeated Jacksonville, Kentucky and Ohio State before losing to Villanova in double overtime in the national semifinals. WKU went on to finish in third place after beating Kansas 77-75 in the consolation game.

Since that time, the OVC has recorded some of the biggest upsets in the history of the NCAA Tournament. Perhaps the most famous moment came in 1987, when Austin Peay came from fourth place in the regular season to win the OVC Tournament and earn the league's automatic bid. The Governors drew powerful Illinois, and were such big underdogs, that ESPN broadcaster Dick Vitale promised to stand on his head if APSU won the game. After a 68-67 victory over the Illini, and a narrow 90-87 overtime loss to eventual Final Four participant Providence in the second round, Vitale made good on his promise in a visit to Clarksville two months later.

Murray State added to the OVC's string of upsets in 1988 when it knocked off 14th-ranked North Carolina State, 78-75. The Racers' M&M Boys - Jeff Martin and Don Mann - combined for 39 points in the win. MSU nearly went on to the Sweet 16 that year, losing to eventual national champion Kansas, 61-58. A bank shot by Mann that would've given the Racers a one-point lead rolled off the rim with three seconds left. In 1990 as a No. 16 seed, Murray State took No. 1 seed Michigan State into overtime before falling 75-71; that game still marks the closest a No. 16 seed has come to knocking off a No. 1 in men's tournament action. More recently, Murray State has dominated the OVC Tournament, reaching the championship game every year in the 1990's. The Racers' 15 OVC Tournament Championships are the most among all OVC schools.

After former member Middle Tennessee State won a first round game in 1989, the league had a drought as no other OVC team won a NCAA Tournament game for the next 19 years. But Morehead State, coming off a thrilling double overtime OVC Tournament victory over Austin Peay, topped Alabama State 58-43 in the Opening Round game at University of Dayton Arena in Dayton, Ohio. The game was played in front of an Opening Round record crowd of 11,346; that crowd included many MSU fans who made the three-hour drive from Morehead for the game.

In 2009-10, Murray State made OVC history by winning a record 31 games (31-5) on its way to the league's regular season and tournament championships. In the first round of the NCAA Tournament, the No. 13 seed Racers topped Vanderbilt in thrilling fashion when senior Danero Thomas hit a jumper as time expired to lift MSU to a 66-65 victory. It marked the first OVC team to advance to the second round of the NCAA Tournament since 1989, and snapped a skid of 71-straight losses to Southeastern Conference foes (dating back to 2000-01). In the second round the Racers pushed eventual national runner-up Butler to the brink before losing 54-52.

In 2010-11 Morehead State would make it three NCAA Tournament wins in as many years for the league and got a bit of revenge for the 2009 tournament loss to Louisville in the process. After finishing second in the regular season and winning the OVC Tournament

Championship, the No. 13 seeded Eagles were shipped to Denver to play the in-state foe Cardinals. MSU jumped out to a 15-2 advantage but were down four points (61-57) with just over a minute to play in regulation. After two free throws from two-time OVC Player of the Year Kenneth Faried, the Eagles held for one final shot attempt and senior Demonte Harper pulled up off a cross-over dribble to nail a 3-pointer with 4.3 seconds left that gave Morehead State a 62-61 lead. UofL had one last attempt but Faried blocked the Cardinals last shot, giving MSU the win, its first over Louisville since the 1956-57 season.

In 2011-12 Murray State put together one of the greatest seasons in OVC history, beginning the year 23-0 (an all-time OVC best) and being ranked as high as No. 7 in the coaches poll on Feb. 6. The squad was the first OVC team to be nationally-ranked since Murray State was ranked in 1997-98; in addition the top 10 ranking was the first for an OVC team since the 1970-71 campaign (WKU). The Racers would top nationally-ranked Memphis and Saint Mary's during the season and win the league's regular season and tournament championships. MSU earned a No. 6 seed in NCAA Tournament, the highest-ever seed for an OVC team since the NCAA began seeding the field in 1979. The Racers would top Colorado State 58-41 in the second round before falling to Marquette in the third round. Murray State would win 31 games overall, tying the OVC all-time record the Racers set in 2009-10.

After the Murray State win in 2011-12, the league had won NCAA Tournament games in four-straight seasons, something that had never happened in league history (three-game winning streaks from 1960-62 and 1987-89 had been the previous best streaks). Over that time period (2009-12) the OVC was one of just nine conferences nationally to win a NCAA Tournament game in each season and one of only three non-BCS leagues (joining the Atlantic 10 and WCC) to do so.

During the 2010-11 year Faried, the nation's leading rebounder during the season, became the NCAA's Modern Era (since 1973) career rebounding leader, totaling 1,673 rebounds which passed Tim Duncan for the record (he is 11th all-time in NCAA history). Faried also finished his career with 86 double-doubles, second all-time to only Duncan. He is one of only six players in NCAA history to finish with 2,000-plus career points (2,009) and 1,600-plus career rebounds. Faried was drafted 22nd overall by the Denver Nuggets in the 2011 NBA Draft, becoming the first OVC player selected in the first round since Tennessee State's Carlos Rogers 1994.

Through its 65 years, 13 teams have won or shared the league's regular season men's basketball title. Murray State heads the list with a Conference-record 23 outright or shared basketball crowns. Other past champions include former member Western Kentucky (19), Morehead State (9), Austin Peay (8), Eastern Kentucky (6), Tennessee Tech (5), former member Middle Tennessee (5), Tennessee State (2), former member East Tennessee State (2), Belmont (1 - winning the 2012-13 title in its first year in the league), Southeast Missouri State (1), UT Martin (1) and former member Akron (1).

Among the coaching greats in men's basketball have been Western Kentucky's E.A. Diddle, who retired with 759 victories and 10 OVC titles; John Oldham, who was a member of the very first All-OVC squad and went on to win seven OVC crowns during his coaching tenure at Tennessee Tech and Western Kentucky; Paul McBrayer, who guided Eastern Kentucky to 219 wins and three OVC crowns; and Cal Luther, who is the only person in Conference history to win men's basketball Coach of the Year honors at two league schools - Murray State and UT Martin. Current Austin Peay head coach Dave Loos became the winningest coach in OVC history in 2009-10, netting his 319th victory and passing Luther on the all-time list. Loos enters the 2013-14 season with 371 victories.

