THE OVC / WELCOME TO JSU

OVC HISTORY & STAFF

Now in its 65th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

Back in 2012, for only the third time in the past decade, the conference expanded by adding Belmont as the league's 12th member.

The OVC sponsors the following sports: baseball, basketball, cross country, football, golf, tennis, and track & field for men; and basketball, cross country, golf, soccer, softball, tennis, track & field, and volleyball for women.

The OVC has grown significantly from its humble beginnings while increasing the number of athletic opportunities it provides for students. In addition to newest members Belmont and SIU-Edwardsville, other current league representatives include charter members Eastern Kentucky, Morehead State and Murray State, along with Austin Peay, Eastern Illinois, Jacksonville State, Southeast Missouri, Tennessee State, Tennessee Tech, and UT Martin.

We are pleased to host the 2014 Ohio Valley Conference Softball Tournament. On behalf of our Board of Trustees, faculty, staff, students and alumni, welcome to the Friendliest Campus in the South, Jacksonville State University.

We congratulate all the Ohio Valley Conference softball teams for a great season. Student-athletes face many challenges in balancing their commitment to athletics, academics, and student life. We are proud of our athletes, as I know you are of those you are supporting today. Our athletes add value to the higher education experience at Jacksonville State University by demonstrating excellence in athletics and academics.

University Field has undergone extensive renovations over the last two years and has a long and rich heritage. The Gamecocks upgraded their longtime home before the 2013 season, when the old grandstands at University Field were torn down to make way for a new state-of-the-art press box with suites and radio/tv booths and a 2,000-seat facility that features chairback seating behind home plate.

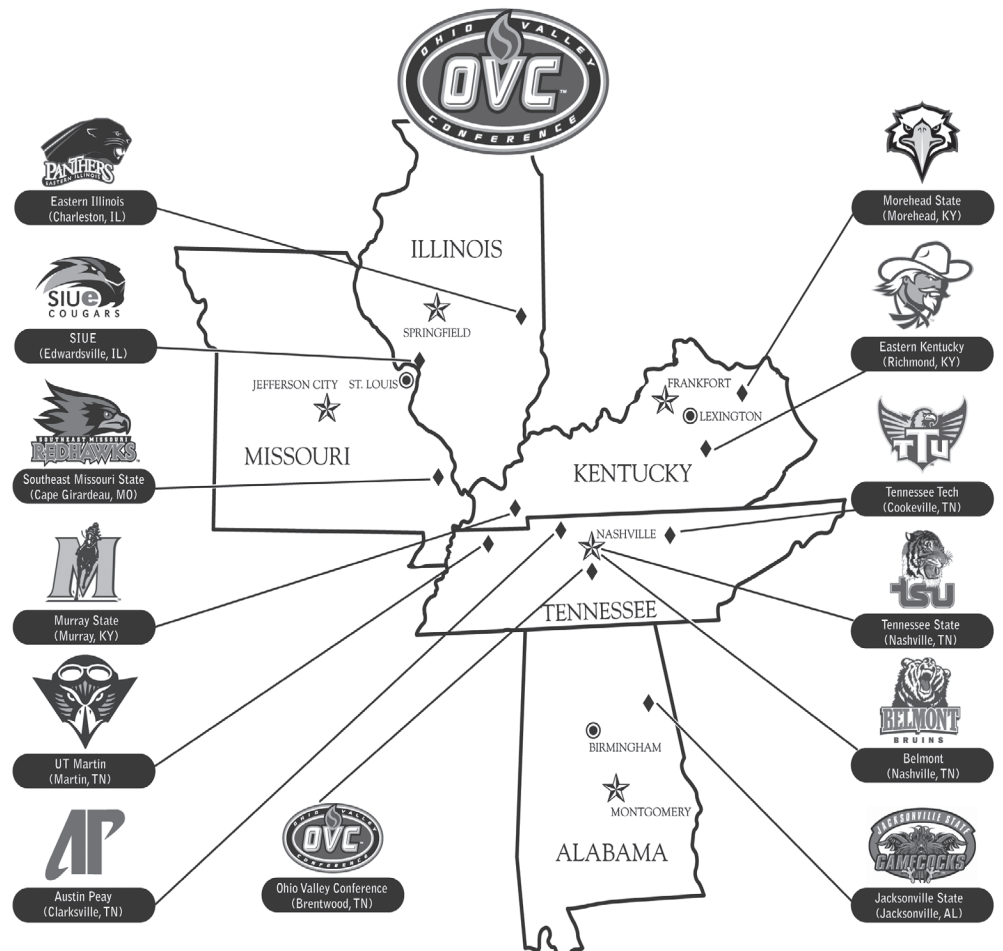

JSU's home since a Feb. 15, 1996 doubleheader against Tennessee State, the University Field renovations came full circle before the 2014 season, when the old dugouts that served as the home of the Gamecock baseball and softball teams for years were torn down and new sunken dugouts with restrooms and a dressing facility for the Gamecocks were installed, making University Field one of the best Division I softball facilities in the Southeast. This facility has seen numerous Conference championship teams and we're excited that the 2014 OVC Softball Champion will be crowned on this field this weekend.

Thank you for joining us today and supporting your OVC team. There will be lots of great softball action and outstanding athletic competition. We appreciate the Ohio Valley Conference staff and our own Jacksonville State University staff who make this event possible.

Good luck to each team!
