Now in its 67th year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference.

The OVC's proud history dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles "Turkey" Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its seventh decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Belmont University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

ROBERT TRENT JONES GOLF TRAIL AT HAMPTON COVE

450 Old Highway 431, Huntsville, Alabama

The 2015 OVC Women's Golf Championship will be held for the first time at Hampton Cove on the Robert Trent Jones Golf Trail in Huntsville, Alabama.

Hampton Cove, the northern gateway to the Trail, is a 54-hole facility with terrain that drastically changes from one side of the property to the other.

Renovated in 2008, The Highlands course has been restored to its original Scottish Links design. Completely opposite in design is the River course, the only Robert Trent Jones layout without a single bunker. The River Course is a throwback to the way courses were built long ago. The dirt was merely pushed up to create the greens and tees, leaving all else, including massive oak trees, undisturbed.

The OVC Championship will be contested on The Highlands course.