There have been an equal number of great players including Western Kentucky's Clem Haskins, who is the only three-time OVC Player of the Year. Several players have won OVC Player of the Year honors twice: Western Kentucky's Jim McDaniels (1969-70 and 1970-71), Murray State's Les Taylor (1971-72, 1972-73), Jeff Martin (1987-88, 1988-89), Popeye Jones (1989-90, 1990-91) and Marcus Brown (1994-95, 1995-96), Austin Peay's Otis Howard (1976-77, 1977-78), Middle Tennessee's Jerry Beck (1980-81, 1981-82), Akron's Joe Jakubick (1982-83, 1983-84), Tennessee State's Carlos Rogers (1992-93, 1993-94), UT Martin's Lester Hudson (2007-08, 2008-09), Morehead State's Kenneth Faried (2009-10, 2010-11) and Murray State's Isaiah Canaan (2011-12, 2012-13).

The OVC also has the honor of being the only conference to boast the nation's leaders in scoring, rebounding and assists all in one season. That feat was accomplished in 1991-92 by Morehead State's Brett Roberts (28.1 ppg), Murray State's Popeye Jones (14.4 rpg) and Tennessee Tech's Van Usher (8.8 apg).

In 2007-08, UT Martin guard Lester Hudson became the first men's Division I player to record a quadruple-double in a game, when he registered 25 points, 12 rebounds, 10 assists and 10 steals in a victory over Central Baptist College. Hudson, who ranked fourth in scoring nationally as a junior, returned for his senior season in 2008-09 and was second nationally in scoring (behind Davidson's Stephen Curry) at 27.5 points a contest. Hudson earned numerous honors (including OVC Player of the Year and OVC Male Athlete of the Year in each 2008 and 2009 and All-American status from several outlets) before being drafted by the Boston Celtics with the No. 58 pick of the 2009 NBA Draft.

Murray State guard Isaiah Canaan, a first-team All-American in 2011-12, capped his illustrious career in 2012-13 by becoming just the 17th player in OVC history to score 2,000 or more career points (and the third player in the past three years to do so), Canaan, who was a key part of Murray State NCAA Tournament victories in both 2010 and 2012, earned a pair of OVC Player of the Year honors (2012 and 2013) during his career as well as being named OVC Freshman of the Year (2010), OVC Tournament MVP (2010) and OVC Male Athlete of the Year (2012).

Women's basketball in the OVC has been dominated by Tennessee Tech, which has won or shared 18 regular-season titles and owns nine OVC Tournament crowns. In fact, the Golden Eagles have reached the championship game of the OVC Tournament 22 times in the past 32 years. Although Tennessee Tech remains the standard-bearer, five other teams have won 13 of the last 20 OVC Tournaments. UT Martin became the latest program to add its name to the list, capturing its first OVC Tournament title in 2011 and also winning championships in 2012 and 2013. The Skyhawks were the first team to three-peat since

OVC HONORS AND AWARDS

The Ohio Valley Conference implemented a first-of-its-kind "Sportsmanship Statement," a policy promoting fair play, ethical conduct and respect for one's opponent in 1995. The statement answered a challenge of the NCAA Presidents Commission to improve sportsmanship in college athletics, and has become a model for others to follow across the nation.

The development of the OVC sportsmanship statement began in June 1993 at the direction of the league's presidents. A committee made up of athletics directors and faculty representatives drafted the initial statement, and all coaches and other administrators had the opportunity for input. The statement sets forth expectations for spirit groups, officials and fans, as well as the student-athletes and coaches. Here is a brief synopsis of each group's expectations within the sportsmanship statement.

Administrators: Institutional administrators will create an environment of hospitality for visiting teams, particularly for those individuals at Conference institutions. Administrators will treat the visiting teams and its fans in the same manner that they would want their teams to be treated.

Coaches: Coaches have the greatest amount of influence over whether young people in their programs are taught and follow the high principles of sportsmanship. The OVC has been benefited by coaches who have risked losing a contest by removing student-athletes who have demonstrated disrespect for their opponents. This discipline measure educates that individual about the importance of sportsmanship over participation and winning, and helps counteract the constant messages received from many professional athletes who demonstrate a lack of respect for opponents.

Student-Athletes: Student-athletes at OVC institutions will be expected to treat opponents with sportsmanship, and there will be no tolerance for taunting and baiting of opponents. OVC student-athletes must understand that they are perhaps the most visible representatives of their institutions and their behavior is observed and emulated by many who are younger. OVC student-athletes must honor the responsibilities that accompany the privilege of representing our schools by behaving with dignity and class on and off the field.

Spirit Groups: Like our student-athletes, spirit groups are visible representatives of our universities, and they are expected to show decent behavior. Cheerleaders, bands and other spirit groups are admitted to contests to support their teams and assist in creating a fun atmosphere, but they will not be allowed to disrupt or confront opposing teams.

Officials: Officials will enforce the rules regarding sportsmanship without tolerance for abuse. Players and coaches will receive their only warning prior to the contest, and once the contest begins, penalties will be assessed for violations of unsportsmanlike conduct.

Fans: We know all fans are embarrassed by the inappropriate behavior of a few who may engage in confrontational and threatening actions towards officials, visiting fans, players or coaches. Those individuals may be dismissed to provide a better environment for others.

The Conference believes that the effort to meet the expectations outlined in the sportsmanship statement will increase the attractiveness at our athletics events by creating a healthy environment for competition. A complete copy of the sportsmanship statement can be obtained by calling the OVC office at (615) 371-1698.

The OVC has a variety of awards to recognize sportsmanship by its student-athletes, coaches, administrators and teams. In 1998, the OVC

established the Steve Hamilton Sportsmanship Award, presented annually to a male or female junior or senior student-athlete who best exemplifies the characteristics of the former Morehead State student-athlete, coach and administrator. Hamilton is the only individual to have ever played in a NCAA Basketball Championship, a Major League Baseball World Series (New York Yankees) and a National Basketball Association Championship Series (Minnesota Lakers).

