BRENTWOOD, Tenn. -- Morehead State University has been awarded the 2011-12 Ohio Valley Conference Institutional Academic Achievement Award. The award is presented annually to the member institution with the greatest percentage of its eligible student-athletes that earn a 3.25 grade point average or higher for that academic year. Murray State University was second, followed by Southern Illinois University Edwardsville, the University of Tennessee at Martin and Eastern Kentucky University.

It marks the 12th time Morehead State has won the honor in the 26 years it has been awarded, an OVC record. The Eagles claimed the award for the third year in a row and seventh time in the last eight years. Eastern Kentucky is next on the list with eight crowns and Austin Peay has two awards while Jacksonville State, Tennessee State, UT Martin and former member Middle Tennessee State have earned one award apiece.

The league also announced the recipients of 16 OVC Team Academic Achievement Awards, which are presented annually in each Conference-sponsored sport to the member institution's team with the greatest percentage of its eligible student-athletes who achieved a 3.25 grade point average or higher. Morehead State claimed an OVC-best three team awards, followed by Austin Peay, Eastern Kentucky, Murray State and Tennessee Tech with two awards apiece. In all, 10 different member institutions garnered at least one award.

A Record 178 Student-Athletes Awarded OVC Medals of Honor: A Record 1,063 Tabbed For Commissioner's Honor Roll

It was also announced that a record 178 Ohio Valley Conference student-athletes received the Medal of Honor for the 2011-12 season. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport. The 178 honorees are the most in the history of the award, surpassing the record of 164 last year (2010-11). It also marks the eighth year in a row there have been over 100 winners. All but one of the Medal of Honor recipients carried a perfect 4.0 grade point average during the year. Of the 178 award winners, 17 were awarded Medals of Honor for multiple sports (and counted just once in the final recipients list).

The OVC also announced that 1,063 student-athletes were named to the 2011-12 OVC Commissioner's Honor Roll, also setting a new record. The 1,063 student-athletes surpassed the old record of 1,044 set in each 2008-09 and 2009-10. To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport(s) and used a season of competition. Those numbers included 25 student-athletes who compete in non-OVC championship sports that do not compete in another conference (i.e. Southeast Missouri gymnastics, UT Martin equestrian and Eastern Illinois rugby) and 95 student-athletes who were recipients in multiple sports (and counted just once in the final total).
