

Belmont Claims 2012-13 OVC Institutional Academic Achievement Award

July 25, 2013

FOR IMMEDIATE RELEASE

Contact: Kyle Schwartz

BRENTWOOD, Tenn. -- Belmont University has been awarded the 2012-13 Ohio Valley Conference Institutional Academic Achievement Award. The award is presented annually to the member institution with the greatest percentage of its eligible student-athletes that earn a 3.25 grade point average or higher for that academic year. Morehead State University was second followed by Southern Illinois University Edwardsville and the University of Tennessee at Martin.

It marks the first crown for Belmont who joined the OVC prior to the 2012-13 season. Morehead State, the 2011-12 champions, holds the record with 12 OVC Academic Achievement Awards. Eastern Kentucky is next on the list with eight crowns and Austin Peay has two awards while Jacksonville State, Tennessee State, UT Martin and former member Middle Tennessee State have earned one award apiece.

The league also announced the recipients of 16 OVC Team Academic Achievement Awards, which are presented annually in each Conference-sponsored sport to the member institution's team with the greatest percentage of its eligible student-athletes who achieved a 3.25 grade point average or higher. Belmont claimed an OVC-best seven awards, followed by SIUE with three and Austin Peay and Jacksonville State with two apiece. In total, eight different member institutions garnered at least one award.

The team/institution honorees are:

A Record 212 Student-Athletes Awarded OVC Medals of Honor; A Record 1,228 Tabbed For Commissioner's Honor Roll

It was also announced that a record 212 Ohio Valley Conference student-athletes received the Medal of Honor for the 2012-13 season. The Medal of Honor is given annually to the student-athlete who achieves the highest grade point average in a Conference-sponsored sport. The 212 honorees are the most in the history of the award, surpassing the record of 178 set last year (2011-12). It marks the fifth year in a row a new record has been set. Every Medal of Honor recipient carried a perfect 4.0 grade point average during the year. Of the 212 award winners, 17 were awarded Medals of Honor for multiple sports (and counted just once in the final recipients list).

The OVC also announced that 1,228 student-athletes were named to the 2012-13 OVC Commissioner's Honor Roll, also setting a new record. The 1,228 student-athletes surpassed the old record of 1,063 set a season ago. To be listed, recipients must have achieved at least a 3.25 grade point average and have been eligible and on the team throughout the competitive season in their chosen NCAA-sponsored sport(s) and used a season of competition. Those numbers included 28 student-athletes who compete in non-OVC championship sports that do not compete in another conference (i.e. Belmont men's soccer, Southeast Missouri gymnastics, UT Martin equestrian and Eastern Illinois rugby) and 88 student-athletes who were recipients in multiple sports (and counted just once in the final total).