In 2003-04 the League began awarding the Institutional Sportsmanship Award, given to the OVC member institution selected by its peers to have best exhibited the standards of sportsmanship and ethical conduct as outlined by the OVC and NCAA. In 2005-06 the League expanded the sportsmanship award program by adding the Team Sportsmanship Award. An award is given to each sport sponsored by the OVC and is voted on by the student-athletes and coaches of the respective sports.

Beth DeBauche - Commissioner

Elizabeth (Beth) DeBauche was named Commissioner of the Ohio Valley Conference on July 29, 2009 and began her duties with the league in September 2009.

DeBauche (pronounced De-BUSH) is the seventh full-time Commissioner in the 63-year history of the OVC. She follows Art Guepe (1963-75), Paul Dietzel (1975-76), Bob Vanatta (1976-79), Jim Delany (1979-89), Dan Beebe (1989-2003) and Dr. Jon A. Steinbrecher (2003-09).

DeBauche is one of just eight females to be the head of a Division I Conference in 2013-14.

In May 2011 the league announced the addition of Belmont University to the OVC beginning in 2012-13. The addition of Belmont brought the OVC to 12 teams, the largest membership total in league history.

DeBauche will serve as the Chair of the Nashville Local Organizing Committee (NLOC) for the 2014 NCAA Division I Women's Basketball Final Four. The Ohio Valley Conference will serve as the host institution of the event which will be held at Bridgestone Arena in Nashville on April 6 and 8.

Under DeBauche the league started an extensive strategic planning and branding initiative which led to the development of the league's first tagline of "Inspiring Excellence Since 1948." The project also produced the league's first 30-second PSA commercial in over a decade as well as a longer feature video highlighting the Conference.

During the 2012-13 school DeBauche oversaw the switch of the league's web streaming efforts to a free access model which was rebranded the OVC Digital Network (OVCDN). The new OVCDN included HD video for the first time and was made available on any platform/device. The Digital Network focuses on both athletic competition as well as telling the story of OVC and its member institutions. In its first year as a free service the OVC Digital Network saw extreme growth in viewership.

In her four years with the league the OVC has seen postseason success men's basketball as Murray State topped Vanderbilt in the first round of the NCAA Tournament in 2010, Morehead State beat Louisville in the second round in 2011 and Murray State bested Colorado State in the second round in 2012. Overall the league has won NCAA Men's Basketball Tournament games in four of the past five years, including four-straight years (2009-12) for the first-time in league history.

OVC student-athletes have continued to achieve high levels of success not only on the field but also in the classroom. The league has consistently seen record number of honorees on the OVC Medal of Honor and OVC Commissioner's Honor Roll lists during her tenure. During the past four years 38 OVC

student-athletes have been named CoSIDA Academic All-Americans.

In 2012-13 DeBauche helped spearhead a year-long celebration of the 40th Anniversary of Title IX. As part of the celebration each of the OVC's 12-member institutions identified a pioneer in women's athletics and gender equality from their school to be honored during the year and celebrated at a home athletic event on their campus. The celebration was capped in May when those honorees were recognized at a special luncheon as part of the OVC Spring Meetings.

DeBauche currently serves on the NCAA Committee on Athletic Certification, the NCAA Division I Leadership Council and the NCAA Rules Working Group.

From August 2002 through August 2009 DeBauche, along with the vice-president of Division I, was responsible for coordinating Division I initiatives through the NCAA governance structure, as well as helping to manage the Division I agenda. Her duties included developing agendas and providing leadership for the Division I Board of Directors, Presidential Advisory Group and the Leadership Council. DeBauche has overseen the entire Division I governance structure and worked directly with the Legislative Council, the six cabinets and the supporting communications and coordination committee.

She was also a liaison to governance representatives, external constituent groups and NCAA staff regarding legislative and governance activities. That role required DeBauche to have regular interaction with the Collegiate Commissioner's Association (CCA), the CCA Compliance Coordinators, the Division I-A Athletics Directors Association, the National Association of Collegiate Women Athletics Administrators (NACWAA) and the Faculty Athletics Representatives Association (FARA). DeBauche also served as a liaison to the Women's Basketball Issues Committee, the Presidential Oversight and Monitoring Group, the Men's Basketball Academic Enhancement Group, the Presidential Task Force on Commercial Activity in Intercollegiate Athletics and the Two-Year College Relations Panel.

In 2008, DeBauche was named the NACWAA Conference/Organization Administrator of the Year.

Prior to her work at the NCAA, DeBauche worked at the Southeastern Conference (SEC) from November 1996 through August 2002. As an assistant and later associate commissioner, she managed all aspects of the SEC's rules compliance program. DeBauche provided NCAA and SEC rules interpretations, developing rules education materials and programming, conducting compliance reviews and assisting member institutions with the NCAA certification program. At times during her tenure, she also served as the league's liaison to the faculty athletics representatives, the compliance coordinators, directors of academic support and Student-Athletes Advisory Committee (SAAC) as well as the sports liaison to the leagues women's golf, women's tennis and women's volleyball coaches.

From 1996 to 1998 DeBauche was the Director of the National Letter of Intent (NLI) Program for the Collegiate Commissioners Association (CCA). In that role she was the administrator in charge of issuing all NLI rules interpretations, creating rules education materials and providing NLI rules education presentations as well as being the primary information resource for parents, student-athletes and the media.

DeBauche got her start in collegiate athletics at Vanderbilt University where she was the Assistant Athletic Director for Compliance from August 1994 to November 1996.

DeBauche received her Bachelor of Arts degree in history and government from Saint Mary's College (Ind.) and earned her Master's Degree in communications from Notre Dame. After completing the Concannon Program of International Law in London, England, DeBauche received her Juris Doctorate from the Notre Dame School of Law.

A member of the Illinois, Wisconsin and Georgia Bar, following law school graduation DeBauche worked as an attorney in each Green Bay, Atlanta and Marietta, as well as serving as a Judicial Clerk to P. Harris Hines, who is currently serving on the Georgia Superior Court.

DeBauche has been a member of the Notre Dame Club of Indianapolis Board of Directors, as well as a graduate of the Sports Management Institute and a participant in the Division I-A Athletic Directors Institute. She is a board member with the Nashville Sports Council, a member of the Nashville Catholic Business Women's League, the women's networking group CABLE and the Nashville Rotary.

OVC TO HOST 2014 NCAA WOMEN'S FINAL FOUR

On Nov. 14, 2008 the National Collegiate Athletic Association (NCAA) informed representatives from the Ohio Valley Conference and the Nashville Sports Council that the City of Nashville has been awarded the 2014 NCAA Division I Women's Basketball Final Four. The event will take place at Bridgestone Arena in downtown Nashville on April 6 and 8 this year.

In conjunction with the NCAA Division I Women's Basketball Final Four, Nashville will also host the Women's Basketball Coaches Association (WBCA) National Convention. The WBCA is the national association of approximately 5,000 basketball coaches representing all levels of the game, including junior high, AAU, high school, college and professional.

The process to secure the Division I Women's Final Four began in January 2008 with an initial meeting of the Music City Bid Committee, co-chaired by Vice-Mayor Diane Neighbors and Margaret Behm. The OVC and Nashville Sports Council submitted an official bid to the NCAA in June 2008 and were announced as one of the eight finalists in August 2008. The NCAA Division I Women's Basketball Committee and NCAA staff made a two-day visit to Nashville in mid-October 2008 and Nashville's local bid committee made a final presentation to the NCAA in Indianapolis on Nov. 12, 2008.

"This is great news for Nashville", said Nashville Mayor Karl Dean. "I applaud the Sports Council, the Ohio Valley Conference and the bid committee for all the work they put into making this happen, specifically Vice-Mayor Diane Neighbors and Margaret Behm. This news speaks to what a great destination Nashville is for large events and their participants, and it helps validate the need for a new, much larger convention center downtown. This event is only possible because by 2014 the Music City Center will be open and fully operational. I look forward to Nashville hosting this event and to showing the Women's Final Four participants all that Music City has to offer."

"This is a great day for Music City," said Nashville Vice-Mayor and Music City Bid Committee Co-Chair Diane Neighbors. "The Nashville team worked very hard and produced a fantastic proposal. Over the next six years we will be putting together a Final Four that players, coaches, and fans won't forget. Congratulations Nashville!"

"The community wide support we have received throughout the bid process has been phenomenal," said Music City Bid Committee Co-Chair Margaret Behm. "That broad ranging support coupled with Middle Tennessee's long tradition of celebrating women's basketball makes Nashville the perfect host site for the 2014 Women's Final Four."

OVC Commissioner Beth DeBauche helps Nashville Mayor Karl Dean unveil the official 2014 NCAA Division I Women's Final Four logo.

Bridgestone Arena, the home of the NHL's Nashville Predators, has hosted numerous basketball tournaments, including the 2012 NCAA Division I Men's Basketball 2nd/3rd Rounds, an event in which the Ohio Valley Conference served as the host.

"This is a phenomenal event to celebrate coming to Nashville," said Ohio Valley Conference Commissioner Beth DeBauche. "The Women's Basketball Committee having faith in the OVC and Nashville Sports Council to serve as hosts is a tribute to our organizations. It will be a fun ride to exceed their expectations and make 2014 the best Women's Final Four ever."

"We are pleased that the NCAA has awarded the 2014 Women's Final Four to Nashville," said Nashville Sports Council President & CEO Scott Ramsey. "This event is one of the most high profile annual events on the national sports calendar and will bring tremendous national exposure, prestige and economic impact to our community. We look forward to beginning the planning and preparation to host an unforgettable experience for the student-athletes, fans and everyone associated with the Women's Final Four."

When evaluating prospective host cities, the committee reviewed each city's competition venue, convention center, hotel community, transportation plans, legacy programs and financial commitment, as well as the community's and prospective host institution/conference's overall commitment to the event.

"The women's basketball committee invested a tremendous amount of time and effort in the Women's Final Four site selection process," said Jacki Silar, then chair of the NCAA Division I Women's Basketball Committee. "It was a very difficult and important decision and it was the committee's charge to determine which of the cities would best serve as future host sites for the pinnacle of women's basketball – the Women's Final Four. The committee appreciated the work and effort of each of the cities that participated in this bid selection process. Committee members evaluated each prospective host city based on many criteria, weighing each element's importance and what is critical to successfully host a Women's Final Four."

"The selection of Nashville and the Ohio Valley Conference to host the NCAA Final Four is an example of the quality work this conference does on behalf of the student-athletes that call the OVC home," said Rob Cross, Murray State University head women's basketball coach. "As a conference we certainly value the opportunity to host such a tremendous event in the home of our own tournament championship. We look forward to the rest of the nation seeing what we already know...that the people of this area are extremely passionate about basketball. As the excitement builds for the Final Four in Nashville it will certainly help build upon the reputation the OVC enjoys as an exciting basketball league."

2013-14 OVC MEN'S NOTES/PREVIEW

The Season is Here: The 2013-14 season marks the 66th of competition for the Ohio Valley Conference. Over the previous 65 years, 13 different teams have claimed an OVC regular season championship. Last season Belmont won its first OVC Championship in its inaugural season in the league.

Recent NCAA Tournament Success: The OVC enters this season having won NCAA Tournament games in four of the past five years. The League had won games in four-straight years (making them one of just nine conferences to do so from 2009-12) until failing to do so in 2013. The four-year winning streak from 2009-13 was unprecedented in OVC history. After winning NCAA Tournament games in each 1987, 1988 and 1989, the OVC went 20 years without a NCAA victory. That changed in 2009 when Morehead State topped Alabama State 58-43 in front of a record crowd at the Opening Round game in Dayton, Ohio. A year later it was No. 13 seed Murray State who won, topping No. 4 seed Vanderbilt 66-65 when Danero Thomas nailed a buzzer-beater in San Jose. In 2011 it was Morehead State's turn again, as the Eagles were seeded 13th and sent to Denver to battle No. 4-seed Louisville. MSU got off to a 15-2 lead nearly eight minutes into the game but trailed 61-59 with 31 seconds to play. On its final possession senior Demonte Harper nailed a 3-pointer from the top of the key with 4.3 seconds remaining to give Morehead State the lead and Kenneth Faried blocked Louisville's last shot attempt to seal the victory. In 2012 it was Murray State, who once again won, knocking off Colorado State 58-41 in the second round in a game played in Louisville.

OVC in Second Year of Divisional Play: For the second time this year the OVC will use divisional play for men's and women's basketball. The addition of Belmont University on July 1, 2012 gave the OVC 12 member institutions, the largest the Conference has been since it was formed in 1948 (the OVC is currently the nation's eighth-oldest Division I conference). The East Division includes Belmont, Eastern Kentucky, Jacksonville State, Morehead State, Tennessee State and Tennessee Tech. The West Division includes Austin Peay, Eastern Illinois, Murray State, Southeast Missouri State, SIUE and UT Martin. Some of the factors in determining the divisions included geography and balance while also being mindful of matchups and rivalries (both current and future).

OVC Tournament Format and Home Enters Year No. 4: After debuting a new format and home for the OVC Tournament in 2011, the tournament will once again return to Municipal Auditorium in Nashville this year. Once again the top eight men's and women's teams will qualify for the tournament and advance to play in Nashville (as opposed to playing first round games in campus sites) under a merit-based format. The No. 1 and 2 seeds will receive two byes to the semifinals while the No. 3 and 4 seeds will receive one bye into the quarterfinals. The first round will include the No. 5 seed against the No. 8 seed and the No. 6 seed against the No. 7 seed. Now that divisional play is used, the winner of each division is guaranteed one of he top two seeds while seeds 3-8 will be based on overall conference record regardless of division.

OVC Digital Network: The OVC launched the OVC Digital Network (OVCDN) in August 2012. The OVCDN is the exclusive home for live web streamed athletic contests involving OVC schools. Overall 2013-14 marks the eighth year the OVC has streamed live events. Starting with the re-branding of the streaming in 2012-13, events were offered free of charge and in an HD format and featured improved quality thanks to an investment in new equipment conference-wide. Fans also find it easier to log onto OVCDigitalNetwork.com and access the streams and can do so without any registration. The events are available on any computer, tablet or smart phone without needing any special downloads or apps thanks new streaming technology.

Preseason Predictions: Is being picked the preseason favorite always a good thing? Over the past 34 years of preseason polls that were available, the league's head coaches and sports information directors correctly picked the eventual OVC regular season champion 61.8 percent of the time, picking the correct winner 21 times over the past 34 years. Over the past 13 years, the preseason poll has correctly picked the winner seven times. Last season the poll tabbed the winner of each division correctly, picking Belmont and Murray State prior to the beginning of the season.

OVC Players in the NBA: OVC players are filling out NBA rosters to begin the 2013-14 season. Four former OVC players have guaranteed or partially-guaranteed contracts to begin the year, the most former OVC players to start a season in a recent memory. Those players included former Morehead State All-American **Kenneth Faried** (who begins his third season with the Denver Nuggets), former Murray State All-American **Isaiah Canaan** (who begins his first season in the league after being drafted by the Houston Rockets), former Belmont All-American **Ian Clark** (who begins his first season with the Utah Jazz after signing a free agent contract) and former Tennessee State standout **Robert Covington** (who begins his first season with the Houston Rockets after signing a free agent contact). Another former OVC Player of the Year, UT Martin's **Lester Hudson**, begins training camp with the Utah Jazz, but does not have a guaranteed contract.

Replay Systems for OVC Basketball Venues Enter Year Six: On Dec. 21, 2007, the Ohio Valley Conference mandated the use of courtside replay systems at all OVC basketball venues. The systems were put into place in January 2008 and have been used since. The systems are used in situations that are outlined by NCAA rules.

Tyler Stone was named the OVC Preseason Player of the Year in a vote of head coaches and sports information directors prior to the season. In each of his first two seasons with Southeast Missouri Stone picked up second-team All-OVC honors. A season ago he ranked eighth in the OVC in scoring (15.5 points/game), fifth in rebounding (7.8/game), fifth in blocked shots (1.3/game) and 12th in field goal percentage (49.2%).

TEAM NOTES

• Head coach Dave Loos, a five-time OVC Coach of the Year (1991, 1997, 2003, 2004, 2007) became the winningest coach in OVC history during the 2009-10 season. Loos, now in his 23rd season at APSU, is the current Dean of OVC coaches. He is one of just nine Division I coaches to be at the same program for at least 20 years. Loos also perviously served as APSU's athletic director, but stepped down from that role in April.

• A year after having a new state-of-the-art playing surface installed in the Dunn Center, the venue now has a new center-scoreboard that is 21-feet wide and 14.5 feet tall and weighs more than 9,000 pounds. It consists of four LED screens (one on each side); each screen measures 9 feet, 5 inches tall and 16 feet, 2 inches wide.

• Last season Chris Horton shattered APSU's single-season record for blocked shots by swatting 100 shots during his freshman season. It topped the old mark of 83.

TEAM NOTES

• Eastern Illinois has 18 players on its roster for the 2013-14 season with 14 considered newcomers that never played a minute in an EIU uniform. Dennis Green, Reggie Smith and Chris Olivier all redshirted with the Panthers last season. Smith and Olivier sat after transferring from UNLV and Northern Iowa. Olivier will not be eligible until the winter break.

• The Panthers may have two of the tallest players in OVC history with the addition of brothers Mat Piotrowski (7'2) and Luke Piotrowski (6'11) to this year's roster. Mat transferred from Southwestern Illinois College. Luke transferred from the University of Richmond.

• EIU made the OVC Men's Basketball Tournament as a number seven seed last season marking the first time since 2010 that EIU had advanced to tournament. EIU won its only OVC Tournament title in 2001.

TEAM NOTES

• Eastern Kentucky returns four starters, and a total of 13 letter winners, from last season's team that won a school record 25 games and won a national postseason tournament game for the first time in 68 years.

• Along the way, the Colonels started the season 9-0 -- their best start since 1946-47 -- won a school record nine road games, started 4-0 in the Ohio Valley Conference for the first time since 1978-79 and finished with an RPI ranking of 69. EKU was one of the final nine unbeaten teams in the nation and the last remaining undefeated mid-major team.

• The four returning starters are guards Glenn Cosey (15.2 ppg, 3.3 rpg, 3.2 apg), Corey Walden (13 ppg, 3.5 rpg) and Tarius Johnson (6.6 ppg, 4.2 rpg), and forward Eric Stutz (8.3 ppg, 4.7 rpg). Cosey was chosen NABC All-District. He and Walden were members of the OVC All-Newcomer Team. Johnson and Stutz were the only two players to start every game. Stutz ended the season by averaging 15.8 points, 6.3 rebounds, 2.0 assists and 1.5 steals in four postseason games.

TEAM NOTES

• In going 21-10 in 2013-14, MSU pushed it's consecutive winning seasons streak to 26. MSU is tied with Connecticut for fourth place behind only Syracuse (43), Kansas (30) and Arizona (29).

• The Racers had their 28th 20-win season in the 88 seasons in MSU history. MSU's four-straight 20-win seasons ties the school record from 1996-2000.

• The Gene W. Ray Center for Racer Basketball was officially opened on Feb. 26. The new facility will be a great resource for Murray State Basketball as it has office space for both the MSU women's and men's teams and features a full-size basketball court and six baskets.

• Head Coach Steve Prohm joined Tevester Anderson as the only MSU coaches to win at least 20 games in their first two seasons and Prohm became the fastest to 50 wins in MSU history with a win over Morehead State (Feb. 20).

TEAM NOTES

• This season SIUE will play two teams that have a head coach who has employed Cougars head coach Lennox Forrester as an assistant coach. That includes Jim Crews at Saint Louis (Forrester was on his staff at Evansville) and Jim Les of UC Davis (Forrester was on his staff at Bradley).

• When SIUE plays in the Portland State Tournament in November, it is the first three-day/three-game tournament the team has played in since the 2008 Charleston Classic.

• Including two walks-on's, this year's roster features eight new players, two of who sat our last year after transferring to SIUE.

TEAM NOTES

• TSU's team leader will be All-OVC point guard Patrick Miller who will now be the Tigers most experienced player on a young team. The senior point guard is a potential OVC player of the year candidate who returns to the reigns of an offense that will rely on a lot of newcomers to shoulder heavy production losses. Miller averaged 14.8 points, 5.9 assists per game as well as recording a 1.7 assist-to-turnover ratio. The Chicago native's junior season will go down as one of the best for a point guard at TSU after Miller set the single season assist mark with 195.

• Playing in the Gentry Center has been kind to TSU over the past three years as the team is 33-6 at home during that span, but just 16-37 on the road. The Tigers have also won 21 out of their last 24 contests in their arena. TSU was 11-2 at home in 2012-13 which matches the team's record for home wins in a season while playing in the Gentry Center.

TEAM NOTES

• Senior swingman Mike Liabo enters the season ranked No. 7 on the all-time UT Martin scoring list with 1,229 points. He needs 501 points to take over the top spot (approximately 16.2 points per game).

• Junior Myles Taylor is also primed to become the program's 17th member of the 1,000 point club, as he has scored 855 points in his first two seasons in a Skyhawk uniform. Last season, Taylor just missed becoming the first OVC sophomore since 2000 to end the season in the top-five in both scoring in rebounding, as he finished sixth in both categories.

• The Skyhawks return 11 players and four starters from last season's squad. UT Martin returns 86 percent of its scoring from 2012-13, including its top four scorers.

• UT Martin will travel approximately 13,000 miles to complete its 31 games this season. The Skyhawks will play in 11 states (Alabama, Arkansas, Colorado, Florida, Illinois, Kentucky, Missouri, Nevada, South Carolina, Tennessee and Wyoming), with the longest trip slated for a game at UNLV on Nov. 30.

Present OVC Members in Bold

For the 20th time in 21 years, the Ohio Valley Conference invades downtown Nashville to crown its men's basketball champion. The OVC Basketball Tournament is the league's showcase event, and the 2014 edition of "Music City Madness" will include a variety of exciting action both on and off the court.

The tournament made a return to Municipal Auditorium in 2011 with a new merit-based format. The combined men's and women's championship has been held at Municipal Auditorium eight times: 1994, 1995, 1996, 2004, 2008, 2011, 2012 and 2013. The men also held its championship at the venue in 1989. Prior to the tournament being at the end of the season, the 1967 tournament was also held at Municipal Auditorium in December.

After first round games were previously played on campus sites, now all eight men's and all eight women's teams that qualify for the tournament field gather at a single site for the entire tournament.

In 2011 the bracket shifted from a traditional 1 vs. 8, 2 vs. 7, etc. format to a merit-based format that rewards the top teams during the regular season with byes into the quarterfinals and semifinals. The first round of each the men's and women's tournament will feature the No. 5 seed against the No. 8 seed and the No. 6 seed against the No. 7 seed. The winners of those games will advance to the quarterfinals to face the No. 3 and No. 4 seeds (who received a bye). The winners of those quarterfinal matchups will advance to the semifinals to face the No. 1 and No. 2 seeds (who received a pair of byes).

With a change to divisional play in 2012-13, the East and West divisional winners are guaranteed to be the top two seeds in the tournament, while seeds 3-8 will be determined by Conference record, regardless of division.

The 2014 Championship marks the 51st time the men's event has been held, making it the fourth oldest Division I championship in the country (behind only the Southern, ACC and SEC).

Future OVC Basketball Tournament dates are March 4-7, 2015.

Last season Belmont won its first OVC Championship by topping Murray State 70-68 in a thrilling overtime contest.

OVC Tournament Tiebreaker System

Tiebreaker. The tiebreaker system for seeding the Ohio Valley Conference Basketball Tournament will utilize the following factors, in order, until all ties are broken. In the instance where two or more teams are tied for divisional lead, the divisional leader tiebreaker system shall be utilized. Division leaders will be determined before any other seeding.

Divisional Leader Ties

- Head to head record will be compared with the team having the best record named as divisional leader;
- Overall division records will be compared with the team having the best division record named as divisional leader;
- Overall record against opposite division opponents will be compared with the team having the best opposite division record named as divisional leader;
- Records against the #3 finisher within the division will be compared with the team having the best record against the #3 finisher named as divisional leader;
- If step d does not break the tie, the process continues through the #6 team if necessary;
- In the event that the tie cannot be broken, the divisional leader shall be determined by a coin toss.

NOTE: In the case of steps D and E - if there is a tie between teams finishing 3-6 in the division, those ties should be broken prior to determining divisional leader by using the tiebreaker procedures below only with teams in that division. This is the only instance where ties between lower finishing teams will be broken first and not skipped over. In addition, these ties will only be broken for purposes of determining divisional leaders. Once divisional leaders are determined, these ties will be reinstated and handled according to the tiebreaker procedures below for determining seeds #3-8.

Two-way Ties (other than divisional leader)

- Records in head-to-head competition are compared with the higher seed going to the team that has won the most games against the other;
- In the event step 1 does not resolve the tie (i.e., if the two teams split during the regular season), then the records for the tying teams against the No. 1 seed shall be compared. The team with the better record against the No. 1 seed shall gain the higher seed.
- If the potential No. 1 seed is among the tied teams, the process in step 2 will begin at the highest point in the standings that does not involve a tied team.
- The process continues through the No. 12 team, if necessary.
- In the event that the tie cannot be broken, the seedings shall be determined by a coin toss.

Multiple Ties (other than divisional leader)

- Composite records between tying teams will be evaluated to determine if one team has won more games against the other tying institutions (in which case that team would receive the higher seed) and/or one team has won the least number of games among the tied teams (in which case that team will receive the lowest seed), and /or two teams have the same composite record (in which case the two-team tiebreaker scenario shall be utilized);
- In the event this process does not resolve the multiple ties or reduce the multiple ties to one tie, then a comparison of records of the tying institutions against the No. 1 seed will occur. The team among the tying institutions with the better record against the No. 1 seed will receive the higher seed.
- If the potential No. 1 seed is among the tied teams, the process in step 2 will begin at the highest point in the standing that does not involve a tied team.
- This process continues through No. 12 team, if necessary.
- In the event this process does not resolve the ties, a coin toss will be the final alternative.

NOTE: If a multiple tie is reduced to a tie between two teams, the two-team tiebreaker formula will then be utilized. Ties involving teams higher in the standings are always broken before ties involving teams lower in the standings. Higher winning percentages shall prevail in tiebreaker situations, even if the number of games played against a team or group is unequal (i.e. 2-0 is better than 3-1). In the case of tied percentages, 2-0 is better than 1-0 and 0-1 is better than 0-2.

Former Morehead State head coach Donnie Tyndall is interviewed by ESPN's Erin Andrews at halftime of the 2009 Opening Round Game against Alabama State in Dayton, Ohio. Morehead State topped ASU 58-43 to win the game and advance to play No. 1 overall seed Louisville. The win was the first in the NCAA Tournament for the Ohio Valley Conference in 20 years.

Murray State's Danero Thomas hits a shot as time expires to lift No. 13 seed Murray State to a 66-65 victory over No. 4 seed Vanderbilt in the first round of 2010 NCAA Tournament (San Jose, Calif.). It marked the first win for an OVC team in the First Round of the event since the 1989 season (Middle Tennessee) and the second year in a row the OVC had won a game in the tournament (Photo by Michael Dann).

Demonte Harper drained this 3-pointer to lift No. 13 seed Morehead State to a 62-61 victory over Louisville in the second round of the 2011 NCAA Tournament in Denver, Colo. With the Eagles trailing by two points, Harper pulled up at the top of the key and nailed the shot with 4.2 seconds left to put his team ahead for good (MSU would block a UofL attempt at the buzzer to preserve the victory, its first over the Cards since the 1956-57 season).

The 12 teams were broken into two divisions (West: Austin Peay, Eastern Illinois, Murray State, Southeast Missouri, SIUE and UT Martin. East: Belmont, Eastern Kentucky, Jacksonville State, Tennessee State and Tennessee Tech). Tennessee Tech was picked to win the East while UT Martin was selected to win the West. The coaches' and sport information directors' prediction held true for Tech but it was Eastern Illinois who won the West. The Panthers and Golden Eagles shared the regular-season title. It marked the second title for EIU while it was the 18th for Tech. Eastern Illinois claimed the No. 1 seed in the OVC Tourney while Tennessee Tech earned the No. 2 seed. The Panthers and Golden Eagles both earned double-byes to the semifinals. Also earning tournament berths were Belmont, UT Martin, Eastern Kentucky, SIUE, Tennessee State and Murray State. Belmont and UT Martin each made it to the semifinals where the Bruins fell to Tennessee Tech and the Skyhawks defeated top-seeded Eastern Illinois. Tennessee Tech and UT Martin met for the third straight year in the championship game with Skyhawks defeating the Golden Eagles to win its third consecutive tournament title. UT Martin also earned the league's automatic bid to the NCAA tournament. Along with UTM, Eastern Illinois, Eastern Kentucky and Belmont also earned postseason spots. EIU was the leagues automatic bid to the WNIT while Eastern Kentucky and Belmont played in the WBI. UT Martin fell to Notre Dame in the first round of the NCAA tourney while Eastern Illinois defeated Missouri to advance to the second round of the WNIT. The Panthers would fall to Illinois to end its postseason run. Eastern Kentucky and Belmont both lost in the first round of the WBI. It marked the second year the OVC had four women's basketball teams in the postseason.

OVC Hosting the 2014 Women's Final Four: The OVC and the Nashville Sports Council will host the 2014 NCAA Division I Women's Basketball Final Four which will take place on April 6 and 8. The event will be held at the Bridgestone Arena. In conjunction with the Final Four, Nashville will also host the Women's Basketball Coaches Association (WBCA) National Convention. The WBCA is the national association of approximately 5,000 basketball coaches representing all levels of the game, including junior high, AAU, high school, college and professional.

OVC Digital Newtork: This marks the second season of the OVC Digital Network. It launched last year and is a new and improved home for lives streaming of athletic contests involving OVC member institutions. One of the top features of the Network is that all events will be offered free for fans. The events will also feature improved quality with most events streaming in high definition (HD). Fans will also have easier access to the streams, easily accessing them through links at OVCDigitalNetwork.com without any registration being required. The streams will be available on any computer, tablet or smart phone without any app or software download thanks to the use of HTML5 technology. The portal also includes live stats and social media integration to give fans even more interaction. The streaming efforts will concentrate on football and men's and women's basketball in the first year, with all home non-conference and conference contests featuring OVC schools in those sports airing on the platform.

UT Martin's Jasmine Newsome was named the 2013-14 OVC Preseason Player of the Year. Last season, she earned OVC Player and Defensive Player of the Year honors.

Present OVC Members in Bold

For the 20th time in 21 years, the Ohio Valley Conference invades downtown Nashville to crown its men's basketball champion. The OVC Basketball Tournament is the league's showcase event, and the 2014 edition of "Music City Madness" will include a variety of exciting action both on and off the court.

The tournament made a return to Municipal Auditorium in 2011 with a new merit-based format. The combined men's and women's championship has been held at Municipal Auditorium seven times: 1994, 1995, 1996, 2004, 2008, 2011, 2012 and 2013. The men also held its championship at the venue in 1989.

After first round games were previously played on campus sites, now all eight men's and all eight women's teams that qualify for the tournament field gather at a single site for the entire tournament.

In 2011 the bracket shifted from a traditional 1 vs. 8, 2 vs. 7, etc. format to a merit-based format that rewards the top teams during the regular season with byes into the quarterfinals and semifinals. The first round of each the men's and women's tournament will feature the No. 5 seed against the No. 8 seed and the No. 6 seed against the No. 7 seed. The winners of those games will advance to the quarterfinals to face the No. 3 and No. 4 seeds (who received a bye). The winners of those quarterfinal matchups will advance to the semifinals to face the No. 1 and No. 2 seeds (who received a pair of byes).

Last year saw fourth-seeded UT Martin earn its third straight OVC Tournament defeating No. 2 Tennessee Tech, 87-80, in overtime in the championship game.

OVC Tournament Tiebreaker System

Tiebreaker. The tiebreaker system for seeding the Ohio Valley Conference Basketball Tournament will utilize the following factors, in order, until all ties are broken. In the instance where two or more teams are tied for divisional lead, the divisional leader tiebreaker system shall be utilized. Division leaders will be determined before any other seeding.

Divisional Leader Ties

- (a) Head to head record will be compared with the team having the best record named as divisional leader;
- (b) Overall division records will be compared with the team having the best division record named as divisional leader;
- (c) Overall record against opposite division opponents will be compared with the team having the best opposite division record named as divisional leader;
- (d) Records against the #3 finisher within the division will be compared with the team having the best record against the #3 finisher named as divisional leader;
- (e) If step d does not break the tie, the process continues through the #6 team if necessary;
- (f) In the event that the tie cannot be broken, the divisional leader shall be determined by a coin toss.

NOTE: In the case of steps D and E - if there is a tie between teams finishing 3-6 in the division, those ties should be broken prior to determining divisional leader by using the tiebreaker procedures below only with teams in that division. This is the only instance where ties between lower finishing teams will be broken first and not skipped over. In addition, these ties will only be broken for purposes of determining divisional leaders. Once divisional leaders are determined, these ties will be reinstated and handled according to the tiebreaker procedures below for determining seeds #3-8.

Two-way Ties (other than divisional leader)

- (a) Records in head-to-head competition are compared with the higher seed going to the team that has won the most games against the other;
- (b) In the event step 1 does not resolve the tie (i.e., if the two teams split during the regular season), then the records for the tying teams against the No. 1 seed shall be compared. The team with the better record against the No. 1 seed shall gain the higher seed.
- (c) If the potential No. 1 seed is among the tied teams, the process in step 2 will begin at the highest point in the standings that does not involve a tied team.
- (d) The process continues through the No. 12 team, if necessary.
- (e) In the event that the tie cannot be broken, the seedings shall be determined by a coin toss.

Multiple Ties (other than divisional leader)

- (a) Composite records between tying teams will be evaluated to determine if one team has won more games against the other tying institutions (in which case that team would receive the higher seed) and/or one team has won the least number of games among the tied teams (in which case that team will receive the lowest seed), and /or two teams have the same composite record (in which case the two-team tiebreaker scenario shall be utilized);
- (b) In the event this process does not resolve the multiple ties or reduce the multiple ties to one tie, then a comparison of records of the tying institutions against the No. 1 seed will occur. The team among the tying institutions with the better record against the No. 1 seed will receive the higher seed.
- (c) If the potential No. 1 seed is among the tied teams, the process in step 2 will begin at the highest point in the standing that does not involve a tied team.
- (d) This process continues through No. 12 team, if necessary.
- (e) In the event this process does not resolve the ties, a coin toss will be the final alternative.

NOTE: If a multiple tie is reduced to a tie between two teams, the two-team tiebreaker formula will then be utilized. Ties involving teams higher in the standings are always broken before ties involving teams lower in the standings. Higher winning percentages shall prevail in tiebreaker situations, even if the number of games played against a team or group is unequal (i.e. 2-0 is better than 3-1). In the case of tied percentages, 2-0 is better than 1-0 and 0-1 is better than 0-2.
